Every effort has been made to ensure this guide’s accuracy. If an actual or apparent conflict between this document and an agency rule arises, the agency rules apply.
About this guide*

This guide takes effect January 1, 2018, and supersedes earlier billing guides to this program.

HCA is committed to providing equal access to our services. If you need an accommodation or require documents in another format, please call 1-800-562-3022. People who have hearing or speech disabilities, please call 711 for relay services.

Services, equipment, or both related to any of the programs listed below must be billed using the agency’s Washington Apple Health program-specific billing guides:

- Nondurable Medical Supplies and Equipment (MSE) Billing Guide
- Medical Nutrition Therapy Billing Guide
- Home Infusion Therapy Billing Guide
- Prosthetic and Orthotic Devices Billing Guide

Washington Apple Health means the public health insurance programs for eligible Washington residents. Washington Apple Health is the name used in Washington State for Medicaid, the children's health insurance program (CHIP), and state-only funded health care programs. Washington Apple Health is administered by the Washington State Health Care Authority.

How can I get agency provider documents?

To access provider alerts, go to the agency’s provider alerts web page.

To access provider documents, go to the agency’s provider billing guides and fee schedules web page.

Where can I download agency forms?

To download an agency provider form, go to HCA’s Billers and provider’s web page, select Forms & publications. Type the HCA form number into the Search box as shown below (Example: 13-835).

Definitions

This section defines terms and abbreviations, including acronyms, used in this billing guide. Refer to Chapter 182-500 WAC for a complete list of definitions for Washington Apple Health.

**Date of delivery** – The date the client actually took physical possession of an item or equipment. (WAC 182-543-1000)

**Digitized speech** – (Also referred to as devices with whole message speech output) - Words or phrases that have been recorded by a person other than the SGD user for playback upon command of the SGD user.

**EPSDT** - See WAC 182-500-0005.

**Health care Common Procedure Coding System (HCPCS)** – A coding system established by the Health Care Financing Administration (HCFA) to define services and procedures. HCFA is now known as the Centers for Medicare and Medicaid Services (CMS). (WAC 182-543-1000)

**Home** – For the purposes of this program, means location, other than hospital or skilled nursing facility where the client receives care. (WAC 182-543-1000)

**House Wheelchair** – A skilled nursing facility wheelchair that is included in the skilled nursing facility’s per-patient-day rate under chapter 74.46 RCW. (WAC 182-543-1000)

**Medical supplies** – Supplies that are:
- Primarily and customarily used to serve a medical purpose.
- Generally not useful to a person in the absence of illness or injury. (WAC 182-543-1000)

**Nonreusable supplies** – Supplies that are used only once and then are disposed of. (WAC 182-543-1000)

**Orthotic device or orthotic** – A corrective or supportive device that does one of the following:
- Prevents or corrects physical deformity or malfunction
- Supports a weak or deformed portion of the body. (WAC 182-543-1000)

**Other durable medical equipment (other DME)** – All durable medical equipment, excluding wheelchairs and wheelchair related items. (WAC 182-543-1000)

**Personal or comfort item** – An item or service that primarily serves the comfort or convenience of the client or caregiver. (WAC 182-543-1000)

**Power-Drive Wheelchair** – See Wheelchair – Power. (WAC 182-543-1000)
Durable Medical Equipment (DME) & Non-CRT Wheelchairs

**Pricing cluster** - A group of manufacturers' list prices for brands/models of DME, medical supplies and nondurable medical equipment that the agency considers when calculating the reimbursement rate for a procedure code that does not have a fee established by Medicare. (WAC 182-543-1000)

**Resource Based Relative Value Scale (RBRVS)** – A scale that measures the relative value of a medical service or intervention, based on amount of physician resources involved. (WAC 182-543-1000)

**Reusable supplies** – Supplies that are to be used more than once. (WAC 182-543-1000)

**Scooter** – A federally-approved, motor-powered vehicle that:
- Has a seat on a long platform.
- Moves on either three or four wheels.
- Is controlled by a steering handle.
- Can be independently driven by a client. (WAC 182-543-1000)

**Specialty bed** – A pressure reducing support surface, such as foam, air, water, or gel mattress or overlay. (WAC 182-543-1000)

**Speech generating device (SGD)** - An electronic device or system that compensates for the loss or impairment of a speech function due to a congenital condition, an acquired disability, or a progressive neurological disease. The term includes only that equipment used for the purpose of communication. Formerly known as augmentative communication device (ACD).

