PEB BOARD BY-LAWS

ARTICLE I The Board and its Members

- <u>Board Function</u>—The Public Employee Benefits Board (hereinafter "the PEBB" or "Board") is created pursuant to RCW 41.05.055 within the Health Care Authority; the PEBB's function is to design and approve insurance benefit plans for State employees and school district employees.
- 2. <u>Staff</u>—Health Care Authority staff shall serve as staff to the Board.
- 3. <u>Appointment</u>—The Members of the Board shall be appointed by the Governor in accordance with RCW 41.05.055. Board members shall serve two-year terms. A Member whose term has expired but whose successor has not been appointed by the Governor may continue to serve until replaced.
- 4. <u>Non-Voting Members</u>—Until there are no less than twelve thousand school district employee subscribers enrolled with the authority for health care coverage, there shall be two non-voting Members of the Board. One non-voting Member shall be the Member who is appointed to represent an association of school employees. The second non-voting Member shall be designated by the Chair from the four Members appointed because of experience in health benefit management and cost containment.
- 5. <u>Privileges of Non-Voting Members</u>—Non-voting Members shall enjoy all the privileges of Board membership, except voting, including the right to sit with the Board, participate in discussions, and make and second motions.
- Board Compensation—Members of the Board shall be compensated in accordance with RCW <u>43.03.250</u> and shall be reimbursed for their travel expenses while on official business in accordance with RCW <u>43.03.050</u> and <u>43.03.060</u>.

ARTICLE II Board Officers and Duties

- <u>Chair of the Board</u>—The Health Care Authority Administrator shall serve as Chair of the Board and shall preside at all meetings of the Board and shall have all powers and duties conferred by law and the Board's By-laws. If the Chair cannot attend a regular or special meeting, he or she shall designate a Chair Pro-Tem to preside during such meeting.
- 2. <u>Other Officers</u>—(reserved)

ARTICLE III Board Committees

(RESERVED)

ARTICLE IV Board Meetings

- <u>Application of Open Public Meetings Act</u>—Meetings of the Board shall be at the call of the Chair and shall be held at such time, place, and manner to efficiently carry out the Board's duties. All Board meetings, except executive sessions as permitted by law, shall be conducted in accordance with the Open Public Meetings Act, Chapter 42.30 RCW.
- 2. <u>Regular and Special Board Meetings</u>—The Chair shall propose an annual schedule of regular Board meetings for adoption by the Board. The schedule of regular Board meetings, and any changes to the schedule, shall be filed with the State Code Reviser's Office in accordance with RCW 42.30.075. The Chair may cancel a regular Board meeting at his or her discretion, including the lack of sufficient agenda items. The Chair may call a special meeting of the Board at any time and proper notice must be given of a special meeting as provided by the Open Public Meetings Act, RCW 42.30.
- 3. <u>No Conditions for Attendance</u>—A member of the public is not required to register his or her name or provide other information as a condition of attendance at a Board meeting.
- 4. <u>Public Access</u>—Board meetings shall be held in a location that provides reasonable access to the public including the use of accessible facilities.
- 5. <u>Meeting Minutes and Agendas</u>—The agenda for an upcoming meeting shall be made available to the Board and the interested members of the public at least 10 days prior to the meeting date or as otherwise required by the Open Public Meetings Act. Agendas may be sent by electronic mail and shall also be posted on the HCA website. Minutes summarizing the significant action of the Board shall be taken by a member of the HCA staff during the Board meeting, and an audio recording (or other generally-accepted) electronic recording shall also be made. The audio recording shall be reduced to a verbatim transcript within 30 days of the meeting and shall be made available to the public. The audio tapes shall be retained for six (6) months. After six (6) months, the written record shall become the permanent record. Summary minutes shall be provided to the Board for review and adoption at the next board meeting.
- 6. <u>Attendance</u>—Board members shall inform the Chair with as much notice as possible if unable to attend a scheduled Board meeting. Board staff preparing the minutes shall record the attendance of Board Members at the meeting for the minutes.

