EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rulemaking is necessary to preserve the public peace, health, or safety, or support of the state government and its existing public institutions by establishing rules to implement the special enrollment opportunity for retired or disabled employees who were denied coverage for failure to timely notify the Health Care Authority (HCA) of their intent to defer coverage and who appealed the denial of benefits to HCA on or before December 31, 2022. The emergency rule is necessary to implement SSB 5490, Chapter 15, Laws of 2023, while the authority conducts the permanent rulemaking process.

This filing continues the emergency rules filed under WSR 23-20-002, filed September 20, 2023. The agency is continuing to review the PEBB chapters for updates and is preparing for its annual revisions to begin under permanent rulemaking shortly.
