What Comes Next: P5RHS Issue Decision Process

Issue Groups & Current Priorities for P5RHS

Integration & Quality of Services (Formerly MHAYC - Mental Health Assessment for Young Children)

- Study addressing caregiving and parenting education support for behavioral health interventions

Complex Needs Fund & Consultation (Infant and Early Childhood Mental Health Consultation -IECMH-C)

- Increased investment in ECEAP & Child Care Complex Needs Funds to address overwhelming demand
- Increased investment in IECMH-C to address inequitable access

Quick Report Outs

Integration & Quality of Services (Formerly MHAYC - Mental Health Assessment for Young Children)

- Study addressing caregiving and parenting education support for behavioral health interventions

Complex Needs Fund & Consultation (Infant and Early Childhood Mental Health Consultation -IECMH-C)

- Increased investment in ECEAP & Child Care Complex Needs Funds to address overwhelming demand
- Increased investment in IECMH-C to address inequitable access

We Need Your Help!

Can you:

- **Share our proposed recommendations** with your colleagues or networks for their feedback?
- **Participate in follow-up discussions** to help refine the content of our policy briefs?
- Offer ideas about other **networks or communities to engage** with regarding the proposed recommendations?

Please include your name in the chat if you're able to support our engagement, outreach, and refinement process.

Thank you!

**Our next meeting is Tuesday, October 11th from 2-3:30
on Zoom.**

Hope to see you then!

Quick check out in the chat: What's your favorite way to eat zucchini?