ARTICLE V Meeting Procedures

- <u>Quorum</u>— Five voting members of the Board shall constitute a quorum for the transaction of business. No final action may be taken in the absence of a quorum. The Chair may declare a meeting adjourned in the absence of a quorum necessary to transact business.
- 2. <u>Order of Business</u>—The order of business shall be determined by the agenda.
- 3. <u>Teleconference Permitted</u> A Member may attend a meeting in person or, by special arrangement and advance notice to the Chair, A Member may attend a meeting by telephone conference call or video conference when in-person attendance is impracticable.
- 4. <u>Public Testimony</u>—The Board actively seeks input from the public at large, from enrollees served by the PEBB Program, and from other interested parties. Time is reserved for public testimony at each regular meeting, generally at the end of the agenda. At the direction of the Chair, public testimony at board meetings may also occur in conjunction with a public hearing or during the board's consideration of a specific agenda item. The Chair has authority to limit the time for public testimony, including the time allotted to each speaker, depending on the time available and the number of persons wishing to speak.
- 5. <u>Motions and Resolutions</u>—All actions of the Board shall be expressed by motion or resolution. No motion or resolution shall have effect unless passed by the affirmative votes of a majority of the Members present and eligible to vote, or in the case of a proposed amendment to the By-laws, a 2/3 majority of the Board.
- 6. <u>Representing the Board's Position on an Issue</u>—No Member of the Board may endorse or oppose an issue purporting to represent the Board or the opinion of the Board on the issue unless the majority of the Board approve of such position.
- 7. <u>Manner of Voting</u>—On motions, resolutions, or other matters a voice vote may be used. At the discretion of the chair, or upon request of a Board Member, a roll call vote may be conducted. Proxy votes are not permitted.
- 8. <u>Parliamentary Procedure</u>—All rules of order not provided for in these By-laws shall be determined in accordance with the most current edition of Robert's Rules of Order [RONR]. Board staff shall provide a copy of *Robert's Rules* at all Board meetings.
- 9. <u>Civility</u>—While engaged in Board duties, Board Members conduct shall demonstrate civility, respect and courtesy toward each other, HCA staff, and the public and shall be guided by fundamental tenets of integrity and fairness.
- 10. <u>State Ethics Law</u>—Board Members are subject to the requirements of the Ethics in Public Service Act, Chapter 42.52 RCW.

ARTICLE VI Amendments to the By-Laws and Rules of Construction

- 1. <u>Two-thirds majority required to amend</u>—The PEBB By-laws may be amended upon a two-thirds (2/3) majority vote of the Board.
- 2. <u>Liberal construction</u>—All rules and procedures in these By-laws shall be liberally construed so that the public's health, safety and welfare shall be secured in accordance with the intents and purposes of applicable State laws and regulations.

- PARLIAMENTARY PROCEDURE -

Presented to the PEB Board

June 17, 2020

By Michael R. Tunick, Assistant Attorney General

OVERVIEW

- General Overview of Parliamentary Procedure and How Robert's Rules Fit In
- Meeting Basics
- Motions, Debate, Voting
- Types of Motions

PARLIAMENTARY PROCEDURE

Principles of parliamentary procedure:

- 1. One subject at a time
- 2. Every subject gets fully debated
- 3. Rights equal to every other board member
- 4. Majority rule
- 5. Respect

AUTHORITIES GOVERNING THE BOARD (FROM HIGHEST TO LOWEST IN PRIORITY)

- Law: Certain rules are prescribed by applicable law
 - Open Public Meetings Act
 - Ethics in Public Service Act
 - Laws specific to the Board, e.g., RCW 41.05.055
- Bylaws/Charter: Govern the structure and operation of the organization
- Rules of Order: Special Rules of Order specific to your organization and Parliamentary Authority adopted by your organization (*e.g.*, Robert's Rules)
- Common Practice or Custom: Not in written rule (*e.g.*, introducing a resolution at one meeting and voting at the next meeting)

INFORMAL PROCEDURES IN SMALL BOARDS

With smaller boards (typically fewer than twelve members), such as the PEB and SEB Boards, more informal procedures may be followed:

- Member may raise hand to obtain floor instead of standing
- The Chair and members may remain seated when speaking or voting
- Members may speak more than twice during debate
- Subjects may be discussed informally even if no motion is pending
- Chair may participate in debate, make motions, and vote without giving up the chair

MEETING BASICS

- Presiding Officer
 - Chair, or if not present, a person designated Chair Pro-Tem .
- Quorum (or not)
 - Five is the minimum number of members who must be present to conduct business.
- Agenda/Order of Business
 - Order of Business is determined by the agenda, which is circulated prior to meeting.
- Minutes
 - Minutes summarize significant action taken by the Board. At subsequent meetings, the minutes of prior meeting get approved.
- Presentations to the Board
 - The agenda may include presentations to the Board by HCA staff.

