

Special open enrollment (SOE) matrix: Summary of permitted election changes (effective 1/1/2016)

Your health plan enrollment is for an entire year (January 1 through December 31), unless you make changes during a special open enrollment (SOE) or are no longer eligible under Public Employees Benefits Board (PEBB) rules.

An SOE is created by a specific life event. This addendum summarizes SOE events from Washington Administrative Codes (WACs) 182-08-198, 182-08-199, 182-12-128, and 182-12-262.

To use the SOE Matrix, simply find the desired change in enrollment (top blue row) and the event (green column) that occurred or will occur. Find where the row and column meet on the matrix to determine if the desired change is allowed, and conditions that may apply.

In *Example 1* below, a "Change health plan election" (blue) is allowed based on the SOE event of "Loss of Other Coverage" (green). If the box indicates "SOE Not Allowed," then no change is allowed.

Example 1

Special open enrollment (SOE) matrix: Summary of permitted election changes (effective 1/1/2016)

This matrix only summarizes special open enrollment events in chapter 182-08 WAC and 182-12 WAC. It does not describe other circumstances such as initial eligibility, open enrollment, or termination for loss of eligibility. Notification of a special open enrollment (SOE) event **must be received no later than sixty (60) days after the event occurs**, except for birth/adoption SOE events.

▶ Provides example(s) of Internal Revenue Service (IRS) "consistency rule;" the election change must be allowable under Internal Revenue Code, and correspond to and be consistent with the event that creates the SOE.
