

Hand out #4 Tribal Clinic Health Homes System Requirements

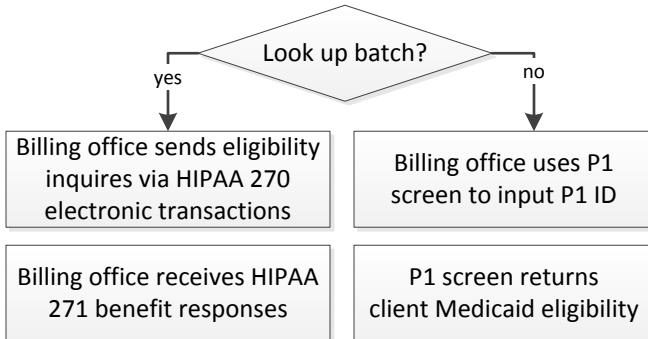

11/04/2014

Draft

Submitting Medical Claims and Tribal Encounters

Submitting Health Home Encounters

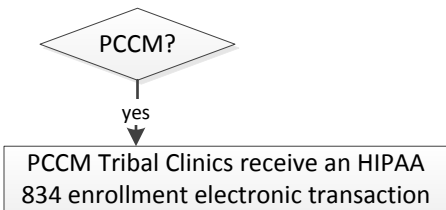

Determining Eligibility

Tribal Clinic send HCA a list of likely health home eligible clients

HCA confirms PRISM score and other requirements and returns list to Tribal Clinic

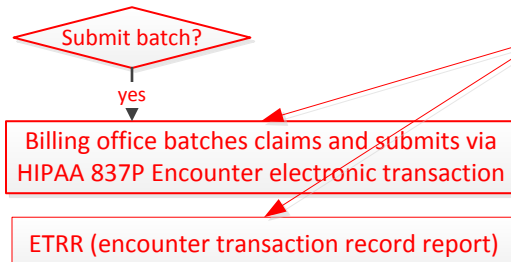

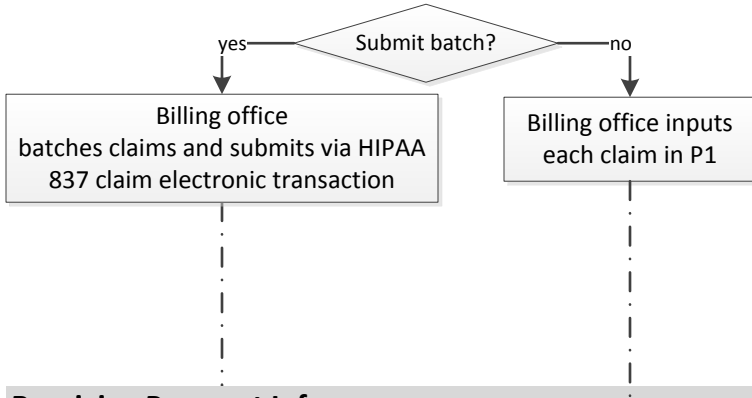

Monthly Enrollment HIPAA Transaction

Health Home Tribal Clinics receive an HIPAA 834 HIPAA enrollment electronic transaction

If not current PCCM new HIPAA transaction

Submitting Claims

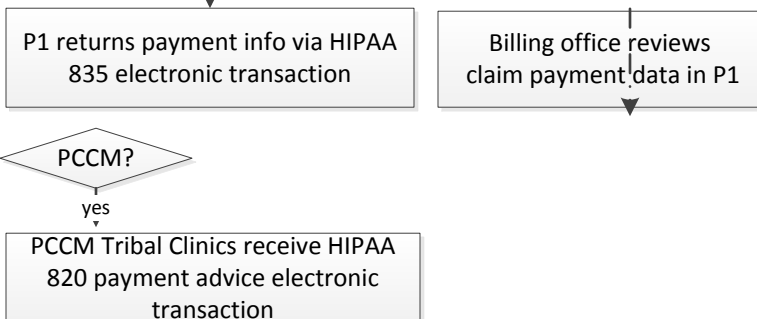

Key Impact

Must submit HH encounters in batch

New Transaction - tells whether 837 accepted

Receiving Payment Info

To know if paid for client, must reconcile
-837 Encounter,
-ETRR &
-820 payment file

PCCM Tribal Clinics receive HIPAA 820 payment advice electronic transaction

If not current PCCM new HIPAA transaction

Reporting Requirements

Leads must submit Health Action Plan (HAP) via electronic transaction every 4 months

New transaction

Leads must submit quarterly quality reports

New report
