How do I bill for services?

- Instructions on how to bill Direct Data Entry (DDE) claims can be found on HCA's [Billers and Providers](#) web page, under [Webinars](#).
- For information about billing Health Insurance Portability and Accountability Act (HIPAA) Electronic Data Interchange (EDI) claims, see the ProviderOne 5010 companion guides on the [HIPAA Electronic Data Interchange \(EDI\)](#) web page
- Also, see HCA's [ProviderOne Billing and Resource Guide](#) for general billing information.

Note: To prevent billing denials, check the client's eligibility for other coverage **before** scheduling services and at the **time of the service**. See HCA's [ProviderOne Billing and Resource Guide](#) for instructions on how to verify a client's eligibility and how to request a limitation extension or exception to rule. Providers must exhaust other coverage before submitting a request for payment to HCA under a social services authorization. To reduce payment issues, providers must ensure an error-free authorization is in ProviderOne prior to completing a service when it will be paid for by social services.

Who do I contact if I have questions?
