

Mental Health Professionals Attestation Form

! This form is needed in order for Health Care Authority to be in compliance with the requirements of WAC 182-531-1400 (1)(a)(iii) and RCW 74.09.521.

The following mental health professionals can provide mental health services to Medicaid clients:

- Licensed psychiatric advanced registered nurse practitioners
- Licensed independent clinical social workers
- Licensed advanced social workers
- Licensed marriage and family therapists
- Licensed mental health counselors
- Psychiatrists and psychologists (both are exempt from this attestation form requirement)

1

Attestation

Please **choose one** of the options below:

I will be providing mental health services for Medicaid clients under age 19 (this selection gives you the option of providing mental health services for adults as well).

I will be providing mental health services only to clients 19 and older.

By selecting this option, I attest to having a minimum of two years experience in the diagnosis and treatment of children, youth and their families. At least one of these years was under the supervision of a mental health professional trained in child and family mental health.
