WAC 182-12-171 When is a retiring employee or a retiring school employee eligible to enroll in public employees benefits board (PEBB) retiree insurance coverage? A retiring employee or a retiring school employee is eligible to continue enrollment or defer enrollment in public employees benefits board (PEBB) insurance coverage as a retiree if they meet procedural and substantive eligibility requirements as described in subsections (1), (2), and (3) of this section. An elected and full-time appointed official of the legislative and executive branch of state government is eligible as described in WAC 182-12-180.

(1) **Procedural requirements.** A retiring employee or a retiring school employee must enroll or defer enrollment in PEBB retiree insurance coverage as described in (a) through (d) of this subsection:

(a) To enroll in PEBB retiree insurance coverage, the required form must be received by the PEBB program no later than ~~((sixty))~~ 60 days after the employee's or the school employee's employer-paid coverage, Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage, or continuation coverage ends. The effective date of PEBB retiree insurance coverage is the first day of the month after the employee's or the school employee's employer-paid coverage, COBRA coverage, or continuation coverage ends;

(Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms must be received by the PEBB program no later than the last day of the month prior to the month the employee's or the school employee's employer-paid, COBRA coverage, or continuation coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, a retiring employee or a retiring school employee may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).)

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(b) The employee's or the school employee's first premium payment for PEBB retiree insurance coverage and applicable premium surcharges are due to the health care authority (HCA) no later than ~~((forty-five))~~ 45 days after the election period ends as described in (a) of this subsection. Following the employee's or the school employee's first premium payment, premiums and applicable premium surcharges must be paid as described in WAC 182-08-180 (1)(c); and

(c) If a retiring employee or a retiring school employee elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the retiring employee or the retiring school employee;

Exception: If a retiring employee or a retiring school employee selects a medicare supplement plan or ~~((medicare advantage-prescription drug))~~ MA-PD plan, nonmedicare enrollees will be enrolled in the ~~((Uniform Medical Plan (UMP)))~~ UMP Classic. If a retiring employee or a retiring school employee selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(d) To defer enrollment in PEBB retiree insurance coverage, the employee or the school employee must meet substantive eligibility requirements in subsection (2) of this section and defer enrollment as described in WAC 182-12-200 or 182-12-205.

(2) **Substantive eligibility requirements.**

An employee who is eligible for PEBB benefits through an employing agency, or a school employee who is eligible for SEBB benefits through a SEBB organization or basic benefits through an educational service district as defined in RCW 28A.400.270 who ends public employ-

ment may enroll or defer enrollment in PEBB retiree insurance coverage if they meet procedural and substantive eligibility requirements.

To be eligible to continue enrollment or defer enrollment in PEBB retiree insurance coverage, the employee or the school employee must be vested in and eligible to retire under a Washington state-sponsored retirement plan when the employee's or school employee's employer-paid coverage, COBRA coverage, or continuation coverage ends. An exception to the requirement to be vested in and eligible to retire under a Washington state-sponsored retirement plan is provided for employees of an employer group in (c) (i) of this subsection.

(a) A retiring employee of a state agency must immediately begin to receive a monthly retirement plan payment, with exceptions described below:

(i) A retiring employee who receives a lump sum payment instead of a monthly retirement plan payment is only eligible if the department of retirement systems offered the employee the choice between a lump sum actuarially equivalent payment and the ongoing monthly payment, as allowed by the plan; or

(ii) A retiring employee who is a member of a Plan 3 retirement plan, also called a separated employee (defined in RCW 41.05.011(25)), must meet their Plan 3 retirement eligibility criteria. The employee does not have to receive a retirement plan payment to enroll in PEBB retiree insurance coverage.

