NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 18-0031 Reasonable Opportunity Periods for Immigration Status Verification

Effective Date: July 1, 2018

Description: The Health Care Authority (the agency) intends to submit Medicaid State Plan Amendment (SPA) 18- 0031 in order to implement a pilot program from July 1, 2018 through June 30, 2019 designed to monitor requests for multiple reasonable opportunity periods. "Reasonable opportunity periods" are periods of 120 days designed to give non-citizens time to provide documentation that verifies the immigration status to which they attested at the time of application, while they receive Washington Apple Health coverage. When the client's attestation cannot be verified through the agency's interface with Systematic Alien Verification for Entitlements Program (SAVE) and the client has not previously received two reasonable opportunity periods, the agency will open a reasonable opportunity period regardless of previous requests for verification.

When the agency approves a reasonable opportunity period for a client, the client's effective date of coverage will be updated to the first day of the month of application.

The agency consulted with the Centers for Medicaid and Medicare Services (CMS) and both agencies have agreed to the appropriate data to collect for pilot analysis. The agency will develop a report of clients who apply for Washington Apple Health but whose eligibility determination is in pending status because of an immigration status discrepancy. The agency will analyze the data to determine the next steps needed for individuals who apply for more than two reasonable opportunity periods. Any data shared between the agency and CMS will remain at the aggregate level.

SPA 18-0031 is in development. The agency would appreciate any input or concerns regarding this SPA. To request a copy of the SPA when it becomes available, you may contact the agency in your county listed in the table or the person named below. To submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).
