NOTICE

Title or Subject: Section 1115 Family Planning Only Demonstration Waiver Extension Application

Effective Date: January 1, 2018

Description: The Health Care Authority (the Agency) intends to submit an application to extend the Section 1115 Family Planning Only Demonstration Waiver for 5 years (through December 2022). The current waiver expires on December 31, 2017. It covers limited family planning and family planning-related services for women and men who are enrolled in the Agency's two programs -- Family Planning Only Extension and Take Charge.

The purpose, client eligibility requirements, and benefit package will remain the same. The name will change to "Family Planning Only" to reduce confusion inherent in two program names.

Because eligibility and services will remain the same, this extension is anticipated to have no effect on annual aggregate expenditures or enrollment.