(b) A retiring employee of a Washington higher education institution who is a member of a higher education retirement plan (HERP) must immediately begin to receive a monthly retirement plan payment, or meet their HERP plan's retirement eligibility criteria, or be at least age (~~(fifty-five)~~) 55 with (~~(ten)~~) 10 years of state service;

(c) A retiring employee of an employer group participating in PEBB insurance coverage under contractual agreement with the authority must be eligible to retire as described in (c) (i) or (ii) of this subsection to be eligible to continue PEBB retiree insurance coverage, except for an educational service district employee who must meet the requirements as described in (d) of this subsection.

(i) A retiring employee who is eligible to retire under a retirement plan sponsored by an employer group or tribal government that is not a Washington state-sponsored retirement plan must meet the same age and years of service requirements as if they were a member of public employees retirement system Plan 1, if their date of hire with that employer group or tribal government was before October 1, 1977, or Plan 2, if their date of hire with that employer group or tribal government was on or after October 1, 1977.

(ii) A retiring employee who is eligible to retire under a Washington state-sponsored retirement plan must immediately begin to receive a monthly retirement plan payment, with exceptions described in (a) (i) and (ii) of this subsection.

(iii) A retired employee of an employer group, except a Washington state educational service district, that ends participation in PEBB insurance coverage is no longer eligible to continue enrollment in PEBB retiree insurance coverage if they enrolled after September 15, 1991. Any retiree who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-146.

(iv) A retired employee of a tribal government employer that ends participation in PEBB insurance coverage is no longer eligible to continue enrollment in PEBB retiree insurance coverage. Any retiree who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-146.

(d) A retiring school employee must immediately begin to receive a monthly retirement plan payment, with exceptions described below:

(i) A retiring school employee who ends employment before October 1, 1993; or

(ii) A retiring school employee who receives a lump sum payment instead of a monthly retirement plan payment is only eligible if the department of retirement systems offered the school employee the choice between a lump sum actuarially equivalent payment and the ongoing monthly payment, as allowed by the plan, or the school employee enrolled before 1995; or

(iii) A retiring school employee who is a member of a Plan 3 retirement system, also called a separated employee (defined in RCW 41.05.011(25)), must meet their Plan 3 retirement eligibility criteria; or

(iv) A school employee who retired as of September 30, 1993, and began receiving a monthly retirement plan payment from a Washington state-sponsored retirement system (as defined in chapters 41.32, 41.35 or 41.40 RCW) is eligible if they enrolled in a PEBB health plan no later than the HCA's annual open enrollment period for the year beginning January 1, 1995.

(3) A retiring employee or a retiring school employee and their enrolled dependents who are eligible for medicare must enroll and maintain enrollment in both medicare Parts A and B if the employee or the school employee retired after July 1, 1991. If a retiree or an enrolled dependent becomes eligible for medicare after enrollment in PEBB retiree insurance coverage, they must enroll and maintain enrollment in medicare Parts A and B to remain enrolled in a PEBB retiree health plan. If an enrollee who is eligible for medicare does not meet this procedural requirement, the enrollee is no longer eligible for enrollment in a PEBB retiree health plan. The enrollee's eligibility will end as described in the termination notice sent by the PEBB program. The enrollee may continue PEBB health plan enrollment as described in WAC 182-12-146.

Note: For the exclusive purpose of medicare Part A as described in this subsection, "eligible" means the enrollee is eligible for medicare Part A without a monthly premium.

(4) Washington state-sponsored retirement plans include:

(a) Higher education retirement plans;
(b) Law enforcement officers' and firefighters' retirement system;

(c) Public employees' retirement system;

(d) Public safety employees' retirement system;

(e) School employees' retirement system;

(f) State judges/judicial retirement system;

(g) Teachers' retirement system; and

(h) State patrol retirement system.

(i) The two federal retirement systems, Civil Service Retirement System and Federal Employees' Retirement System, are considered Washington state-sponsored retirement systems for Washington State University Extension for an employee covered under PEBB benefits at the time of retirement.

