IMPORTANT INFORMATION in Advance of PEBB Program Open Enrollment

UMP Plus – PSHVN is a new medical plan option available to eligible Public Employees Benefits Board (PEBB) Program members who live in King, Kitsap, Pierce, Snohomish and Thurston counties.

UMP Plus – PSHVN is a group of industry-leading medical organizations with facilities and providers located throughout the Greater Puget Sound region. They include Edmonds Family Medicine, EvergreenHealth Partners, MultiCare Connected Care, Overlake Medical Center, Seattle Children's and Virginia Mason.

These award-winning organizations are pleased that Puget Sound High Value Network (PSHVN) has been selected to participate in UMP Plus, and are collectively committed to serving as a coordinated provider network while providing excellent customer service.

As a patient who has received care with our organization, you will soon evaluate your medical plan options during the PEBB Program's open enrollment between November 1–30, 2015. We want you to know that UMP Plus – PSHVN is one of the most comprehensive health care networks in Washington State, and includes services ranging from primary care to the most advanced specialty care available. It is supported by Regence BlueShield, and will provide PEBB Program members with access to high-quality care close to where they live or work.

UMP Plus – PSHVN will provide PEBB Program members with convenient access to a comprehensive array of services, including:

- More than 600 primary care providers and 2,500 specialists
- 11 hospitals and 400 clinics; 13 emergency departments and 33 urgent care clinics
- Free office visits with providers in the primary care network
- A dedicated phone number for provider referrals and scheduling appointments

During the PEBB Program's open enrollment, you are encouraged to review the comprehensive list of network providers and the many benefits of this new plan. If you decide that UMP Plus – PSHVN is the best option for you and your family, we encourage you to select us as your new medical plan for 2016.

For more information about UMP Plus – PSHVN and to find a network provider, visit PugetSoundHighValueNetwork.org or call 1-855-776-9503.

Sincerely,
