Key Insights: high-impact areas to focus on	Turnover & churnover intentions
Open-ended question themes	Our current needs: telework, wellness, & growth

Or choose a way to compare results ---->

Year over year 2019-2022	Demographic group e.g., age, gender, etc.
Organizational structure e.g., division, program area	Geographic location e.g., region, office

response counts by program

Telework: Current State v. Preference

● Telework Now ● Telework Preference

% of respondents whose current telework situation matches their preference:
59.3%

It would benefit my hybrid work experience to work with teammates (leaders and staff) in my area to define in-person business/customer needs and evaluate whether they can be met remotely (even if the final answer is that they can't).

Division:

Program Description:

Sub-Program (IS & IT):

Office:

Wellness

Regarding your engagement and wellbeing, are you significantly worried about any of the following? *

Growth

What kind of support do you feel like you need to grow in your career? *

*Respondents were asked to "select all that apply;" multiple selections were possible.