WAC 182-12-180 When is an elected and full-time appointed official of the legislative and executive branch of state government, or their survivor eligible to continue enrollment in public employees benefits board (PEBB) retiree insurance coverage? (1) An elected and full-time appointed official of the legislative and executive branch of state government is eligible to continue enrollment or defer enrollment in public employees benefits board (PEBB) retiree insurance coverage under the same terms as an outgoing legislator, when they voluntarily or involuntarily leave public office. The following officials are eligible if they meet the procedural requirements as described in subsection (3) of this section:

- (a) A member of the state legislature;
- (b) A statewide elected official of the executive branch;
- (c) An executive official appointed directly by the governor as the single head of an executive branch agency; or
- (d) An official appointed directly by a state legislative committee as the single head of a legislative branch agency or an official appointed to secretary of the senate or chief clerk of the house of representatives.

(2) The spouse, state registered domestic partner, or child of an official described in subsection (1) of this section who loses eligibility due to the death of the official may enroll as a survivor under PEBB retiree insurance coverage as described in (a) and (b) of this subsection and must meet procedural requirements to enroll or defer enrollment as described in subsection (3) of this section.

(a) The official's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The official's child may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

(3) **Procedural requirements.** An official described in subsection (1) of this section or their survivor described in subsection (2) of this section must enroll or defer enrollment in PEBB retiree insurance coverage as described in (a) through (d) of this subsection:

(a) For an official to enroll in PEBB retiree insurance coverage the required forms must be received by the PEBB program no later than ((sixty)) 60 days after the official leaves public office. The effective date of PEBB retiree insurance coverage is the first day of the month after the official leaves public office;

For a survivor to enroll in PEBB retiree insurance coverage, the required forms must be received by the PEBB program no later than ((sixty)) 60 days after the later of the date of the official's death or the date the survivor's PEBB insurance coverage ends. The effective date of PEBB retiree insurance coverage is the first day of the month after the date of the official's death or the first day of the month after the survivor's PEBB insurance coverage ends;

((Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms must be received by the PEBB program before the official leaves public office or no later than the last day of the month prior to the month PEBB insurance coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the subscriber may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).))

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(b) The official's or survivor's first premium payment and applicable premium surcharges are due to the health care authority (HCA) no later than (~~forty-five~~) 45 days after the official's or survivor's election period ends as described in (a) of this subsection. Following the official's or survivor's first premium payment, premiums and applicable premium surcharges must be paid as described in WAC 182-08-180 (1)(c);

(c) If an official or a survivor elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the official or survivor;

Exception: If an official or a survivor selects a medicare supplement plan or (~~medicare advantage prescription drug~~) MA-PD plan, nonmedicare enrollees will be enrolled in the (~~Uniform Medical Plan (UMP)~~) UMP Classic. If an official or a survivor selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(d) To defer enrollment in PEBB retiree insurance coverage the official or the survivor must meet deferral enrollment requirements as described in WAC 182-12-200 or 182-12-205.

(4) If the official, an enrolled dependent, or their survivor is eligible for medicare or becomes eligible for medicare after enrollment in PEBB retiree insurance coverage, they must enroll and maintain enrollment in medicare Parts A and B to remain enrolled in a PEBB retiree health plan. If an enrollee who is eligible for medicare does not meet this procedural requirement, the enrollee is no longer eligible for enrollment in a PEBB retiree health plan. The enrollee's eligibility will end as described in the termination notice sent by the PEBB program. The enrollee may continue PEBB health plan enrollment as described in WAC 182-12-146.

Note: For the exclusive purpose of medicare Part A as described in this subsection, "eligible" means the enrollee is eligible for medicare Part A without a monthly premium.

(5) An official described in subsection (1) of this section shall be included in the term "retiree" or "retiring employee" as used in chapters 182-08, 182-12, and 182-16 WAC.

