EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- ☒ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The Legislature directed the agency to pursue an 1115 Medicaid waiver to provide continuous eligibility for children ages zero to six covered through the Washington Apple Health Children's Health Insurance Program. (Section 211(87), chapter 376, Laws of 2024 (ESSB 5950)). The agency received federal government waiver approval, effective January 8, 2025, to provide continuous eligibility. This emergency filing is necessary to ensure eligible children ages zero to six do not lose their coverage. The agency originally filed these emergency rules on February 14, 2025, under WSR 25-05-063. The agency began the permanent rulemaking process by filing WSR 25-05-048 on February 13, 2025. The agency held a public hearing on May 27, 2025, under WSR 25-09-020, and filed the permanent rules on May 28, 2025, under WSR 25-12-035. This emergency continues the current emergency rules until the permanent rules take effect on July 1, 2025. .

WAC 182-504-0015 Washington apple health—Certification periods for categorically needy programs. (1) A certification period is the period of time we determine that you are eligible for a categorically needy (CN) Washington apple health program. Unless otherwise stated in this section, the certification period begins on the first day of the month of application and continues through the end of the last month of the certification period.

(2) Newborn coverage begins on the child's date of birth and continues through the end of the month of the child's first birthday.

(3) If you are eligible for apple health based on pregnancy, the certification period continues through the last day of the month the pregnancy ends. After-pregnancy coverage begins the first day of the month, following the end of the pregnancy, and ends the last day of the 12th month from the time after-pregnancy coverage began.

(4) If you are newly eligible for apple health coverage and had a pregnancy end within the last 12 months, your certification period for after-pregnancy coverage:

(a) Begins the first day of the month you are eligible; and

(b) Ends the last day of the 12th month following the end of your pregnancy.

(5) If you are eligible for the refugee program, the certification period ends at the end of the 12th month following your date of entry to the United States.

(6) If you are a child under age six receiving apple health for kids without a premium or apple health for kids with premiums, your certification period ends the last day of the month of your sixth birthday.

(7) If you are eligible for newborn coverage, your coverage continues through the last day of the month of your first birthday. Apple health for kids coverage begins automatically on the first day of the month after your newborn coverage ends and the certification period ends the last day of the month of your sixth birthday.

(8) For all other CN coverage, the certification period is 12 months.

(9) If you are a child, eligibility is continuous throughout the certification period regardless of a change in circumstances, unless you:

(a) Turn age 19;

(b) Move out-of-state; or

(c) Die.

(10) When you turn 19, the certification period ends after the redetermination process described in WAC 182-504-0125 is completed, even if the 12-month period is not over, unless:

(a) You are receiving inpatient services (described in WAC 182-514-0230) on the last day of the month you turn 19;

(b) The inpatient stay continues into the following month or months; and

(c) You remain eligible except for turning age 19.

(11) A retroactive certification period is described in WAC 182-504-0005.

(12) Coverage under premium-based programs included in apple health for kids as described in chapter 182-505 WAC begins no sooner than the month after creditable coverage ends.

AMENDATORY SECTION (Amending WSR 23-23-057, filed 11/8/23, effective 12/9/23)

WAC 182-504-0035 Washington apple health—Renewals. (1) For all Washington apple health ((WAH)) programs, the following applies:

(a) You are required to complete a renewal of eligibility at least every 12 months with the following exceptions:

(i) If you are eligible for ((WAH)) apple health medically needy with spenddown, then you must complete a new application at the end of each three- or six-month base period;

(ii) If you are eligible for ((WAH)) apple health alien emergency medical, then you are certified for a specific period of time to cover emergency inpatient hospitalization costs only (see WAC 182-507-0115(8));

(iii) If you are eligible for ((WAH)) apple health refugee coverage, you must complete a renewal of eligibility after 12 months; or

(iv) If you are a child on apple health for kids without premiums or apple health for kids with premiums, your first renewal is due the month of your sixth birthday.

(b) You may complete renewals online, by phone, or by paper application that you mail or fax to us (the agency or its designee).

(c) If your ((WAH)) apple health is renewed, we decide the certification period according to WAC 182-504-0015.

(d) We review all eligibility factors subject to change during the renewal process.

(e) We redetermine eligibility as described in WAC 182-504-0125 and send you written notice as described in WAC 182-518-0005 before ((WAH)) apple health is terminated.

(f) If you need help meeting the requirements of this section, we provide equal access services as described in WAC 182-503-0120.

(2) For programs based on modified adjusted gross income (MAGI) as described in WAC 182-503-0510:

(a) Sixty days prior to the end of the certification period:

(i) When information from electronic sources shows income is reasonably compatible (as defined in WAC 182-500-0095), we administratively renew your coverage (as defined in WAC 182-500-0010) for a new certification period and send you a notice of renewal with the information used. You are required to inform us if any of the information we used is wrong.

(ii) If we are unable to complete an administrative renewal (as defined in WAC 182-500-0010), you must give us a signed renewal in order for us to decide if you will continue to get ((WAH)) apple health coverage beyond the current certification period.

(iii) We follow the requirements described in WAC 182-518-0015 to request any additional information needed to complete the renewal process or to terminate coverage for failure to renew.

(b) If your ((WAH)) apple health coverage is terminated because you did not renew, you have 90 days from the termination date to give us a completed renewal. If we decide you are still eligible to get

((WAH)) apple health coverage, we will restore your ((WAH)) apple health without a gap in coverage.

(3) For non-MAGI based programs (as described in WAC 182-503-0510):

(a) Forty-five days prior to the end of the certification period, we send notice with a renewal form. You must renew before the end of the certification period by either calling the department of social and health services at the number listed on the form to renew by telephone, renew online at www.washingtonconnection.org, or mailing or delivering to the department of social and health services a signed renewal form with the information required by WAC 182-503-0005.

(b) We follow the requirements in WAC 182-518-0015 to request any additional information needed to complete the renewal process or to terminate coverage for failure to renew.

(c) To complete your renewal, you must give us all the other information requested on the application that is needed to determine your eligibility.

(d) If you are terminated for failure to renew, you have 30 days from the termination date to submit a completed renewal. If still eligible, we will restore your ((WAH)) apple health without a gap in coverage.

(4) If we determine that you are not eligible for renewal of your ((WAH)) apple health coverage, we:

(a) Consider your eligibility for all other ((WAH)) apple health programs before ending your ((WAH)) apple health coverage; and

(b) Coordinate with the health benefit exchange any request for information that is necessary to determine your eligibility for:

(i) Other ((WAH)) apple health programs; and

(ii) With respect to qualified health plans, health insurance premium tax credits (as defined in WAC 182-500-0045) and cost-sharing reductions (as defined in WAC 182-500-0020).

(5) We reconsider our decision that you are not eligible for ((WAH)) apple health coverage without a new application from you when:

(a) We receive the information that we need to decide if you are eligible within 30 days of the date on the termination notice; or

(b) You request a hearing within 90 days of the date on the renewal denial letter and an administrative law judge (ALJ) or HCA review judge decides our decision was wrong (per chapter 182-526 WAC).

(6) If you disagree with our decision, you can ask for a hearing. If we decided that you are not eligible for renewal because we do not have enough information, the ALJ will consider the information we already have and anymore information you give us. The ALJ does not consider the previous absence of information or failure to respond in determining if you are eligible.
