

UMP Preferred Drug List Changes

(applies to UMP Classic, UMP CDHP, and UMP Plus)

Below is a list of anticipated changes to medications on the *UMP Preferred Drug List*. The list below does not contain every anticipated change to the *UMP Preferred Drug List* and only contains changes which may adversely impact members. **This list does not contain any anticipated changes that may positively impact members.** We have made every effort to include every anticipated change that may adversely affect members in the list below, but changes including but not limited to the release of new generic drugs could result in additional tier level changes or other changes to the *UMP Preferred Drug List*.

This list of anticipated changes applies to members enrolled in any UMP plan: UMP Classic, UMP CDHP, and UMP Plus. Tier change listings are not applicable to UMP CDHP cost-shares.
