WAC 182-12-128 When may an employee waive enrollment in public employees benefits board (PEBB) medical and when may they enroll in PEBB medical after having waived enrollment? An employee may waive enrollment in public employees benefits board (PEBB) medical if they are enrolled in other employer-based group medical, a TRICARE plan, or medicare Part A and Part B as described in subsection (1)(a) through (c) of this section. They may not waive enrollment in PEBB medical if they are enrolled in PEBB retiree insurance coverage, and their PEBB retiree insurance coverage will be automatically deferred as described in WAC 182-12-205 (11)(a) or will be auto disenrolled as described in WAC 182-12-262 (2)(d). An employee who waives enrollment in PEBB medical must enroll in PEBB dental, PEBB vision, basic life insurance, basic accidental death and dismemberment insurance, and employer-paid long-term disability (LTD) insurance (unless the employing agency does not participate in these PEBB insurance coverages). For an employing agency that participates in LTD insurance, an employee will also be enrolled in employee-paid LTD insurance automatically unless the employee declines their employee-paid LTD insurance as described in WAC 182-08-197.

Exception: An employee may waive their enrollment in PEBB medical to enroll in school employees benefits board (SEBB) medical only if they are enrolled in SEBB dental and SEBB vision. An employee who waives enrollment in PEBB medical to enroll in SEBB medical also waives enrollment in PEBB dental and PEBB vision.

(1) To waive enrollment in PEBB medical, the employee must submit the required form to their employing agency at one of the following times:

(a) **When the employee becomes eligible:** An employee may waive PEBB medical when they become eligible for PEBB benefits. The employee must indicate their election to waive enrollment in PEBB medical on the required form and submit the form to their employing agency. The employing agency must receive the form no later than 31 days after the date the employee becomes eligible for PEBB benefits (see WAC 182-08-197). PEBB medical will be waived as of the date the employee becomes eligible for PEBB benefits.

(b) **During the annual open enrollment:** An employee may waive PEBB medical during the annual open enrollment. The required form must be received by the employee's employing agency before the end of the annual open enrollment. PEBB medical will be waived beginning January 1st of the following year.

(c) **During a special open enrollment:** An employee may waive PEBB medical during a special open enrollment only if they are enrolled in other employer-based group medical, a TRICARE plan, or medicare Part A and Part B as described in subsection (4) of this section. A special open enrollment event must be an event other than an employee gaining initial eligibility or regaining eligibility for PEBB benefits.

The employee must submit the required form to their employing agency. The employing agency must receive the form no later than 60 days after the event that creates the special open enrollment. In addition to the required form, the employee must provide evidence of the event that creates the special open enrollment to the employing agency.

PEBB medical will be waived the last day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, PEBB medical will be waived the

last day of the previous month. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, PEBB medical will be waived the last day of the previous month.

(2) If an employee waives PEBB medical, the employee may not enroll dependents in PEBB medical.

(3) Once PEBB medical is waived, the employee is only allowed to enroll in PEBB medical at the following times:

(a) During the annual open enrollment. The required form must be received by the employee's employing agency before the end of the annual open enrollment. PEBB medical will begin January 1st of the following year.

(b) During a special open enrollment. A special open enrollment allows an employee to revoke their election and make a new election outside of the annual open enrollment. A special open enrollment may be created when one of the events described in subsection (4) of this section occurs.

The employee must submit the required form to their employing agency. The employing agency must receive the form no later than 60 days after the event that creates the special open enrollment. In addition to the required form, the employee must provide evidence of the event that creates the special open enrollment to the employing agency.

PEBB medical will begin the first day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, coverage is effective on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, PEBB medical for the employee will begin on the first day of the month in which the event occurs. PEBB medical for the newly born child, newly adopted child, spouse, or state registered domestic partner will begin as described in WAC 182-12-262 (3) (a) (iv).

If an employee who is eligible for the employer contribution toward PEBB benefits was enrolled as a dependent in SEBB medical, SEBB dental, and SEBB vision and is removed by the SEBB subscriber, the health care authority will notify the employee of their removal from the SEBB subscriber's account and that they have experienced a special enrollment event. The employee will be required to return from waived enrollment and elect PEBB medical, PEBB dental, and PEBB vision. If the employee's employing agency does not receive the employee's required forms indicating their medical, dental, and vision elections within 60 days of the employee losing SEBB medical, SEBB dental, and SEBB vision, they will be defaulted into employee-only PEBB medical, PEBB dental, and PEBB vision as described in WAC 182-08-197 (1) (b) (i) through (iii).