MOTIONS, DEBATE, AND VOTING

Six steps to motion practice:

- 1) Motion is made Formal proposal made by a member at a meeting that the group take certain action.
- 2) Seconded Another member must second a motion to bring it before the entire group.
- Chair "States" the Question Repeats the exact words of the motion or resolution.
- 4) Debate Discussion of the merits of a pending motion or resolution.
- 5) Chair "Puts" the Question After debate has closed, the Chair "puts" the motion or resolution to a vote.
- 6) Chair Announces Result.

MOTION PRACTICE

Types of Motions

- Main Motion
- Secondary Motions
 - Amend
 - Lay on the Table
 - Point of Order
 - Parliamentary Inquiry
- Motions that Bring a Question Again Before the Assembly
 - Take from the Table
 - Reconsider
 - Rescind or Amend Something Previously Adopted
 - Renewal

MOTION TO AMEND

Methods of Amending

| Insert | "I move to insert" or "I move to amend by inserting" |
|-------------------|---|
| Strike | "I move to strike" or "I move to amend by striking" |
| Strike and insert | "I move to strike out the words '[X, Y, Z]' and insert the words '[T, U, V, W.]"" |

MOTION TO AMEND (cont.) (Insert or Add Text)

Original Sample Pending Motion: "I move that we buy a new sign."

You Want the Motion to Read: "That we buy a new sign *not to exceed \$50 dollars*."

You Would Say:

"I move to amend by adding the phrase 'not to exceed \$50 dollars' at the end of the motion."

MOTION TO AMEND (cont.) (Strike Text)

Original Sample Pending Motion: "I move that we buy a new sign."

You Want the Motion to Read: "That we buy a new sign."

You Would Say: "I move to amend by striking out the word 'new."

MOTION TO AMEND (cont.) (Strike and Insert Text)

Original Sample Pending Motion: "I move that we buy a new sign."

You Want the Motion to Read: "That we buy a new *sign billboard*."

You Would Say:

"I move to amend by striking out the word 'sign' and inserting the word 'billboard."

MOTION TO AMEND (cont.)

- Restrictions on Making Amendments:
 - Germane
 - Cannot defeat main motion
 - No third-degree amendments
- The Amendment Process:
 - Debate is limited to the desirability of the amendment not the merits of the motion being amended
 - Voting determines whether the text of the main motion is changed not whether the main motion is adopted

OTHER SECONDARY MOTIONS

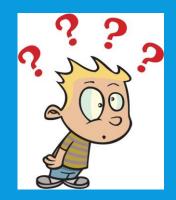

| Kind of Motion | <u>Objective</u> |
|-----------------------|--|
| Lay on Table | clear the floor for more urgent business |
| Point of Order | call attention to violation of the rules |
| Parliamentary Inquiry | obtain information on parliamentary procedure |

MOTIONS THAT BRING A QUESTION BEFORE THE BOARD, AGAIN

| Kind of Motion | <u>Objective</u> |
|---------------------|--|
| Take from the Table | resume consideration of a motion laid on the table |
| Reconsider | reconsider the vote on a motion |
| Rescind or Amend | change something previously adopted by repeal or changing part of it |
| Renew | place a motion before the Board again |

State Budget Forecast & Budget Reduction Options

Megan Atkinson, Chief Financial Officer Financial Services Division June 17, 2020 David Iseminger, Director Employees & Retirees Benefits Division

Big Picture State Budget Background

- The most recently enacted state operating budget for the current '19-'21 biennium (ends June 2021):
 - Approximately \$101.87B (~\$50B is GF-S)*
 - Total approximate HCA expenditures \$30B (~\$6B is GF-S)
 - Includes non-appropriated PEBB & SEBB money received via funding rates
- Total PEBB & SEBB Program claims & third-party admin costs:

| | '19–'21 Biennium |
|--------------|--|
| PEBB Program | ~\$5.19B |
| SEBB Program | ~\$2.79B Program expenses reflect 18 months of the biennium |

Combined PEBB & SEBB Program admin: ~\$65.7M (0.82%)

*This is an estimate based on subtracting the Governor's partial vetoes from the conference committee budget summary (http://leap.leg.wa.gov/leap/Budget/Detail/2020/hoSummary_0310.pdf)

