Questions	HCA Answers
1. If this RFI greenlights a solicitation, what is the estimated timeline for procurement?	The goal is to release an RFP early 2024 and have an ASB (Apparent Successful Bidder) determined by June 2024.
2. Is there a vendor currently providing this service? If so, how may I obtain copies of any current contract documents?	This is a newly sought out service. HCA currently does not hold any Contracts with providers for these services in the Grays Harbor County.
3. What is the anticipated contract value for this service?	Per Engrossed Substitute Senate Bill (ESSB) 5187, Section 215, the funding for these services is for state fiscal year (SFY) 2025, unless a provider is contracted and can begin services before June 30, 2024. Funding includes \$1,135,000 state general funds and \$568,000 federal general funds.
