Health Home Clinical Eligibility Tool

• What Is It?

A form that you fill out to help determine Health Home (HH) clinical eligibility for a specific client

• When To Use?

When a client is referred and:

- Client is **NOT** already assigned to your Lead Entity and
- ProviderOne look-up does not indicate HH eligibility
# Health Home Clinical Eligibility Tool

## How To Fill Out?

1) Enter the ProviderOne Client ID

2) Select the client’s gender and age groups from drop down boxes

### Health Home Clinical Eligibility Tool (Version 2.0)

**How to Use**
- Please check FIRST with your Health Home Lead as to the Client’s current PRISM score.

1) Enter the client’s ProviderOne Client ID
2) Select the client’s demographic information
3) Select all disease categories that the patient has experienced in the last 15 months
4) Select all medication categories that a patient has received in the last 15 months
5) Follow the instructions for next steps based on the clinical eligibility determination

Health Home Clinical Eligibility Tool

• How To Fill Out?

3) Select all disease categories that the client has experienced in the last 15 months

• These are the same disease categories that are used in PRISM

• Drop down lists provide the most common ICD9 / ICD10 diagnosis codes associated with each category
Health Home Clinical Eligibility Tool

• How To Fill Out?

4) Select all medication categories that the client has received in the last 15 months

• These are the same medication categories that are used in PRISM

• Drop down lists provide the most common drug types associated with each category
Health Home Clinical Eligibility Tool

• How To Fill Out?

5) Check the client’s clinical eligibility and follow the additional instructions given:

• If not clinically eligible (risk score < 1.5) click the “Clear Selections” button and fill out for the next client.

• If clinically eligible (risk score ≥ 1.5) click the “Next Steps” button for instructions on how to send the information to the Health Care Authority (HCA).
Health Home Clinical Eligibility Tool

• Sending Information to the Health Care Authority

• Select and Copy the table in the “Next Steps” sheet

• Paste into an email to healthhomes@hca.wa.gov

• Note: You must encrypt the email before sending to HCA

• HCA will consider the request, determine Health Home program eligibility for the client, and will respond to the email with the determination
Health Home Clinical Eligibility Tool

• Questions about how to use the Health Home Clinical Eligibility Tool
