Title or Subject: Medicaid State Plan Amendment (SPA) 19-0018 Integrated Managed Care

Effective Date: July 1, 2019

Description: The Health Care Authority (HCA) intends to submit Medicaid State Plan Amendment (SPA) 19-0018 to reflect the next implementation of the integration of mental health and substance use disorder services (collectively known as “behavioral health”) into an Integrated Managed Care (IMC) program under contract with Apple Health Managed Care Organizations (MCOs). SPA 19-0018 also updates the IMC section of the State Plan to reflect that the following Medicaid services are currently covered by the IMC program: Substance Use Disorder Peer Support and Medication Assisted Therapy.

On July 1, 2019, HCA will implement IMC in the North Sound Regional Service Area (RSA). The North Sound RSA consists of Island, San Juan, Skagit, Snohomish, Spokane, and Whatcom counties.

SPA 19-0018 is expected to have no effect on the annual aggregate expenditures, reimbursement, or payment for managed care organizations.

A copy of SPA 19-0018 is available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy of the SPA, you may contact the person named below.
