**NOTICE**

**Title or Subject: Medicaid State Plan Amendment (SPA) 18-0028 Health Homes Rates**

**Effective Date: July 1, 2018**

**Description:** Medicaid State Plan Amendment (SPA) for Health Homes and the Rate Structure for the Managed Fee-for-Service (MFFS) Delivery System.

The Health Care Authority (HCA), in conjunction with the Department of Social and Health Services (DSHS) Aging and Long-Term Care Services Administration (ALTSA), intend to submit SPA 18-0028 in order to update the methodology used to determine the rates paid for Health Home services. The Health Home program is a voluntary care coordination model supported by one-on-one, face-to-face visits with eligible high-risk clients who have multiple chronic conditions. The program is available statewide.

SPA 18-0028 is expected to increase the annual aggregate payments to the Managed Fee-for-Service Health Home providers by 20% with an additional 5% performance incentive payment to Health Home providers who meet or exceed the established engagement rate.

The original three-tier Health Home rates were established in July 2013 and included a withhold amount for tiers two and three. After program review, the withhold amount was removed from the rates in January 2015 to help increase client engagement. In 2016, HCA reviewed the payment rates again and effective July 2017, provided a performance incentive payment to Health Home providers meeting the established engagement rate.

After review and analysis of the Health Home rates based on providers' experience and cost expenditures, HCA will increase the current rates effective July 1, 2018. The new payment rates will give Health Home providers an aggregate increase of 20%, which will be spread over the three-tier payment methodology. Additionally, to continue growth and client engagement, a 5% performance incentive payment will be made quarterly to Health Home providers meeting the higher established engagement rate.

SPA 18-0028 is in the development process; therefore, a copy is not yet available for review. HCA and DSHS would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available, you may contact the agency in your county listed in the table or the person named below.

Interested parties may submit comments and concerns about the rates or the effects the changes may have on beneficiary access to care or continued service access. Please submit comments and concerns to the person named below by, July 27, 2018. Please note that all comments are subject to public review and disclosure, as are the names of those who comment.
