Dear Local Health Jurisdictions:

SUBJECT: Final Extension for April-June 2015 MAC Invoices

The Health Care Authority (HCA) is extending the deadline for the April through June 2015 (Q2 2015) invoices. The final dates for submission are:

- April through June 2015 (Q2 2015) invoices are due by March 31, 2016.

HCA and the Washington State Association of Local Public Health Officials (WSALPHO) have entered into a contractual agreement in order for HCA to share the client data needed for the modified county-wide Medicaid Eligibility Rate (MER). The modified county-wide MER for quarter two is processed and the URMTS invoice is available. You may begin invoicing for quarter two at any time. If you have subcontractors, you are responsible for ensuring their invoices are submitted in a timely manner.

As a reminder, the July through September 2015 (Q3 2015) invoices are also due by March 31, 2016. LHJs must submit their quarter two and three 2015 invoices to HCA no later than these deadlines.

Should you have any questions or additional concerns, please contact Jennifer Inman, MAC Program Specialist, by telephone at 360-725-1738 or via email at jennifer.inman@hca.wa.gov.

Sincerely,