COVID-19 Economic Impacts

- Combating the COVID-19 pandemic has taken a significant toll on the state's economy
- In mid-May, an unofficial update on the state's revenue forecast projected ~\$7 billion less being collected over the next three fiscal years (July 2020 through June 2023)*
- The next update from the Economic and Revenue Forecast Council is expected on June 17, 2020

* See Appendix: May 13, 2020 OFM letter "Immediate actions to capture operating budget savings"

Select Statewide Actions

- Freeze on hiring, personal services, and equipment purchases instituted May 18, 2020
- Voluntary Separation and Retirement Incentive Program guidelines revised to allow all state agency participation

Spring 2020 Budget Option Directions

- In mid-May, OFM identified a \$462M in General-Fund State (GF-S) expenditures as savings target for HCA in FY21^{*}
- This represents a 15% GF-S reduction target for HCA
- The PEBB and SEBB Programs are not directly funded by GF-S appropriations, therefore a specific reduction target was not provided for these programs
- However, all parts of government were asked to identify savings options to contribute to a combined target of \$1.9B for FY21

* See Appendix: May 13, 2020 OFM letter "Immediate actions to capture operating budget savings"

HCA's Budget Options Submission

- In early June, HCA and other agencies submitted budget reduction options to OFM for the next several fiscal years
- HCA's submission included options for all parts of the agency's business, including the PEBB and SEBB Programs
- OFM began publishing agency submissions on its website^{*} on June 8, 2020

* https://ofm.wa.gov/budget/state-budgets/state-agency-fiscal-year-2021-savings-options

HCA's Budget Options Submission (cont.)

- The submitted savings options are not a formal proposal and do not necessarily reflect either the agency's or Governor Inslee's priorities
- HCA's ultimate goal is to preserve health care services for Washington residents to the extent possible, while the state addresses a significant revenue shortfall due to the COVID-19 pandemic
- OFM and HCA will continue working together to refine proposed budget reductions for the Governor and the Legislature to consider for both FY21 and the '21-'23 biennial budgets

HCA's Budget Options Submission (cont.)

- Several options require changes to state law
- Several options have potential collective bargaining agreement impacts
- Some options could be approved just by Board action
- Few options exist for the PEBB and SEBB Programs to make significant contributions to FY21
 - Most aspects of the program align with the calendar year, which is the midpoint of the state fiscal year
 - Even changes for January 2021 require decisions by the middle of 2020 to allow for implementation

PEBB & SEBB Program Submission Topics

- Benefits
 - Change or eliminate the wellness program
 - Change or eliminate the \$250 employer contribution to a medical Flexible Spending Arrangement (FSA) for represented employees (PEBB only)
 - Introduce UMP Select additional medical plan offering (PEBB only)
 - Restructure Long-Term Disability (LTD) Benefit
 - Delay implementation of next Centers of Excellence (COE) bundle
 - Reduce Health Savings Account (HSA) employer contribution (PEBB only)

PEBB & SEBB Program Submission Topics (cont.)

- Eligibility
 - Increase the benefits maintenance eligibility rule from 8 hrs/month (PEBB only)
- State Funding
 - Change the Employer/Employee contribution split or formula
 - Introduce retiree MA-PD plans that accesses CMS funds to lower retiree premiums and explicit subsidy contributions
 - Change the Medicare explicit subsidy level and K-12 remittance

PEBB & SEBB Program Submission Topics (cont.)

- Administrative
 - Account for administrative fee reductions related to COVID-19 that are returned by carriers
 - Simplify the new PEBB-SEBB dual enrollment prohibition criteria
 - FTE reduction
 - Actuarial budget variance (SEBB only)

PEBB Program FY21 Timeline

- Fiscal Year '21 is July 1, 2020 June 30, 2021
- To implement any program changes for the 2021 plan year, which could impact the second half of state FY21, would require action essentially now
- Many options require legislative action or impact the collective bargaining agreement
- There are a few options within the Board's authority that could still be implemented in time to impact state FY21

PEB Board Authority FY21 Options

- Introduce retiree MA-PD plans that accesses CMS funds to lower retiree premiums and explicit subsidy contributions*
- Introduce UMP Select additional medical plan offering*
- Reduce Health Savings Account (HSA) employer contribution
- Change the Medicare explicit subsidy level

*Recommended Options At This Time

HCA's Current Recommendations

- Additional plan options that would not replace existing plan options
- No member would be required to elect any new plan or switch from an existing plan
- Personal member finances may make one of the new plan options desirable to some members and would also provide some state budget relief
- Additional PEBB & SEBB Program alignment to gain greater efficiencies

Why these two recommendations now?