(4) **Special open enrollment:** Any one of the events in (a) through (k) of this subsection may create a special open enrollment that allows the employee to enroll in PEBB medical after having waived enrollment. The change in enrollment must be allowable under the Internal Revenue Code (IRC) and Treasury regulations, and correspond to and be consistent with the event that creates the special open enrollment for the employee, the employee's dependent, or both.

(a) Employee acquires a new dependent due to:

(i) Marriage or registering a state registered domestic partnership;

(ii) Birth, adoption, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or

(iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(b) Employee or an employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(c) Employee has a change in employment status that affects the employee's eligibility for their employer contribution toward their employer-based group medical;

(d) The employee's dependent has a change in their own employment status that affects their eligibility or their dependent's eligibility for the employer contribution under their employer-based group medical;

Note: As used in (d) of this subsection, "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 26 C.F.R. 54.9801-6.

(e) Employee or an employee's dependent has a change in enrollment under an employer-based group medical plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(f) Employee's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence resulted in the dependent losing their health insurance;

(g) A court order requires the employee or any other individual to provide a health plan for an eligible dependent of the employee (a former spouse or former state registered domestic partner is not an eligible dependent);

(h) Employee or an employee's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the employee or an employee's dependent loses eligibility for coverage under medicaid or CHIP;

Note: An employee may only return from having waived PEBB medical for the events described in (h) of this subsection. An employee may not waive their PEBB medical for the events described in (h) of this subsection.

(i) Employee or an employee's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or CHIP;

(j) Employee or employee's dependent becomes eligible and enrolls in a TRICARE plan, or loses eligibility for a TRICARE plan;

(k) Employee becomes eligible and enrolls in medicare, or loses eligibility for medicare.

Enrollment in the PEBB program's MA plan, MA-PD plan, or the UMP Classic medicare plan may not be retroactive.

(1) If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.

(2) If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional coverage as designated by the director or designee during the gap month(s) prior to when the MA-PD coverage begins.

(3) If a subscriber elects to enroll in the UMP Classic medicare plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional UMP coverage during the gap month(s) prior to when the UMP Classic medicare plan begins.

(7) A subscriber described in subsection (1) of this section who defers enrollment as described in subsection (3)(a) through (f) of this section may later enroll themselves and their dependents in a PEBB health plan if they receive formal notice that the authority has determined it is more cost-effective to enroll them or their eligible dependents in PEBB medical than a medical assistance program.

(8) If a subscriber elects to enroll a dependent in PEBB health plan coverage as described in subsection (6) or (7) of this section, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the subscriber.

Exceptions:

(1) If a subscriber selects a medicare supplement plan, a MA-PD plan, or the UMP Classic medicare plan, nonmedicare enrollees will be enrolled in the UMP Classic. If a subscriber selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(2) If a subscriber selects a medicare supplement plan, MA-PD plan, or any other medicare plan, they may elect a PEBB vision plan available for any nonmedicare enrollees.

(9) A nonmedicare subscriber must enroll in PEBB medical to be able to enroll in PEBB dental, in PEBB vision, or in both PEBB dental and PEBB vision. Any nonmedicare dependents they elect to enroll must be enrolled in the same PEBB medical, PEBB dental, and PEBB vision plan.

(10) An enrolled retiree or a survivor who requests to voluntarily terminate their enrollment in PEBB retiree insurance coverage must do so in writing. The written termination request must be received by the PEBB program. A retiree or a survivor who voluntarily terminates their enrollment in a PEBB health plan also terminates enrollment for all eligible dependents. Once coverage is terminated, a retiree or a survivor may not enroll again in the future unless they reestablish eligibility for PEBB insurance coverage by becoming newly eligible. Enrollment in a PEBB health plan will terminate on the last day of the month in which the PEBB program receives the termination request. If the termination request is received on the first day of the month, enrollment will terminate on the last day of the previous month.

Exception: When a subscriber or their dependent is enrolled in a MA plan, a MA-PD plan, or the UMP Classic medicare plan, the enrollment will terminate on the last day of the month when the plan disenrollment form is received.

(11) The PEBB program will automatically defer PEBB retiree insurance coverage for the following individuals:

(a) When a retiree or a survivor becomes eligible for the employer contribution toward PEBB or SEBB benefits, PEBB retiree insurance coverage will be automatically deferred. The subscriber will be exempt from the deferral form requirement.

