**WAC 182-532-001 Reproductive health services—Definitions.** The following definitions and those found in (WAC 182-500-0005) chapter 182-500 WAC apply to this chapter.

**340B dispensing fee** - The medicaid agency's established fee paid to a registered and medicaid-participating 340B drug program provider under the public health service (PHS) act for expenses involved in acquiring, storing and dispensing prescription drugs or drug-containing devices (see WAC 182-530-7900). A dispensing fee is not paid for non-drug items, devices or supplies (see WAC 182-530-7050).

"Complication" - A condition occurring subsequent to and directly arising from the family planning services received under the rules of this chapter.

"Comprehensive (prevention visit for family planning) preventive family planning visit" - For the purposes of this program, a comprehensive, preventive, contraceptive visit that includes evaluation and management of an individual, such as: Age appropriate history, examination, counseling/anticipatory guidance, risk factor reduction interventions, and laboratory and diagnostic procedures that are covered under the client's respective (medicaid) agency program. (These services may only be provided by and paid to TAKE CHARGE providers.)

"Contraception" - Prevention of pregnancy through the use of contraceptive methods.

"Contraceptive" - (A) Food and Drug Administration (FDA)-approved prescription and nonprescription methods, including devices, drugs, products, methods, or surgical interventions used to prevent pregnancy, as described in WAC 182-530-2000.

("Delayed pelvic protocol" - The practice of allowing a woman to postpone a pelvic exam during a contraceptive visit to facilitate the start or continuation of a hormonal contraceptive method.

"Education, counseling and risk reduction intervention (ECRR)" - Client-centered education and counseling services designed to strengthen decision making skills and support a client's safe and effective use of a chosen contraceptive method. For women, ECRR is part of the comprehensive prevention visit for family planning. For men, ECRR is a stand-alone service for those men who seek family planning services and whose partners are at moderate to high risk of unintended pregnancy.)

"Family planning only - Pregnancy related program" - The program that covers family planning only services for eligible clients for ten months following the sixty-day post pregnancy period.

"Family planning only program" - The program that provides an additional ten months of family planning services to eligible women at the end of their pregnancy. This benefit follows the sixty-day post-pregnancy coverage for women who received medical assistance benefits during the pregnancy.

"Family planning provider" - For this chapter, a physician or physician’s assistant, advanced registered nurse practitioner (ARNP), or clinic that, in addition to meeting requirements in chapter 182-502 WAC, is approved by the medicaid agency to provide family planning services to eligible clients as described in this chapter.) covers family planning only services for eligible clients for twelve months.
from the date the agency determines eligibility. This program was formerly referred to as TAKE CHARGE.

"Family planning services" - Medically safe and effective medical care, educational services, ((and/or)) and contraceptives that enable individuals to plan and space the number of their children and avoid unintended pregnancies.

("Medicaid agency" - Health care authority.))

"Natural family planning" (also known as fertility awareness method) - Methods to identify the fertile days of the menstrual cycle and avoid unintended pregnancies, such as observing, recording, and interpreting the natural signs and symptoms associated with the menstrual cycle.

"Over-the-counter (OTC)" - Drugs, devices, and products that do not require a prescription (before they can) to be sold or dispensed. (See WAC 182-530-1050(1))

"Reproductive health" - The prevention and treatment of illness, disease, and disability related to the function of reproductive systems during all stages of life and includes:

(a) Related, appropriate, and medically necessary care;
(b) Education of clients in medically safe and effective methods of family planning; and
(c) Pregnancy and reproductive health care.

"Reproductive health care services" - Any medical services or treatments, including pharmaceutical and preventive care services or treatments, directly involved in the reproductive system and its processes, functions, and organs involved in reproduction, in all stages of life. Reproductive health care services does not include infertility treatment.

"Reproductive system" - Includes, but is not limited to: Genitals, gonads, the uterus, ovaries, fallopian tubes, and breasts.

"Sexually transmitted infection (STI)" - A disease or infection acquired as a result of sexual contact.

("TAKE CHARGE" - The medicaid agency's demonstration and research program approved by the federal government under a medicaid program waiver to provide family planning services.

"TAKE CHARGE provider" - A family planning provider who has a take charge agreement to provide take charge family planning services to eligible clients under the terms of the federally approved medicaid waiver for the take charge program. (See WAC 182-532-730 for provider requirements.))

NEW SECTION

WAC 182-532-570 Family planning only programs—Good cause exemption from billing third-party insurance. (1) For the purposes of this section, "good cause" means that the use of the third-party coverage would violate a client's confidentiality because the third party:
(a) Routinely sends written, verbal, or electronic communications, as defined in RCW 48.43.505, to the third-party subscriber and that subscriber is someone other than the client; or
(b) Requires the client to use a primary care provider who is likely to report the client's request for family planning services to the subscriber.
(2) Clients eligible for family planning only programs may request an exemption from the requirement to bill third-party insurance due to "good cause" if they are:
(a) Eighteen years of age or younger and seeking services in confidence; or
(b) Domestic violence victims and seeking services in confidence.
