English
The enrollment limit for Apple Health Expansion has been met. If you applied on or after June 20, 2024, and were denied because the cap was met, there is still a possibility you will be randomly selected to enroll if space opens in the program. There are no additional steps you need to take at this time. You will receive an eligibility notice through your preferred communication method (email or mail) if you are selected for enrollment.

Make sure to keep your application up to date with any changes to your household, income, address, or contact information so we can contact you if you are selected to enroll.

Not sure if you've applied for coverage? Log into your account or contact our customer service teams to verify your application. Learn more and get the latest info at **hca.wa.gov/apple-health-expansion**.