**Synthesized speech** – A technology that translates a user’s input into device-generated speech using algorithms representing linguistic rules; synthesized speech is not the prerecorded messages of digitized speech. An SGD that has synthesized speech is not limited to prerecorded messages but rather can independently create messages as communication needs dictate. (WAC 182-543-1000)

**Three- or four-wheeled scooter** – A three- or four-wheeled vehicle meeting the definition of scooter (see scooter) and has all of the following minimum features:
- Rear drive
- A twenty-four volt system
- Electronic or dynamic braking
- A high to low speed setting
- Tires designed for indoor/outdoor use (WAC 182-543-1000)

**Trendelenburg position** – A position in which the patient is lying on his or her back on a plane inclined thirty to forty degrees. This position makes the pelvis higher than the head, with the knees flexed and the legs and feet hanging down over the edge of the plane. (WAC 182-543-1000)

**Warranty period** – A guarantee or assurance, according to manufacturers’ or provider’s guidelines, of set duration from the date of purchase. (WAC 182-543-1000)
Wheelchair-manual – A federally-approved, nonmotorized wheelchair that is capable of being independently propelled and fits one of the following categories:

- **Standard:**
  - Usually is not capable of being modified
  - Accommodates a person weighing up to 250 pounds
  - Has a warranty period of at least one year

- **Lightweight:**
  - Composed of lightweight materials
  - Capable of being modified
  - Accommodates a person weighing up to 250 pounds
  - Usually has a warranty period of at least three years

- **High strength lightweight:**
  - Is usually made of a composite material
  - Is capable of being modified.
  - Accommodates a person weighing up to 250 pounds
  - Has an extended warranty period of over three years
  - Accommodates the very active person

- **Hemi:**
  - Has a seat-to-floor height lower than 18 inches to enable an adult to propel the wheelchair with one or both feet.
  - Is identified by its manufacturer as **Hemi** type with specific model numbers that include the **Hemi** description.

- **Pediatric:**
  - Has a narrower seat and shorter depth more suited to pediatric patients, usually adaptable to modifications for a growing child

- **Recliner:**
  - Has an adjustable, reclining back to facilitate weight shifts and provide support to the upper body and head

- **Tilt-in-Space:**
  - Has a positioning system that allows both the seat and back to tilt to a specified angle to reduce shear or allow for unassisted pressure releases

- **Heavy Duty:**
  - Has one of the following:
    - Specifically manufactured to support a person weighing up to 300 pounds
    - Accommodating a seat width of up to 22 inches wide (not to be confused with custom manufactured wheelchairs)

- **Rigid:**
  - Is of ultra-lightweight material with a rigid (nonfolding) frame

- **Custom Heavy Duty.** Is either of the following:
  - Specifically manufactured to support a person weighing over 300 pounds
  - Accommodates a seat width of over 22 inches wide (not to be confused with custom manufactured wheelchairs)
• Custom Manufactured Specially Built:
  ✓ Ordered for a specific client from custom measurements
  ✓ Is assembled primarily at the manufacturer’s factory
  (WAC 182-543-1000)

Wheelchair–Power – A federally approved, motorized wheelchair that can be independently driven by a client and fits one of the following categories:

• Custom power adaptable to:
  ✓ Alternative driving controls
  ✓ Power recline and tilt-in-space systems

• Noncustom power:
  Does not need special positioning or controls and has a standard frame

• Pediatric:
  Has a narrower seat and shorter depth that is more suited to pediatric patients. Pediatric wheelchairs are usually adaptable to modifications for a growing child (WAC 182-543-1000)
About the Program

(WAC 182-543-0500)

What products in general does the Durable Medical Equipment (DME) program cover?

The federal government considers durable medical equipment (DME) and related supplies as optional services under the Medicaid program, except when prescribed as an integral part of an approved plan of treatment under the home health program, or as required under the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program.

