Agency: Health Care Authority (HCA)

Subject of possible rule making: WAC 182-557-0225, Health home services—Methodology for calculating a person’s risk score; other related rules as appropriate.

Statutes authorizing the agency to adopt rules on this subject: RCW 41.05.021, RCW 41.05.160

Reasons why rules on this subject may be needed and what they might accomplish: HCA is amending WAC 182-557-0225 (7) to update the risk score weights specifically pertaining to children of various age groups outlined and the weights for health diagnoses for children. This update aligns with the release of version 6.5 of the University of San Diego’s Chronic Illness and Disability Payment System (CDPS). During the course of this review, HCA may identify additional related changes that are required in order to improve clarity or update policy.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: The Department of Social and Health Services (DSHS)

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study

Other (describe) The agency welcomes the public to take part in developing this rule. If interested, contact the person

identified below to receive an early rule draft to review. After the early review, the agency will send a notice of proposed rulemaking (CR-102) to everyone receiving this notice and anyone who requests a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
