Purpose of the proposal and its anticipated effects, including any changes in existing rules: The agency is amending this rule to add language back in that was inadvertently struck in the final CR-103P rule text in WSR 21-14-055, effective August 2, 2021. The agency held a public hearing and agreed to a request to not strike subsection (5) regarding tobacco/nicotine cessation counseling for the control and prevention of oral disease. The agency covers tobacco/nicotine cessation counseling for pregnant women only. See WAC 182-531-1720. The agency agreed; however, the final rule text filed under WSR 21-14-055, effective August 2, 2021, inadvertently had subsection (5) struck out.
