

## Health Home Participation (Opt-Out/Decline Services)

Name of Medicaid Beneficiary		Birth Date	Beneficiary's ProviderOne Number
Qualified Health Home Lead	Care Coordination Organization	Managed Care Organization (MCO) if applicable	
<input type="checkbox"/> I have completed a Health Action Plan (HAP) <span style="margin-left: 200px;"><input type="checkbox"/> I have <b>not</b> completed a Health Action Plan (HAP)</span>			
<ul style="list-style-type: none"> <li>• I talked with a Care Coordinator who explained the Health Home program and the care coordination services I could get. I have decided not to participate.</li> <li>• I understand that I will continue to get my other Medicaid health care services.</li> <li>• If I want Health Home services in the future, I can call: 1-800-562-3022 (TTY/TDD: 711 or 1-800-848-5429)</li> </ul>			
I am declining services because:			
<input type="checkbox"/> I am happy with my current providers or health care systems.		<input type="checkbox"/> I do not need any help with my medical and health care needs.	
<input type="checkbox"/> I am not comfortable with using this new benefit or program.		<input type="checkbox"/> Other – Explain	
<b>Details about Protecting your Health Information</b>			
When you opt out of Health Home Services the following information is important for you to understand: <ul style="list-style-type: none"> <li>• Any previously signed Health Home Information Sharing Consent Forms are no longer valid.</li> <li>• Your health information will be kept by providers/partners who already have your information. They do not have to give it back to you or take it out of their records.</li> <li>• Your personal health information will still be protected under Washington State and Federal laws and rules. These laws and regulations include Washington State and federal confidentiality rules, RCW 71.05.630, RCW 70.24.105, RCW 70.02, the Uniform Health Care Information Act, 42 CFR 2.31(a)(5), and include 45 CFR Parts 160 and 164, which are the rules referred to as "HIPAA," and 42 CFR Part 2. No one can obtain any new health information about you. Information already shared with others will not be given back.</li> <li>• If you think a person used your information and you did not agree to give the person permission to use your information, call your Care Coordinator or call the Medicaid Assistance Customer Service Center toll free line at 1-800-562-3022 (TTY/TDD: 711 or 1-800-848-5429).</li> </ul>			
Beneficiary's Signature or Legal Guardian (if applicable)		Date Signed	If Legal Guardian's Signature, print name
<input type="checkbox"/> I discussed the Health Home program with the Beneficiary. The benefits were explained; however, they decided not to participate or to end their participation in Health Home.			
Signature of the HH Care Coordinator or Allied Staff		Name of HH Care Coordinator or Allied Staff	Date Signed
<b>Care Coordinator Instructions</b>			
The Care Coordinator or Allied Staff is responsible to: <ul style="list-style-type: none"> <li>• Document the beneficiary's request to opt-out or decline services, on this form.</li> <li>• Sign on the <i>Signature of the HH Care Coordinator or Allied Staff</i> line after the form has been completed. If the beneficiary's request to opt-out or declines services is made over the phone, the beneficiary does not need to sign this form, however the Care Coordinator must document the request, on this form</li> <li>• Provide the Beneficiary with a copy of the form, either in person or by mail.</li> <li>• Insure that the Qualified Health Home Lead/MCO is provided with a copy of the form.</li> </ul>