Note: The agency may reduce or eliminate coverage for optional services, consistent with legislative appropriations.

For information about the Habilitative Services benefit see What are habilitative services under this program?

The agency covers DME and related supplies listed in this billing guide, according to agency rules and subject to the limitations and requirements within this guide.

The agency pays for DME and related supplies including modifications, accessories, and repairs when they are:

- Covered.
- Within the scope of the client's medical program (see WAC 182-501-0060 and WAC 182-501-0065).
- Medically necessary, as defined in WAC 182-500-0005.
- Prescribed by a physician, advanced registered nurse practitioner (ARNP), or physician assistant certified (PAC) within the scope of his or her licensure, except for dual eligible Medicare/Medicaid clients when Medicare is the primary payer and the agency is billed for a copay and/or deductible only.
- Authorized, as required in this billing guide, and in accordance with the following:
  - Chapter 182-501 WAC
  - Chapter 182-502 WAC
  - Chapter 182-543 WAC
• Provided and used within accepted medical or physical medicine community standards of practice.

The agency requires prior authorization (PA) for covered durable medical equipment (DME), related supplies, and related services when the clinical criteria are not met, including the criteria associated with the expedited prior authorization (EPA) process.

The agency evaluates requests requiring PA on a case-by-case basis to determine medical necessity, according to the process found in WAC 182-501-0165.

**Note:** See Authorization for specific details regarding authorization for the DME Program.

The agency bases its determination about which DME services and related supplies require PA or EPA on utilization criteria (see Authorization). The agency considers all of the following when establishing utilization criteria:

• High cost
• The potential for utilization abuse
• A narrow therapeutic indication
• Safety

The agency evaluates a request for any DME item listed as noncovered within this billing guide under the provisions of WAC 182-501-0160 (see Exception to Rule). When EPSDT applies, the agency evaluates a noncovered service, equipment, or supply according to the process in WAC 182-501-0165 to determine if it is:

• Medically necessary.
• Safe.
• Effective.
• Not experimental (see the agency’s current Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program Billing Guide for more information).

The agency evaluates a request for a service that is in a covered category, but has been determined to be experimental or investigational as defined by WAC 182-531-0050, under the provisions of WAC 182-501-0165 which relate to medical necessity (see Authorization).
What are habilitative services under this program?

Habilitative services are those medically necessary services provided to help a client partially or fully attain or maintain developmental age-appropriate skills that were not fully acquired due to a congenital, genetic, or early-acquired health condition. Such services are required to maximize the client’s ability to function in his or her environment.

Applicable to those clients in the expanded population and covered by the Alternative Benefit Plan (ABP) only, the agency will cover Wheelchairs, Durable Medical Equipment (DME) and devices to treat one of the qualifying conditions listed in the agency’s Habilitative Services Billing Guide, under Client Eligibility.

All other program requirements are applicable to a habilitative service and should be followed unless otherwise directed (e.g., prior authorization).

Billing for habilitative services

Habilitative services must be billed using one of the qualifying diagnosis codes listed in the agency’s Habilitative Services Billing Guide in the primary diagnosis field on the claim.

Services and equipment related to any of the following programs must be billed using the agency’s Washington Apple Health program-specific billing guide:

- Prosthetic and Orthotic Devices
- Complex Rehabilitation Technology (CRT)
Most Apple Health clients are enrolled in an agency-contracted managed care organization (MCO). This means that Apple Health pays a monthly premium to an MCO for providing preventative, primary, specialty, and other health services to Apple Health clients. Clients in managed care must see only providers who are in their MCO’s provider network, unless prior authorized or to treat urgent or emergent care. See the agency’s Apple Health managed care page for further details.

It is important to always check a client’s eligibility prior to providing any services because it affects who will pay for the services.

How do I verify a client’s eligibility?

Check the client’s Services Card or follow the two-step process below to verify that a client has Apple Health coverage for the date of service and that the client’s benefit package covers the applicable service. This helps prevent delivering a service the agency will not pay for.

Is the client enrolled in an agency-contracted managed care organization (MCO), in a behavioral health organization (BHO), or is the client receiving services through fee-for-service (FFS) Apple Health?

