Title or Subject: Medicaid State Plan Amendment (SPA) 17-0011 School-Based Health Care Services (SBHS) in Charter and Tribal Schools Charter Schools

Effective Date: on or after February 16, 2017

Description: The Health Care Authority intends to submit Medicaid State Plan Amendment (SPA) 17-0011 to incorporate Charter Schools and Tribal Schools under the School-Based Health Care Services (SBHS) Program.

The SBHS Program currently reimburses contracted public school districts for health care-related services provided to children age 0 through 20 years in accordance with the Individuals with Disabilities Education Act (IDEA) Part B and Part C and consistent with Section 1905(c) of the Social Security Act. Charter Schools and Tribal Schools must meet the same requirements as public school districts in order to provide and receive reimbursement for SBHS.

The Agency estimates that if approved, this SPA will result in $0.00 in annual aggregate expenditures.

A draft SPA is available for review. The Health Care Authority would appreciate any input or concerns regarding this SPA. To request a copy of the SPA, you may contact the person named below or the agency in your county listed in the attached table. To submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).