AMENDATORY SECTION (Amending WSR 21-13-104, filed 6/18/21, effective 1/1/22)

WAC 182-12-200 May a retiring employee, a retiring school employee, or a retiree enrolled as a dependent in a health plan sponsored by public employees benefits board (PEBB), a Washington state educational service district, or school employees benefits board (SEBB) defer enrollment under PEBB retiree insurance coverage? (1) A retiring employee or a retiring school employee may defer enrollment in public employees benefits board (PEBB) retiree insurance coverage at retirement if they meet substantive eligibility requirements as described in WAC 182-12-171(2) or as described in WAC 182-12-180(1). An enrolled retiree may defer enrollment after enrolling in PEBB retiree insurance coverage. Enrollment in PEBB retiree insurance coverage may be deferred when they are enrolled as a dependent in a health plan sponsored by PEBB, a Washington state educational service district, or school employees benefits board (SEBB), including such coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA) or continuation coverage.

(2) A retiring employee, a retiring school employee, or a retiree who defers enrollment in PEBB retiree insurance coverage defers enrollment in PEBB medical and PEBB dental. A retiree must be enrolled

in PEBB medical to enroll in PEBB dental. A retiree who defers enrollment also defers enrollment for all eligible dependents. A retiree may only defer enrollment in PEBB retiree term life insurance as described in WAC 182-12-209 (3) (b).

(3) A retiring employee, a retiring school employee, or a retiree who defers enrollment as described in this section may later enroll themselves and their dependents in a PEBB health plan by submitting the required forms as described below and evidence of continuous enrollment in a health plan sponsored by PEBB, a Washington state educational service district, or SEBB. A gap of (~~thirty-one~~) 31 days or less is allowed between the date PEBB retiree insurance coverage is deferred and the start date of enrollment in a health plan sponsored by PEBB, a Washington state educational service district, or SEBB, and between each period of enrollment in qualifying coverages as described in WAC 182-12-205 (3) (a) through (e) during the deferral period:

(a) During the PEBB annual open enrollment period. The required form must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or

(b) When enrollment in a health plan sponsored by PEBB, a Washington state educational service district, or SEBB ends, or such coverage under COBRA or continuation coverage ends. The required forms to enroll must be received by the PEBB program no later than (~~sixty~~) 60 days after coverage ends. PEBB health plan coverage begins the first day of the month following the date the other coverage ends. To continue in a deferred status, the retiree must defer enrollment as described in WAC 182-12-205.

(Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms and evidence of continuous enrollment must be received by the PEBB program no later than the last day of the month prior to the month the other coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the subscriber may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).))

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(c) If a retiree elects to enroll a dependent in PEBB health plan coverage as described in this subsection, the dependent must be enrolled in the same PEBB medical or PEBB dental plan as the retiree.

Exception: If a retiree selects a medicare supplement plan or (~~medicare advantage-prescription drug~~) MA-PD plan, nonmedicare enrollees will be enrolled in the (~~Uniform Medical Plan (UMP)~~) UMP Classic. If a retiree selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

AMENDATORY SECTION (Amending WSR 20-16-063, filed 7/28/20, effective 1/1/21)

WAC 182-12-211 May an employee or a school employee who is determined to be retroactively eligible for disability retirement enroll or defer enrollment in public employees benefits board (PEBB) retiree insurance coverage? (1) An employee or a school employee who is determined to be retroactively eligible for a disability retirement is eligible to enroll or defer enrollment (as described in WAC 182-12-200 or 182-12-205) in public employees benefits board (PEBB) retiree insurance coverage if:

(a) The employee or the school employee submits the required form and a copy of the formal determination letter they received from the Washington state department of retirement systems (DRS) or the appropriate higher education authority;

(b) The employee's or the school employee's form and a copy of their Washington state-sponsored retirement system's formal determination letter are received by the PEBB program no later than (~~sixty~~) 60 days after the date on the determination letter; and

(c) The employee or the school employee immediately begins to receive a monthly pension benefit or a supplemental retirement plan benefit under their higher education retirement plan (HERP), with exceptions described below from WAC 182-12-171(2):

