

Employee Authorization for Payroll Deduction to Health Savings Account

Use this form to have your employer withhold money from your paychecks and deposit it into your health savings account (HSA) on a pre-tax basis. Check with your payroll department before submitting this form; not all employers can arrange for payroll deductions. You must be enrolled in a consumer-directed health plan (CDHP) with an HSA before you can start a payroll deduction. (Go to www.healthequity.com/ed/pebb for eligibility and other information.)
