Effective date of rule:

Emergency Rules

- Immediately upon filing.
- Later (specify) _____

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The agency is amending WAC 182-505-0215 to expand the Children’s Health Insurance Program to include coverage for eligible children of public employees.

Citation of rules affected by this order:

- New:
- Repealed:
- Amended: 182-505-0215
- Suspended:

Statutory authority for adoption: RCW 41.05.021, 41.05.160

Other authority: Affordable Care Act section 10203(b)(2)(D) permits the agency to expand the Children’s Health Insurance Program (CHIP) to include coverage for eligible children of public employees, specifically, it permits states to extend CHIP coverage to eligible children of public employees when it is demonstrated that the cost of employer-based coverage would exceed 5 percent of the family’s income.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The Washington State Legislature passed Chapter 357, Laws of 2020, section 211(66), which directs the agency to implement a CHIP state plan amendment in calendar year 2020, once approved by the federal Centers for Medicare and Medicaid Services (CMS). The state plan amendment maintains CHIP coverage as secondary payer for eligible child dependents of employees eligible for school employee or public employee benefit coverage. CMS approved the state plan amendment August 28, 2020, with a retroactive effective date of January 1, 2020.
