Notice of Outpatient Mental Health Treatment (RCW 71.34.650)

Per RCW 71.34.650

A professional person providing solely mental health treatment to an adolescent under this subsection (6) must convene a treatment review at least every thirty days after treatment begins that includes the adolescent, parent, and other treatment team members as appropriate to determine whether continued care under this subsection is medically necessary.

A professional person providing solely mental health treatment to an adolescent under this subsection (6) shall provide notification of the adolescent's treatment to an independent reviewer at the authority within **twenty-four hours** of the adolescent's first receipt of treatment under this subsection.

Information

Mental health agency name

Clinician name

Clinician phone number

Patient name

Date of birth

County of residence

Date outpatient treatment began

At least **every forty-five days** after the adolescent's first receipt of treatment under this subsection, the authority shall conduct a review to determine whether the current level of treatment is medically necessary. **Every forty-five days** the Outpatient Mental Health Agency will provide an intake assessment and documents justifying the need for ongoing FIT outpatient care.

Within twenty-four hours of all inpatient or outpatient admissions under FIT, you must complete this form, and notify HCA's contractor and the FIT administration office via secure email at fitreporting@fitadministration.com or via secure fax 206-859-6432.