Note: When the subscriber is no longer eligible for the employer contribution toward PEBB or SEBB benefits, they may enroll in PEBB retiree insurance coverage as described in WAC 182-12-171, 182-12-180, or subsection (6)(a)(ii) of this section, or continue in a deferred status if they meet the requirements described in WAC 182-12-200 or this section.

(b) Beginning January 30, 2025, retirees and survivors who are not on medicare and enrolled in PEBB retiree insurance coverage and permanently live outside of the United States, become eligible for medicare Parts A and B, and do not respond to HCA within the required time frame, will be automatically deferred from PEBB retiree insurance coverage. These subscribers will be exempt from the deferral form requirement. They may enroll in PEBB retiree insurance coverage when they return to the United States as described in subsection (6)(f) of this section.

AMENDATORY SECTION (Amending WSR 24-18-081, filed 8/29/24, effective 1/1/25)

WAC 182-12-262 When may subscribers enroll or remove eligible dependents? (1) **Enrolling dependents in public employees benefits board (PEBB) health plan coverage, supplemental dependent life insurance, and accidental death and dismemberment (AD&D) insurance.** A dependent must be enrolled in the same health plan coverage as the subscriber unless otherwise described in the Washington Administrative Code applicable to the subscriber. The subscriber must be enrolled in health plan coverage to enroll their dependent in health plan coverage except as provided in WAC 182-12-205 (3)(c). A dependent with more than one source of eligibility for enrollment in the PEBB and school employees benefits board (SEBB) programs is limited to a single enrollment in medical, dental, and vision plans in either the PEBB or SEBB program. Subscribers must satisfy the enrollment requirements as

described in subsection (4) of this section and may enroll eligible dependents at the following times:

(a) **When the subscriber becomes eligible** and enrolls in PEBB benefits. If eligibility is verified the dependent's effective date will be as follows:

(i) PEBB health plan coverage will be the same as the subscriber's effective date;

(ii) Supplemental dependent life insurance or AD&D insurance, if elected, will be effective the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(b) **During the annual open enrollment.** PEBB health plan coverage begins January 1st of the following year;

(c) **During special open enrollment.** Subscribers may enroll dependents during a special open enrollment as described in subsection (3) of this section;

(d) **When a National Medical Support Notice (NMSN)** requires a subscriber to cover a dependent child in health plan coverage as described in WAC 182-12-263; or

(e) **Any time during the calendar year for supplemental dependent life insurance or AD&D insurance** by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent life insurance but will not be required for supplemental AD&D insurance. Supplemental dependent life insurance or AD&D insurance will be effective the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(2) **Removing dependents from a subscriber's PEBB health plan coverage or supplemental dependent life insurance or AD&D insurance.**

(a) **A dependent's eligibility for enrollment in PEBB health plan coverage or supplemental dependent life insurance or AD&D insurance ends the last day of the month the dependent** meets the eligibility criteria as described in WAC 182-12-250 or 182-12-260. Subscribers must provide notice when a dependent is no longer eligible due to divorce, annulment, dissolution, or qualifying event of a dependent ceasing to be eligible as a dependent child, as described in WAC 182-12-260(3). For supplemental dependent life insurance or AD&D insurance, subscribers must notify the contracted vendor on the required form, in writing, or by telephone when a dependent is no longer eligible. Contact information for the contracted vendor may be found at hca.wa.gov/employees-contact-plan. For PEBB health plan coverage, the notice must be received within 60 days of the last day of the month the dependent loses eligibility. Employees must notify their employing agency when a dependent is no longer eligible for PEBB health plan coverage, except as required under WAC 182-12-260 (3)(g)(ii). All other subscribers must notify the PEBB program. Consequences for not submitting notice within the required 60 days include, but are not limited to:

(i) The dependent may lose eligibility to continue PEBB medical, dental, or vision under one of the continuation coverage options described in WAC 182-12-270;

(ii) The subscriber may be billed for claims paid by the health plan for services that were rendered after the dependent lost eligibility as described in WAC 182-12-270;

(iii) The subscriber may not be able to recover subscriber-paid insurance premiums for dependents that lost their eligibility; and

(iv) The subscriber may be responsible for premiums paid by the state for the dependent's health plan coverage after the dependent lost eligibility.

