

**Provider Notice 13-118**

**Correction:** This PN supersedes PN 13-97 to take out the phrase "Remove HCPCS code J7507" in the bulleted list. HCPCS code J7507 is a covered code in the *Kidney Centers Services fee schedule*.

Dear Provider,

**Effective for dates of service on and after January 1, 2014**, the Medicaid Program of the Health Care Authority (agency) will publish an updated [Kidney Center Services fee schedule](#) and a revised [Kidney Center Services Medicaid Provider Guide](#).

Specific changes include:

- Add CPT® code 90686.
- Add HCPCS codes Q2037, Q2038.
- Add **Assay of parathormone** (83970) to the list of separately billable tests.

For more details, see the **What Has Changed** table in the *Kidney Center Services Medicaid Provider Guide*.

**Note:** The updated fee schedule may not be available until January 1, 2014, so check the agency's website often until the fee schedule you are looking for appears.

CPT® codes and descriptions only are copyright 2013 American Medical Association.

Thank you.
