Singleton Liveborn	83	111	91	95	99	80	59	102	88	84

**Race/ethnicity numbers and percents are not presented because of the small number of women. In these cases, the numbers are included in the other/unknown category.

¹ Low Birthweight and Singleton Liveborn numbers and percents are for single live births with valid birthweight.

The method used to calculate Trimester Prenatal Care Began has been revised from reports produced prior to 2013 to better align with NCHS recommendations.

As of 2014, records do not include out-of-state deliveries to Washington residents because birth certificates for states other than Washington were not available for record linkage
