2. Where does my health information come from?

Your health information comes from places and people that gave you health care or health insurance in the past. These may include hospitals, doctors, pharmacies, laboratories, health plans, the Washington Apple Health (Medicaid) program, and other groups that share health information. You can get a list of all the places and people by calling your care coordinator.

The laws and regulations that protect your health information include Chapter 70.02 RCW in Washington statute, the federal Health Insurance Portability and Accountability Act (“HIPAA”), and federal regulation 42 CFR Part 2.

4. If I agree, who can obtain and see my information?

Your information may be obtained or seen by the providers/partners you agree can obtain and see it. Information can also be obtained or seen when allowed by applicable laws. For example, when you get care from a person who is not your usual doctor or provider, such as a new pharmacy, hospital, or other provider, some information, such as what your health plan pays for or the name of your Health Home provider, may be given to them or seen by them. For more information on who can get information, see our [Notice of Privacy Practices](#).

5. What if a person uses my information and I did not agree to let them use it?

6. How do I make changes to the list of providers/partners on the form?

You can add new names to the list at any time by adding the provider/partner information and filling out the “Beneficiary Gives Consent” columns next to the addition. You can delete someone you no longer wish to include by filling out the “Beneficiary Withdraws Consent” columns next to the previously added provider/partner.
