**Emergency Rules**

- Immediately upon filing.
- Later (specify) \_\_\_\_\_

**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

- Yes
  - No
- If Yes, explain:

**Purpose:** The agency is amending this section due to some clients receiving long-term services and supports (LTSS) who have accumulated resources under requirements described in section 6008 of the Families First Coronavirus Response Act (FFCRA) that may result in their loss of coverage when the public health emergency (PHE) ends. The proposed rules allow the client to spend down these excess resources over 12 months beginning the month following the end of the PHE. Additionally, the interim rule with comment published by the Centers for Medicare and Medicaid Services (CMS) that is being codified in 42 C.F.R. 433.400 requires action on changes in circumstances for these clients, which had been prohibited under FFCRA. This emergency is necessary while the agency works through the permanent rulemaking process. The agency filed the proposed rulemaking under WSR 21-07-122 and a virtual public hearing will be held on April 27, 2021.

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