Verifying eligibility is a two-step process:

Step 1. Verify the patient’s eligibility for Apple Health. For detailed instructions on verifying a patient’s eligibility for Apple Health, see the Client Eligibility, Benefit Packages, and Coverage Limits section in the agency’s ProviderOne Billing and Resource Guide.

If the patient is eligible for Apple Health, proceed to Step 2. If the patient is not eligible, see the note box below.

Step 2. Verify service coverage under the Apple Health client’s benefit package. To determine if the requested service is a covered benefit under the Apple Health client’s benefit package, see the agency’s Program Benefit Packages and Scope of Services web page.
Durable Medical Equipment (DME) & Non-CRT Wheelchairs

Note: Patients who are not Apple Health clients may submit an application for health care coverage in one of the following ways:

1. By visiting the Washington Healthplanfinder’s website at:
   www.wahealthplanfinder.org

2. By calling the Customer Support Center toll-free at: 855-WAFINDER (855-923-4633) or 855-627-9604 (TTY)

3. By mailing the application to:
   Washington Healthplanfinder
   PO Box 946
   Olympia, WA 98507

In-person application assistance is also available. To get information about in-person application assistance available in their area, people may visit www.wahealthplanfinder.org or call the Customer Support Center.

Are clients enrolled in an agency-contracted managed care organization (MCO) eligible?

Yes. Durable medical equipment services and non-CRT wheelchairs must be requested directly through the client’s Primary Care Provider (PCP). Clients can contact their MCO by calling the telephone number provided to them.

All medical services covered under an agency-contracted MCO must be obtained by the client through designated facilities or providers. The MCO is responsible for following:

- Payment of covered services
- Payment of services referred by a provider participating with the MCO to an outside provider

Note: To prevent billing denials, check the client’s eligibility prior to scheduling services and at the time of the service and make sure proper authorization or referral is obtained from the plan. See the agency’s ProviderOne Billing and Resource Guide for instructions on how to verify a client’s eligibility.
Managed care enrollment

Apple Health (Medicaid) places clients into an agency-contracted MCO the same month they are determined eligible for managed care as a new or renewing client. This eliminates a person being placed temporarily in FFS while they are waiting to be enrolled in an MCO or reconnected with a prior MCO. This enrollment policy also applies to clients in FFS who have a change in the program they are eligible for.

New clients are those initially applying for benefits or those with changes in their existing eligibility program that consequently make them eligible for Apple Health managed care. Renewing clients are those who have been enrolled with an MCO but have had a break in enrollment and have subsequently renewed their eligibility.

Checking eligibility

- Providers must check eligibility and know when a client is enrolled and with which MCO. For help with enrolling, clients can refer to the Washington Healthplanfinder’s Get Help Enrolling page.

- MCOs have retroactive authorization and notification policies in place. The provider must know the MCO’s requirements and be compliant with the MCO’s policies.

Behavioral Health Organization (BHO)

The Department of Social and Health Services (DSHS) manages the contracts for behavioral health services (mental health and substance use disorder) for eight of the Regional Service Areas (RSAs) in the state. The remaining regions have fully integrated managed care (FIMC).

See the agency’s Mental Health Services Billing Guide for details.
Fully Integrated Managed Care (FIMC)

For clients who live in an FIMC region, all physical health services, mental health services, and drug and alcohol treatment are covered and coordinated by the client’s agency-contracted MCO. The BHO will not provide behavioral health services in these counties.

Clients living in an FIMC region will enroll with an MCO of their choice that is available in that region. If the client does not choose an MCO, the client will be automatically enrolled into one of the available MCOs, unless the client is American Indian/Alaska Native (AI/AN). Clients currently enrolled in one of the available MCOs in their region may keep their enrollment when the behavioral health services are added.

**Effective July 1, 2017, American Indian/Alaska Native (AI/AN) clients living in an FIMC region of Washington may choose to enroll in one of the agency-contracted MCOs available in that region or they may choose to receive all these services through Apple Health FFS. If they do not choose an MCO, they will be automatically enrolled into Apple Health FFS for all their health care services, including comprehensive behavioral health services. See the agency’s American Indian/Alaska Native webpage.**

For more information about the services available under the FFS program, see the agency’s Mental Health Services Billing Guide and the Substance Use Disorder Billing Guide.

