SUBJECT: Fiscal Year (FY) 2009 PEBB Program Rates – Composite

**Effective July 1, 2008 through June 30, 2009, your employer funding rate is \$561.00 per active employee, per month.** This rate covers benefits under the Public Employees Benefits Board (PEBB) program. This lower employer funding rate is a result of healthcare funding reserves being used to supplement the actual cost of PEBB benefits. Reserves will not be available to supplement the FY2010 employer funding rate (effective July 1, 2009). It is anticipated that the FY2010 employer funding rate will be around \$782.00.

Employee contributions, COBRA, and self-pay rates will remain the same until January 1, 2009, when the new plan year begins. You will receive these revised rate sheets before open enrollment this fall.

As a reminder, you must pay the full employer funding rate for every eligible employee, including those who have waived medical coverage. Employee premiums will automatically be added to your billed rate. You are responsible for collecting the employees' premiums and sending the total billed amount to the HCA.