- Although both of these recommendations were created for non-state budget reasons, the current fiscal crisis and these proposals' impact on the state budget are now equally pressing factors
- Both options have implementation efforts that are achievable for launching January 2021
- Now is the best opportunity for the Board to shape impacts to the PEBB Program that will come as a result of the state budget challenges, which will be addressed during the 2021 legislative session

MA-PD Offering

- Recommended action scheduled for the July 15 Board Meeting
 - Procurement and negotiations throughout 2019 and 2020
 - Ongoing Board discussions culminating in premiums introduced today
- Access to CMS funds saves money for everyone
 - Fully insured MA-PD plan carriers can access alternative federal money that the self-insured UMP cannot
 - This results in lower monthly premiums for members
 - Remember, the monthly explicit subsidy is "\$183 or 50% of the premium, whichever is less;" monthly premiums lower than \$366, also reduce the total state subsidy expenditure

UMP Select Offering

- Previously recommended for action at the May 28 Board Meeting; could still be launched if authorized by end of June
- Although full details of UMP Select were presented to the Board in just April 2020, implementation would not be rushed
 - HCA worked with actuaries to create the plan design for the SEBB Program launch
 - Regence anticipated the same number of plans between PEBB & SEBB during their technology rebuild under the new 2020 contract
 - The proposal was vetted with other parts of the authorizing environment
 - The ERB Division and Regence understand the plan design already and can communicate and explain it to members

UMP Select Compared to Current UMP Plans

- At the May Board meeting, valid points about the advantages and disadvantages between the UMP Plans were made
 - There are long-term financial benefits for lower utilizers of health care if they enroll in the UMP CDHP; especially with the current employer HSA contribution levels
 - Particularly in the first year of enrollment, member's must be able to financially meet the UMP CDHP's deductible before any or most HSA funds are available
- HCA can make stronger communications emphasizing different plan types address different needs
 - Each UMP member's unique needs may best be met by a different UMP plan 18

Projected Program Budget Savings

- Introduction of UMP Select with 5% plan switching assumption:
 - ~\$2.5M for the 6 month in FY21
 - ~\$5M per full FY
- MA-PD plans, where the explicit subsidy would be 50% of the premium rather than the full \$183/month:

| Scenario Enrollment | FY 21 | FY 22 | FY 23 |
|--|-------------|-------------|-------------|
| (1,500 in year 1 becoming 3,000 in year 2) | \$410,000 | \$1,365,000 | \$2,047,000 |
| (5,000 in year 1 becoming 7,500 in year 2) | \$1,638,000 | \$4,776,000 | \$6,825,000 |

Closing Considerations

- Given the additional information about the state budget, which HCA was unable to fully present until now, HCA still recommends UMP Select's introduction in January 2021
 - Additional plan choice/Not replacing any current options
 - No requirement to switch to the new plan
 - Reduced overall Program expenditures resulting from individual choices about the best UMP option based on personal finances
 - Fastest ability to contribute to the new state budget realities
- Among the options submitted to OFM, introducing an additional medical plan has savings potential without forced harmful impacts on members

SUBJECT: IMMEDIATE ACTIONS TO CAPTURE OPERATING BUDGET SAVINGS

It has been more than six weeks since Washington began taking sweeping actions to combat the worst global pandemic in more than a century. The good news is these actions appear to be working to "flatten the curve" of COVID-19 cases and we are saving lives.

Unfortunately, these necessary efforts to combat the deadly coronavirus are taking a significant toll on our economy. We recently got our first glimpse of how state revenue collections will be impacted. As expected, the news was grim.

In an unofficial update to the state's revenue forecast, the state's chief economist projected that revenue collections over the next three fiscal years will be about \$7 billion lower than was forecast less than three months ago. The unofficial revenue update on April 30 is based on incomplete data, and we won't have official projections until the next state revenue forecast in June.

It is clear, however, that we must start taking steps now to confront this fiscal crisis. Even using all of the reserves, if the unofficial forecast holds true, we estimate the state would still face a \$4.1 billion shortfall over the next three years.

Therefore, I am directing agencies to identify operating budget savings options from their fiscal year 2021 appropriations. OFM's immediate combined savings options target is \$1.9 billion. (See the attachment for specific agency targets.) All agencies are not listed because they have little opportunity for Near General Fund savings. However, all agencies should identify savings they can make on their own or which require legislation and must be included in a second supplemental budget.