For full details on FIMC, see the agency’s Changes to Apple Health managed care webpage.

**FIMC Regions**

Clients who reside in either of the following two FIMC regions and who are eligible for managed care enrollment must choose an available MCO in their region. Specific details, including information about mental health crisis services, can be found on the agency’s Apple Health managed care webpage.

**North Central Region – Douglas, Chelan and Grant Counties**
**Effective January 1, 2018,** the agency will implement the second FIMC region known as the North Central Region, which includes Douglas, Chelan, and Grant Counties.

**Southwest Washington Region – Clark and Skamania Counties**
**Effective April 1, 2016,** the agency implemented the first FIMC region known as the Southwest Washington Region, which includes Clark and Skamania Counties. Clients eligible for managed care enrollment choose to enroll in one of two available MCOs in this region.
Apple Health Foster Care (AHFC)

Coordinated Care of Washington (CCW) provides all physical health care (medical) benefits, lower-intensity outpatient mental health benefits and care coordination for all Washington State foster care enrollees through a single, statewide managed care plan known as Apple Health Core Connections (AHCC).

Clients under this program are:

- Under the age of 21 who are in foster care (out of home placement)
- Under the age of 21 who are receiving adoption support
- Age 18-21 years old in extended foster care
- Age 18 to 26 years old who aged out of foster care on or after their 18th birthday (alumni)

These clients are identified in ProviderOne as “Coordinated Care Healthy Options Foster Care.”

See the agency’s Apple Health managed care page, Apple Health Foster Care for further details.

What if a client has third-party liability (TPL)?

If the client has third-party liability (TPL) coverage (excluding Medicare), prior authorization must be obtained before providing any service requiring prior authorization. For more information on TPL, refer to the agency’s ProviderOne Billing and Resource Guide.
What types of durable medical equipment (DME) and related services does the agency pay for?
(WAC 182-543-2000)

The agency pays qualified providers for durable medical equipment (DME) and related services on a fee-for-service basis as follows:

- DME providers for DME and related repair services
- Medical equipment dealers, pharmacies, and home health agencies under their national provider identifier (NPI) for medical supplies
- Physicians who provide medical equipment and supplies in the office (the agency may pay separately for medical supplies, subject to the provisions in the agency’s resource-based relative value scale fee schedule)
- Out-of-state orthotics and prosthetics providers who meet their state regulations

What requirements must providers and suppliers meet?

Providers and suppliers of DME and related services must:

- Meet the general provider requirements in chapter 182-502 WAC.
- Be enrolled with Medicaid and Medicare.
- Have the proper business license.
- Be certified, licensed and/or bonded if required, to perform the services billed to the agency.
- Provide instructions for use of equipment.
Durable Medical Equipment (DME) & Non-CRT Wheelchairs

- Furnish to clients only new equipment that includes full manufacturer and dealer warranties.

- Furnish, upon agency request, documentation of proof of delivery (See How do providers furnish proof of delivery?).

- Bill the agency using only the allowed procedure codes published within this billing guide.

- Have a valid prescription. A prescription must meet all of the following:
  
  ✓ Be written on the agency’s Prescription form, HCA 13-794 (See Where can I download agency forms?).
  
  ✓ Be written by a physician, advanced registered nurse practitioner (ARNP), or physician’s assistant certified (PAC).
  
  ✓ Be written, signed (including the prescriber’s credentials), and dated by the prescriber on the same day and before delivery of the supply, equipment, or device. Prescriptions must not be back-dated.
  
  ✓ Be no older than one year from the date the prescriber signs the prescription.
  
  ✓ State the specific item or service requested, diagnosis, estimated length of need (weeks, months, or years), and quantity.

**Note:** For dual eligible Medicare/Medicaid clients when Medicare is the primary payer and the agency is being billed for co-pay and/or deductible only, the above does not apply.
How can equipment/supplies be added to the covered list in this billing guide?
(WAC 182-543-2100)

Any interested party, such as a provider, supplier, and manufacturer may request the agency to include new equipment/supplies in this guide.

