Management Strategies

- Washington Preferred Drug List
- Prior authorization
 - Full review
 - Expedited Authorization
 - Step Therapy
- Quantity Limits
- Reimbursement Rates
 - AWP-16%
 - FUL
 - MAC
- Specialty Pharmacy
 - Split Fills
- Member Cost Share – PEB
- Member Premiums - PEB

Barriers and Challenges

- Medicaid Drug Rebate Program “Best Price”
- Unexpected price increases
- New drugs with high cost
- Balanced Budget
- Cost shifting to members
