Title or Subject: Medicaid State Plan Amendment (SPA) 22-0006 Primary Care Case Management – Entities (PCCMe)

Effective Date: July 1, 2022

Description: The Health Care Authority intends to submit Medicaid State Plan Amendment (SPA) 22-0006 in order to implement a new primary care case management entity (PCCMe) program for American Indian and Alaska Native Medicaid beneficiaries. This program will expand options for Indian health care providers (IHCPs) looking to provide and be adequately reimbursed for provision of the following limited case management benefits:

1. Provision of intensive telephonic case management
2. Provision of face-to-face case management
3. Development of enrollee care plans.
4. Provision of enrollee outreach and education activities.
5. Operation of a customer service call center.
6. Implementation of quality improvement activities including administering enrollee satisfaction surveys or collecting data necessary for performance measurement of providers.
7. Coordination with behavioral health systems/providers.
8. Coordination with long-term services and supports systems/providers.

SPA 22-0006 is expected to increase the annual aggregate reimbursement to IHCPs who elect to participate in the PCCMe program. The Washington State Legislature appropriated \$3 million for this program starting in SFY 2023. The program is anticipated to be fully implemented in SFY 2025, with an appropriation of \$46 million.

A draft of SPA 22-0006 is available for review at <https://www.hca.wa.gov/about-hca/tribal-affairs/primary-care-case-management-entities-pccme-state-plan-amendment>.