(b) Employees have the opportunity to remove eligible dependents:

(i) During the annual open enrollment. The dependent will be removed from PEBB health plan coverage the last day of December;

(ii) During a special open enrollment as described in subsections (3) and (4)(f) of this section;

(iii) When a NMSN requires a spouse, former spouse, or other individual to provide health plan coverage for a dependent who is already enrolled in PEBB coverage, and that health plan coverage is in fact provided as described in WAC 182-12-263(2); or

(iv) Any time during the calendar year from supplemental dependent life insurance or AD&D insurance by submitting a request to the contracted vendor on the required form, in writing, or by telephone. Contact information for the contracted vendor may be found at hca.wa.gov/employees-contact-plan.

(c) Retirees (see WAC 182-12-171, 182-12-180, or 182-12-211), survivors (see WAC 182-12-180, 182-12-250, or 182-12-265), PEBB continuation coverage enrollees (see WAC 182-12-133, 182-12-141, 182-12-142, 182-12-146, or 182-12-148), and retired employees, retired school employees, or survivors continuing PEBB health plan coverage after their employer group ceased participation (see WAC 182-12-232) may remove dependents from their PEBB health plan coverage outside of the annual open enrollment or a special open enrollment by providing written notice to the PEBB program. The dependent will be removed from the subscriber's PEBB health plan coverage prospectively. PEBB health plan coverage will end on the last day of the month in which the written notice is received by the PEBB program or on the last day of the month specified in the subscriber's written notice, whichever is later. If the written notice is received on the first day of the month, PEBB health plan coverage will end on the last day of the previous month. PEBB continuation coverage enrollees may remove dependents from supplemental dependent life insurance or AD&D insurance any time during the calendar year by submitting a request to the contracted vendor on the required form, in writing, or by telephone. Contact information for the contracted vendor may be found at hca.wa.gov/employees-contact-plan.

(d) When a retiree or a survivor's dependent becomes eligible for the employer contribution toward PEBB or SEBB benefits, the subscriber's dependent will be auto disenrolled from PEBB retiree insurance coverage.

(3) Special open enrollment.

(a) Subscribers may enroll or remove their eligible dependents outside of the annual open enrollment if a special open enrollment event occurs. The change in enrollment must be allowable under the Internal Revenue Code and Treasury Regulations, and correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber's dependents, or both. To disenroll from a medicare advantage (MA) plan, a medicare advantage-prescription drug (MA-PD) plan, or the Uniform Medical Plan (UMP) Classic medicare

plan, the change in enrollment must be allowable under 42 C.F.R. Secs. 422.62(b) and 423.38(c).

(i) PEBB health plan coverage will begin the first of the month following the later of the event date or the date the required form is received. If that day is the first of the month, the change in enrollment begins on that day except for a MA plan, a MA-PD plan, or the UMP Classic medicare plan, which will begin the first day of the month following the date the form is received.

(ii) PEBB health plan coverage for an extended dependent or a dependent with a disability will begin the first day of the month following the later of the event date or eligibility certification.

(iii) The dependent will be removed from the subscriber's PEBB health plan coverage the last day of the month following the later of the event date or the date the required form and proof of the event is received. If that day is the first of the month, the change in enrollment will be made the last day of the previous month.

(iv) If the special open enrollment is due to the birth or adoption of a child, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of a child, PEBB health plan coverage will begin or end as follows:

- For the newly born child, PEBB health plan coverage will begin the date of birth;

- For a newly adopted child, PEBB health plan coverage will begin on the date of placement or the date a legal obligation is assumed in anticipation of adoption, whichever is earlier;

- For a spouse or state registered domestic partner of a subscriber, PEBB health plan coverage will begin the first day of the month in which the event occurs. The spouse or state registered domestic partner will be removed from PEBB health plan coverage the last day of the month in which the event occurred.

(v) Supplemental dependent life insurance or AD&D insurance will begin the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(b) The events described in this subsection (3)(b)(i) of this section create a special open enrollment to enroll eligible dependents in supplemental dependent life insurance or AD&D insurance. Any one of the following events may create a special open enrollment to enroll or remove eligible dependents from PEBB health plan coverage:

(i) Subscriber acquires a new dependent due to:

- Marriage or registering a state registered domestic partnership;

- Birth, adoption, or when a subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or

- A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(ii) Subscriber or a subscriber's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(iii) Subscriber has a change in employment status that affects the subscriber's eligibility for their employer contribution toward their employer-based group health plan;

(iv) The subscriber's dependent has a change in their own employment status that affects their eligibility or their dependent's eligi-

bility for the employer contribution under their employer-based group health plan;

Note: As used in (iv) of this subsection, "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 54.9801-6.

