"Institution" means an entity that furnishes (in single or multiple facilities) food, shelter, and some treatment or services to four or more people unrelated to the proprietor. An IMD may include inpatient substance use disorder (SUD) facilities of more than 16 beds which provide residential treatment for SUD.

(2) **"Intermediate care facility for individuals with intellectual disabilities (ICF/IID)"** - An institution or distinct part of an institution that is:

(a) Defined in 42 C.F.R. 440.150;

Sec. 1396r. Nursing facilities that may become certified include nursing homes licensed under chapter 18.51 RCW, and nursing facility units within hospitals licensed by DOH under chapter 70.41 RCW. This includes the nursing facility section of a state veteran's facility.