(i) A retiring employee of a state agency, an employer group participating under a Washington state sponsored retirement plan, or a retiring school employee who receives a lump sum payment instead of a monthly retirement plan payment is only eligible if the department of retirement systems offered the employee the choice between a lump sum actuarially equivalent payment and the ongoing monthly payment, as allowed by the plan; or

(ii) A retiring employee of a state agency, an employer group participating under a Washington state sponsored retirement plan, or a retiring school employee who is a member of a Plan 3 retirement plan, also called a separated employee (defined in RCW 41.05.011(25)), must meet their Plan 3 retirement eligibility criteria. The employee or the school employee does not have to receive a retirement plan payment to enroll in PEBB retiree insurance coverage; or

(iii) A retiring employee of a Washington higher education institution who is a member of a higher education retirement plan (HERP) must immediately begin to receive a monthly retirement plan payment, or meet their HERP plan's retirement eligibility criteria, or be at least age (~~fifty-five~~) 55 with (~~ten~~) 10 years of state service.

(2) The employee or the school employee, at their option, must indicate the date of enrollment or deferment in PEBB retiree insurance coverage on the form. The employee or the school employee may choose from the following dates:

(a) The retirement date as stated in the formal determination letter; or

(b) The first day of the month following the date the formal determination letter was written.

((Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive. The employee or the school employee may change health plans to a medicare advantage or medicare advantage-prescription drug plan during a special enrollment period as described in WAC 182-08-198(2).))

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(3) The director may make an exception to the date of PEBB retiree insurance coverage described in subsection (2)(a) and (b) of this section; however, such request must demonstrate extraordinary circumstances beyond the control of the retiree.

(4) Premiums and applicable premium surcharges are due from the effective date of enrollment in PEBB retiree insurance coverage.

(5) If a retiring employee or a retiring school employee elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the retiring employee or the retiring school employee.

Exception: If a retiring employee or a retiring school employee selects a medicare supplement plan or (~~medicare advantage-prescription drug~~) MA-PD plan, nonmedicare enrollees will be enrolled in the (~~Uniform Medical Plan (UMP)~~) UMP Classic. If a retiring employee or a retiring school employee selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. ((Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms and evidence of continuous enrollment must be received by the PEBB program no later than the last day of the month prior to the month coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the survivor may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).))

AMENDATORY SECTION (Amending WSR 21-13-104, filed 6/18/21, effective 1/1/22)

WAC 182-12-265 What options for continuing health plan enrollment are available to a surviving spouse, state registered domestic partner, or child, if an employee, a school employee, or a retiree dies? The survivor of an eligible employee, an eligible school employee, or a retiree who meets the eligibility criteria and submits the required forms as described in subsection (1), (2), or (3) of this section is eligible to enroll or defer enrollment as a survivor under public employees benefits board (PEBB) retiree insurance coverage. If enrolling in PEBB retiree insurance coverage, the survivor's first premium payment and applicable premium surcharges are due to the health care authority (HCA) no later than (~~forty-five~~) 45 days after the election period ends as described in subsection (1), (2), or (3) of this section. Following the survivor's first premium payment, premiums and applicable premium surcharges must be paid as described in WAC 182-08-180 (1) (c).

(1) An employee's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible employee may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage provided they immediately begin receiving a monthly retirement benefit from any state of Washington sponsored retirement system. To satisfy the requirement to immediately receive a monthly retirement benefit they must begin receiving monthly benefit payments no later than (~~one hundred twenty~~) 120 days from the date of death of the employee. The required forms to enroll or defer enrollment must be received by the PEBB program no later than (~~sixty~~) 60 days after the later of the date of the employee's death or the date the survivor's PEBB insurance coverage ends.

((Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms must be received by the PEBB program no later than the last day of the month prior to the month PEBB insurance coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the survivor may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).))

Note: Enrollment in the PEBB program's medicare advantage (MA) or medicare advantage-prescription drug (MA-PD) plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in Uniform Medical Plan (UMP) Classic during the gap month(s) prior to when the MA-PD coverage begins.