(v) Subscriber or a subscriber's dependent has a change in enrollment under an employer-based group health plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(vi) Subscriber's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence resulted in the dependent losing their health insurance;

(vii) A court order requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state registered domestic partner is not an eligible dependent);

(viii) Subscriber or a subscriber's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;

(ix) Subscriber or a subscriber's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or CHIP;

(x) Subscriber's dependent enrolls in medicare, or loses eligibility for medicare;

(xi) Subscriber or a subscriber's dependent enrolled in a MA plan, MA-PD plan, medicare supplement plan, or the UMP Classic medicare plan who gains, loses, or has a change to their low-income subsidy eligibility as described in 42 C.F.R. § 423.38(c)(9).

(4) Enrollment requirements. A subscriber must submit the required forms within the time frames described in this subsection. For PEBB health plan coverage, an employee must submit the required forms to their employing agency, any other subscriber must submit the required forms to the PEBB program. In addition to the required forms indicating dependent enrollment, the subscriber must provide the required documents as evidence of the dependent's eligibility; or as evidence of the event that created the special open enrollment. All required forms and documents must be received within the required time frames. An employee enrolling a dependent in supplemental dependent life insurance or AD&D insurance must submit the required form to the contracted vendor for approval within the required time frames.

Note: When enrolling a state registered domestic partner or a state registered domestic partner's child, a subscriber must certify that the state registered domestic partner or state registered domestic partner's child is a tax dependent on the required form; otherwise, the PEBB program will assume the state registered domestic partner or state registered domestic partner's child is not a tax dependent.

(a) If a subscriber wants to enroll their eligible dependents in PEBB health plan coverage when the subscriber becomes eligible to enroll in PEBB benefits, the subscriber must include the dependent's enrollment information on the required forms and submit them within the required time frame described in WAC 182-08-197, 182-12-171, 182-12-180, 182-12-211, 182-12-232, or 182-12-250. If an employee enrolls a dependent in supplemental dependent life insurance or AD&D insurance, the required form must be submitted within the required time frame described in WAC 182-08-197.

(b) If a subscriber wants to enroll eligible dependents in PEBB health plan coverage during the PEBB annual open enrollment period, the required forms must be received no later than the last day of the annual open enrollment.

(c) If a subscriber wants to enroll newly eligible dependents, the required forms must be received no later than 60 days after the dependent becomes eligible. An employee enrolling a dependent in supplemental dependent life insurance or AD&D insurance must submit the required form to the contracted vendor for approval. An employee may enroll a dependent in supplemental dependent life insurance up to the guaranteed issue coverage amount without evidence of insurability if the required form is submitted to the contracted vendor as required. Evidence of insurability will be required for supplemental dependent life insurance over the guaranteed issue coverage amount. Evidence of insurability is not required for supplemental AD&D insurance.

(d) If a subscriber wants to enroll a newborn or child whom the subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption in PEBB health plan coverage, the subscriber should notify the PEBB program by submitting the required forms as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required forms must be received no later than 60 days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. An employee enrolling a dependent in supplemental dependent life insurance or AD&D insurance must submit the required form to the contracted vendor for approval no later than 60 days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. A newly born child must be at least 14 days old before supplemental dependent life insurance or AD&D insurance coverage can become effective.

(e) If the subscriber wants to enroll a child age 26 or older as a child with a disability in PEBB health plan coverage, the required forms must be received no later than 60 days after the child reaches age 26 or within the relevant time frame described in (a), (b), and (f) of this subsection. To recertify an enrolled child with a disability, the required forms must be received by the PEBB program or the contracted vendor by the child's scheduled PEBB health plan coverage termination date.

(f) If the subscriber wants to change a dependent's enrollment status in PEBB health plan coverage during a special open enrollment, the required forms must be received no later than 60 days after the event that creates the special open enrollment.

Exception: If the subscriber wants to change a dependent's enrollment or disenrollment in a MA plan, a MA-PD plan, or the UMP Classic medicare plan, the required forms must be received during a special enrollment period as allowed under 42 C.F.R. Secs. 422.62(b) and 423.38(c).

(g) An employee may enroll a dependent in supplemental dependent life insurance or AD&D insurance at any time during the calendar year by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent life insurance but will not be required for supplemental AD&D insurance.
