

**Provider Notice 13-113**

Dear Provider,

**Effective for claims with dates of service on and after January 1, 2014**, the Medicaid Program of the Health Care Authority (agency) is publishing a new *Complex Rehabilitation Technology (CRT) Medicaid Provider Guide* and *CRT Fee Schedule*.

**Note:** The updated fee schedule may not be available until January 1, 2014. Check the agency's Fee Schedules website often until the updated fee schedule is available.

The purpose of this guide is to provide client eligibility, provider eligibility, coverage information, authorization requirements, appropriate procedure codes, and billing guidelines for individually-configured CRT products and related services to eligible clients with complex needs.

Under [E2SHB 1445](#), the agency was directed to establish a separate recognition for individually configured CRT products and services for complex needs patients with medical assistance and a services category separate from other categories, such as durable medical equipment and supplies.