(a) The employee's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The employee's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

Notes: If a spouse, state registered domestic partner, or child of an eligible employee is not eligible for a monthly retirement benefit, they are not eligible to enroll as a survivor under PEBB retiree insurance coverage. However, they may continue health plan enrollment as described in WAC 182-12-146.
Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an employee of a participating employer group will cease at the end of the month in which the group's contract with the authority ends unless the employer group is an educational service district.
Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an elected and full-time appointed official of the legislative and executive branches of state government is described in WAC 182-12-180.

(2) A retiree's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible retiree may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage. The required forms to enroll or defer enrollment must be received by the PEBB program no later than (~~sixty~~) 60 days after the retiree's death.

(a) The retiree's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The retiree's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

(c) If a spouse, state registered domestic partner, or child of an eligible retiree is not enrolled in a PEBB health plan at the time of the retiree's death, the survivor is eligible to enroll or defer enrollment as a survivor under PEBB retiree insurance coverage. The required forms to enroll or defer enrollment must be received by the PEBB program no later than (~~sixty~~) 60 days after the retiree's death. For a survivor to enroll in a PEBB health plan who is not enrolled due to the retiree electing to defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 or 182-12-205, the survivor must also provide evidence of continuous enrollment in one or more qualifying coverages as described in WAC 182-12-205 (3)(a) through (e) from the most recent open enrollment for which the survivor was not enrolled in a PEBB medical plan prior to the retiree's death. A gap of (~~thirty-one~~) 31 days or less is allowed between the date PEBB retiree insurance coverage was deferred and the start date of a qualifying coverage, and between each period of enrollment in qualifying coverages during the deferral period.

Note: Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an employer group retiree will cease at the end of the month in which the group's contract with the authority ends unless the employer group is an educational service district.

(3) A school employee's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible school employee may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage at the time of the school employee's death, provided the employee died on or after October 1, 1993. The survivor must immediately begin receiving a retirement benefit allowance under chapter 41.32, 41.35 or 41.40 RCW. The required forms to enroll or defer enrollment must be received by the PEBB program no later than (~~sixty~~) 60 days after the later of the date of the school employee's death or the date the survivor's educational service district coverage, or school employees benefits board (SEBB) insurance coverage ends.

(Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms must be received by the PEBB program no later than the last day of the month prior to the month the educational service district coverage or SEBB insurance coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the survivor may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).)

Note: Enrollment in the PEBB program's MA or MA-PD plan may not be retroactive. If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins. If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in UMP Classic during the gap month(s) prior to when the MA-PD coverage begins.

(a) The school employee's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The school employee's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

Note: If a spouse, state registered domestic partner, or child of an eligible school employee is not eligible for a retirement benefit allowance, they are not eligible to enroll as a survivor under PEBB retiree insurance coverage. However, a spouse, state registered domestic partner, or child of an eligible school employee enrolled in SEBB insurance coverage may continue health plan enrollment as described in WAC 182-31-090.

(4) If premiums and applicable premium surcharges received by the HCA are sufficient as described in WAC 182-08-180 (1)(d)(ii) to maintain PEBB health plan enrollment after the employee, school employee, or retiree's death, the PEBB program will consider the payment as notice of the survivor's intent to continue enrollment.

If the survivor's enrollment ended due to the death of the employee, school employee, or retiree, the PEBB program will reinstate the survivor's enrollment without a gap subject to payment of premium and applicable premium surcharges.

(5) If a survivor elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the survivor.

Exception: If a survivor selects a medicare supplement plan or (~~medicare advantage-prescription drug~~) MA-PD plan, nonmedicare enrollees will be enrolled in the (~~Uniform Medical Plan (UMP)~~) UMP Classic. If a survivor selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(6) In order to avoid duplication of group medical coverage, a survivor may defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 and 182-12-205.
