**Provider Notice 14-07**

Dear Provider,

**Retroactive to dates of service on and after January 1, 2014**, Washington Apple Health (Medicaid), administered by the Health Care Authority (agency), is publishing a revised [Physician-Related/Health Care Professional Services Medicaid Provider Guide](#) to clarify that developmental screenings are limited to **clients 36 months of age or younger who are suspected of having autism**.

For additional details, see the *What Has Changed* table in the [Physician-Related/Health Care Professional Services Medicaid Provider Guide](#).
