Dear <member name>,

We are writing to let you know that effective April 5, 2016, the Center for Diagnostic Imaging (CDI) (see list of locations below), also known as Medical Scanning Consultants, will no longer be in the Regence provider network. Unfortunately, Regence and CDI could not agree on a mutually acceptable reimbursement rate and CDI has chosen to leave the Regence network. We are committed to ensuring our members receive high-quality, cost-effective health care services.

What does this change mean to me?

Until April 4, 2016, you can continue to receive services from CDI at the network rate.

On or after April 5, 2016:

- If you receive services from CDI you will pay at the out-of-network rate:
 - ♦ **UMP Classic and UMP CDHP:** 40% of the plan's allowed amount, **plus** any amount charged by the provider above the plan's allowed amount.
 - ♦ **UMP Plus:** 50% of the plan's allowed amount, **plus** any amount charged by the provider above the plan's allowed amount.
- You will need to see a preferred (network for UMP Plus) provider to receive services at the network rate (you pay 15% for most covered services after meeting your deductible). See below for how to find a preferred/network provider.

For questions, or help finding a preferred (network for UMP Plus) diagnostic imaging provider in your area, call UMP Customer Service at 1-888-849-3681. Or search for preferred/network providers on the Find Providers page at www.hca.wa.gov/ump.

We apologize for any inconvenience this may cause and are committed to helping you find the care you need, close to home. Thank you for choosing Uniform Medical Plan as your health care partner.

Sincerely,

A handwritten signature in black ink that reads "Penny Garrett".
