Purpose of the proposal and its anticipated effects, including any changes in existing rules: In response to the Governor's extended orders for *Stay Home, Stay Safe* and to protect the public's health due to the COVID-19 pandemic, the agency is not able to hold the originally scheduled in-person public hearing on May 26, 2020, filed under WSR 20-09-080. The date of this public hearing is being moved to June 23, 2020, and the location of the public hearing is changed from an in-person hearing to a virtual public hearing.

The agency is amending this section to implement requirements in the Bipartisan Budget Act of 2018, which requires state Medicaid agencies to use cost-avoidance on labor, delivery, and postpartum care claims. The Bipartisan Budget Act of 2018 also delayed the implementation of a provision in the Bipartisan Budget Act of 2013 that allowed payment up to 90 days for claims associated with medical support enforcement, rather than 30 days under the previous law. The agency is revising this section to implement this provision, now amended to 100 days, rather than 90, by the Medicaid Services Investment and Accountability Act of 2019
