2023 July Ideas Generated

A REVIEW

P5 Criteria Revisited

1. **Community Informed** *Prioritizes approaches & ideas that strengthen child and family well-being, as shared by members of impacted communities and those that serve them*
2. **Centers and Advances Equity** *Holds the promise to close the gaps in health access & outcomes measurably*
3. **Realistic and Achievable** *Size & scope are appropriate for Washington's* budget context policy landscape
4. **Capacity** *Implementation could be described and executed well and quickly*
5. **Strengthens / Transforms** *Helps to build, sustain, or transform foundational systems*
6. **Fit** *CYBHWG scope and avoids duplicating the work of other groups*