In addition, all agencies should be planning to propose reductions as part of their 2021–23 budget submittals. Any reductions taken in a second supplemental budget may help alleviate the scale of the budget problem next biennium.

Today the governor issued a directive requiring agencies to place a freeze on new hires, personal services contracts and equipment purchases, effective May 18, 2020. Some agency savings will be realized by complying with the freeze.

In looking for additional savings, agencies should:

- Identify under-expenditures, premium adjustments and efficiencies
- Focus mainly on Near General Fund accounts, but consider all accounts for savings
- Use other funds in lieu of General Fund-State whenever possible

Agency Directors May 13, 2020 Page 2 of 2

- Reduce, delay or eliminate programs
- Identify programs or services that do not meet your core mission
- Look for opportunities to immediately realize savings through program changes that you anticipate proposing in your 2021–23 budget requests

During this exercise, please also consider the following:

- Central services charge programs (would the action drive up central service costs?)
- Offsets to savings (does the reduction to one program move the problem and cost to another program?)
- Overlapping programs (does the reduction cross programs and/or agencies?)
- Timing of savings (how long would implementation of reductions actually take?)
- Are legislative changes required to implement any of the savings options?

Please work with your <u>OFM budget analyst</u> so they are prepared with options by June 1. Use this <u>savings template</u> to identify your savings options and send it to <u>ofm.budget@ofm.wa.gov</u> and your budget analyst. Any savings that can be realized now will require agencies to submit allotment amendments that reflect the reductions.

Although this budget savings options exercise applies to cabinet agencies, I urge the presidents of higher education institutions, boards and commissions, and our separately elected officials to undertake a similar budget savings exercise within their agencies and jurisdictions.

Thank you for your efforts on this challenging task.

UMP Select Similarities with UMP Classic

- Same provider network
- Same statewide service area (and nationwide/international BlueCard coverage)
- Same covered services, exclusions, and clinical policies
- Same treatment limits (chiropractic, acupuncture, massage, etc.)

Resolution PEBB 2020-06 Self-Insured Plan Offering

Resolved that, beginning January 1, 2021, the PEBB Program will offer a self-insured plan with the same covered services and exclusions, same provider networks, and same clinical policies as the Uniform Medical Plan Classic. The cost shares (deductible, out-of-pocket maximums, coinsurance for services, etc.) will be the same as the UMP Classic, except for the following:

Resolution PEBB 2020-06 Self-Insured Plan Offering (*cont.*)

- Annual Deductible (medical): \$750/\$2,250 (single/family)
- Annual Deductible (drug): \$250/\$750 (single/family)
- Out-of-Pocket Maximum (medical): \$3,500/\$7,000 (single/family)
- Coinsurances: 20%/80% (member/plan)

Expanding PEBB Medicare Options Update

Ellen Wolfhagen Senior Account Manager Employees and Retirees Benefits Division June 17, 2020

Medicare Advantage plus Prescription Drug (MA-PD) Recap

MA-PDs are private insurance plans that cover all Medicare benefits, including Part D drug benefits

- CMS^{*} pays Medicare Advantage Organizations (MAOs) a capitated (per enrollee) subsidy to provide coverage for all Original Medicare^{**} benefits
- Medicare Advantage plans set their own limits on how much members pay for covered services, which allows for plan customization
- Many Medicare Advantage plans offer benefit enhancements over Original Medicare, such as vision, dental, hearing, and alternative therapies (chiropractic, acupuncture, massage)

*Centers for Medicare & Medicaid Services **Medicare Parts A & B

National MA-PD Coverage Recap

Some large Medicare Advantage Organizations (MAOs) are able to offer national MA-PD coverage through an Extended Service Area (ESA) waiver from CMS. These plans are called Non-differential PPO* ESAs, and:

- Members are able to receive care from any Medicareparticipating provider who accepts the plan
- Member cost-sharing levels are the same regardless of whether providers are 'in' or 'out' of the plan's network

*Preferred Provider Organization

MA-PD – A Proposed Addition to Medicare Coverage

- MA-PD Plans in addition to current offerings
- UMP and Kaiser Medicare Advantage plans still available
- Premera Plans F and G still available

Follow-Up Insights

- Dental not part of this plan
- MA-PD formulary similar to UMP formulary
- Customer service expectations in contract
