About the Program

What Is the Purpose of Childbirth Education (CBE)?

[Refer to WAC [182-533-0390\(1\)](#)]

The purpose of CBE is to help prepare the client and her support person(s) to:

- Manage the physiological, emotional, and psychological changes experienced during and after pregnancy.
- Develop self-advocacy skills.
- Increase knowledge about and access to local community resources.
- Improve parenting skills.
- Improve the likelihood of positive birth outcomes.

Freedom of Choice/Consent for Services

CBE clients have the right to choose their own agency-approved CBE provider even if they are enrolled in a managed care plan.

Client Eligibility

How can I verify a patient's eligibility?

[Refer to WAC [182-533-0390\(3\)](#)]

To be eligible for childbirth education classes, clients must be:

- Pregnant.
- Covered by a benefit package (BP) that covers CBE.

Providers must verify that a patient has Washington Apple Health coverage for the date of service, and that the client's BP covers the applicable service. This helps prevent delivering a service the agency will not pay for. Verifying eligibility is a two-step process:

Step 1. Verify the patient's eligibility for Washington Apple Health. For detailed instructions on verifying a patient's eligibility for Washington Apple Health, see the *Client Eligibility, Benefit Packages, and Coverage Limits* section in the agency's current [ProviderOne Billing and Resource Guide](#).

If the patient is eligible for Washington Apple Health, proceed to **Step 2**. If the patient is **not** eligible, see the note box below.

Step 2. Verify service coverage under the Washington Apple Health client's benefit package. To determine if the requested service is a covered benefit under the Washington Apple Health client's BP, see the agency's [Health Care Coverage—Program Benefit Packages and Scope of Service Categories](#) web page.

Note: Patients who are not Washington Apple Health clients may submit an application for health care coverage in one of the following ways:

1. By visiting the Washington Healthplanfinder's website at: www.wahealthplanfinder.org
2. By calling the Customer Support Center toll-free at: 855-WAFINDER (855-923-4633) or 855-627-9604 (TTY)
3. By mailing the application to:
Washington Healthplanfinder
PO Box 946
Olympia, WA 98507

In-person application assistance is also available. To get information about in-person application assistance available in their area, people may visit www.wahealthplanfinder.org or call the Customer Support Center.

A CBE client is not required to be enrolled and/or participate in Maternity Support Services (MSS)/Infant Case Management (ICM) to qualify for CBE classes.

Are Clients Covered for CBE If They Are Enrolled in an Agency-Managed Care Organization?

Yes. If the client is enrolled in an Agency-managed care plan, providers may verify eligibility for managed care enrollment by viewing the Client Benefit Inquiry screen in ProviderOne. Clients enrolled in an Agency-managed care organization (MCO) are eligible for childbirth education outside their MCO.

The agency reimburses for childbirth education through its fee-for-service system. The coverage and billing guidelines in these billing instructions apply to managed care clients.

Bill the agency directly.
