reasonably considers appropriate to protect HCA clients (such as paying for regular credit watches in some cases).

4.9.3.3 Contractor will compensate HCA clients for harms caused to them by any Breach or possible Breach.

4.9.4 Any breach of this clause may result in termination of the Contract and the demand for return or disposition (Attachment 1, Section 6) of all Confidential Information.

4.9.5 Contractor’s obligations regarding Breach notification survive the termination of this Contract and continue for as long as Contractor maintains the Confidential Information and for any breach or possible breach at any time.

4.12 DEBARMENT

Contractor agrees to include the above requirement in any and all subcontracts into which it enters, and also agrees that it will not employ debarred individuals. Contractor must immediately notify HCA if, during the term of this Contract, Contractor becomes debarred. HCA may immediately terminate this Contract by providing Contractor written notice, if Contractor becomes debarred during the term hereof.
4.13 DISPUTES

The parties will use their best, good faith efforts to cooperatively resolve disputes and problems that arise in connection with this Contract. Both parties will continue without delay to carry out their respective responsibilities under this Contract while attempting to resolve any dispute. 4.13.1 The initiating party will reduce its description of the dispute to writing and deliver it to the responding party (email acceptable). The responding party will respond in writing within five (5) Business Days (email acceptable). If the initiating party is not satisfied with the response of the responding party, then the initiating party may request that the HCA Director review the dispute. Any such request from the initiating party must be submitted in writing to the HCA Director within five (5) Business Days after receiving the response of the responding party. The HCA Director will have sole discretion in determining the procedural manner in which he or she will review the dispute. 4.13.2.1 Be in writing;
4.13.2.2 Include a written description of the dispute;
4.13.2.3 State the relative positions of the parties and the remedy sought; and

4.14 ENTIRE AGREEMENT

HCA and Contractor agree that the Contract is the complete and exclusive statement of the agreement between the parties relating to the subject matter of the Contract and supersedes all letters of intent or prior contracts, oral or written, between the parties relating to the subject matter of the Contract, except as provided in Section 4.45, Warranties.

4.15 FORCE MAJEURE

A party will not be liable for any failure or delay in the performance of this Contract for the period that such failure or delay is due to causes beyond its reasonable control, including but not limited to acts of God, war, strikes or labor disputes, embargoes, government orders or any other force majeure event.
4.16 FUNDING WITHDRAWN, REDUCED, OR LIMITED

If HCA determines in its sole discretion that the funds it relied upon to establish this Contract have been withdrawn, reduced or limited, or if additional or modified conditions are placed on such funding after the effective date of this contract but prior to the normal completion of this Contract, then HCA, at its sole discretion, may:

HCA will use this option only when HCA determines that there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Contractor’s performance to be resumed prior to the normal completion date of this Contract.

4.16.3.1 During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.

4.16.3.2 When HCA determines in its sole discretion that the funding insufficiency is resolved, it will give Contractor written notice to resume performance. Upon the receipt of this notice, Contractor will provide written notice to HCA informing HCA whether it can resume performance and, if so, the date of resumption. For purposes of this subsection, “written notice” may include email.

4.16.3.3 If the Contractor’s proposed resumption date is not acceptable to HCA and an acceptable date cannot be negotiated, HCA may terminate the contract by giving written notice to Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. HCA will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.

SCHEDULE A - STATEMENT OF WORK

Technical Assistance for Youth Engagement and Leadership Initiatives

1. Purpose

The purpose of this contract is for Youth MOVE National to provide technical assistance (TA) to Family Youth System Partner Round Tables (FYSPRTs) and connected youth serving systems to evaluate and improve youth engagement and leadership in alignment with Washington State Children’s Behavioral Health Principles, T.R. Settlement Agreement/Wraparound with Intensive Services, and the Regional FYSPRT Manual. Connected youth serving systems could include but are not limited to the HCA’s Division of Behavioral Health and Recovery (DBHR), a Statewide Youth Leadership Network and other components of the Child, Youth and Family Behavioral Health Governance Structure. Engagement and leadership of diverse and historically excluded young people, including but not limited to the BIPOC, disability and LGBTQIA+ communities, is an essential component of creating change in the behavioral health system to improve outcomes for all youth and their families. Technical assistance is needed to support and create sustainability for diverse youth voice, engagement, and leadership in the FYSPRTs and connected youth serving systems.
