

**Provider Notice 13-78**

Dear Provider,

**Retroactive to dates of service on and after October 1, 2013**, the Medicaid Program of the Health Care Authority (agency) has updated the [Injectable Drugs fee schedule](#) to include quadrivalent flu vaccine coverage for claims submitted to the agency using CPT® code 90686 as follows:

- **For children 3-18 years of age:** The quadrivalent flu vaccine is available at no cost from the Department of Health (DOH). For this group the agency will pay only for the administration of the vaccine. Providers must use modifier SL when submitting a claim to the agency.
- **For eligible clients 19 years of age and older:** The agency will pay for both the vaccine and the administration of the vaccine.

Any previously denied claims submitted on and after October 1, 2013, may be resubmitted by the provider for payment using the criteria above.
