Yes No If Yes, explain:

Purpose: The agency is amending this section to implement requirements in the Bipartisan Budget Act of 2018, which requires state Medicaid agencies to use cost-avoidance on labor, delivery, and postpartum care claims. The Bipartisan Budget Act of 2018 also delayed the implementation of a provision in the Bipartisan Budget Act of 2013 that allowed payment up to 90 days for claims associated with medical support enforcement, rather than 30 days under the previous law. The agency is revising this section to implement this provision, now amended to 100 days, rather than 90, by the Medicaid Services Investment and Accountability Act of 2019

(4) The provider may not bill the agency or the client for a covered service when a third party pays a provider the same amount as or more than the agency rate.

The contract must specify that the adopting family will pay for the medical care associated with the pregnancy.

(9) A provider cannot refuse to furnish covered services to a client because of a third-party's potential liability for the services.

(10) For third-party liability on personal injury litigation claims, the agency or managed care organization (MCO) is responsible for providing medical services under WAC 182-501-0100.
