## **Agenda**

### 1. Review our priorities

- Rates (BHAs, PCPs, private practitioners)
- Bachelor’s level clinicians
- Paying master’s level interns and post-grads
- Possibly fully fund school-based BH providers (consult with School-based BH and Suicide Prevention subgroup)
- Certification issues
  - What providers need to do to be able to bill insurance – w/ HCA, w/MCOs
  - Certification/credentialing process for individual licenses, incl. what level of professional can bill for what

### 2. Identify new “must haves”

Questions to discuss:

- How would these priorities impact providers and communities of color?
- How would these impact the workforce?
- What are we missing?
- Who do we need to talk to?
- What information do we need to make a case?

### 3. Updates

- BH Institute
- Washington Council
- STEM
- Workforce Board
- Others?
