

Provider Notice 13-79

Dear Medicaid Providers,

The Medicaid Program of the Health Care Authority (agency) reminds all providers of the National Correct Coding Initiative (NCCI) requirement regarding add-on codes on claims.

All claims submitted for a procedure performed in combination with a primary service must have an associated add-on code with the primary procedure code. The agency will deny claims submitted for add-on codes that do not have a valid primary procedure code on the same claim.

Thank you.