The request should include credible evidence, including but not limited to:

- Manufacturer's literature.
- Manufacturer's pricing.
- Clinical research/case studies (including FDA approval, if required).
- Proof of the Centers for Medicare and Medicaid Services (CMS) certification, if applicable.
- Any additional information the requester feels would aid the agency in its determination.

Send requests to:

DME Program Management Unit
PO Box 45506
Olympia WA 98504-5506

How do providers furnish proof of delivery?
(WAC 182-543-2200)

When a provider delivers an item directly to the client or the client's authorized representative, the provider must furnish the proof of delivery when the agency requests that information. All of the following apply:

- The agency requires a delivery slip as proof of delivery, and it must meet all of the following:
  - Be signed and dated by the client or the client's authorized representative (the date of signature must be the date the item was received by the client)
  - Include the client's name and a detailed description of the item(s) delivered, including the quantity and brand name
  - Include the serial number for durable medical equipment (DME) that may require future repairs
Durable Medical Equipment (DME) & Non-CRT Wheelchairs

- When the provider or supplier submits a claim for payment to the agency, the date of service on the claim must be one of the following:
  - For a one-time delivery, the date the item was received by the client or authorized representative
  - For DME for which the agency has established a monthly maximum, on or after the date the item was received by the client or authorized representative

When a provider uses a delivery/shipping service to deliver items which are not fitted to the client, the provider must furnish proof of delivery that the client received the equipment and/or supply, when the agency requests that information.

- If the provider uses a delivery/shipping service, the tracking slip is the proof of delivery.
  The tracking slip must include all of the following:
    - The client's name or a reference to the client's package(s)
    - The delivery service package identification number
    - The delivery address

- If the provider/supplier delivers the product, the proof of delivery is the delivery slip. The delivery slip must include all of the following:
  - The client's name
  - The shipping service package identification number
  - The quantity, detailed description(s), and brand name(s) of the items being shipped
  - The serial number for DME that may require future repairs

- When billing the agency, do both of the following:
  - Use the shipping date as the date of service on the claim if the provider uses a delivery/shipping service
  - Use the actual date of delivery as the date of service on the claim if the provider/supplier does the delivery

**Note:** A provider must not use a delivery/shipping service to deliver items which must be fitted to the client.
Providers must obtain PA when required before delivering the item to the client. The item must be delivered to the client before the provider bills the agency.

The agency does not pay for DME furnished to the agency’s clients when either of the following applies:

• The medical professional who provides medical justification to the agency for the item provided to the client is an employee of, has a contract with, or has any financial relationship with the provider of the item.

• The medical professional who performs a client evaluation is an employee of, has a contract with, or has any financial relationship with a provider of DME.

How does the agency decide whether to rent or purchase equipment?

(WAC 182-543-2250)

• The agency bases its decision to rent or purchase wheelchairs, durable medical equipment (DME) and supplies on the length of time the client needs the equipment.

• A provider must not bill the agency for the rental or purchase of equipment supplied to the provider at no cost by suppliers/manufacturers.

• The agency purchases new DME equipment only.

  ✓ A new DME item that is placed with a client initially as a rental item is considered a new item by the agency at the time of purchase.

  ✓ A used DME item that is placed with a client initially as a rental item must be replaced by the supplier with a new item prior to purchase by the agency.

• The agency requires a dispensing provider to ensure the DME rented to a client is:

  ✓ In good working order.

  ✓ Comparable to equipment the provider rents to clients with similar medical equipment needs who are either private pay clients or who have other third-party coverage.

• The agency's minimum rental period for covered DME is one day.

• The agency authorizes rental equipment for a specific period of time. The provider must request authorization from the agency for any extension of the rental period.
Durable Medical Equipment (DME) &
Non-CRT Wheelchairs

• The agency's reimbursement amount for rented DME includes all of the following:
  ✓ Delivery to the client
  ✓ Fitting, set-up, and adjustments
  ✓ Maintenance, repair and/or replacement of the equipment
  ✓ Return pickup by the provider

• The agency considers rented equipment to be purchased after twelve months' rental unless the equipment is restricted as rental only.

• DME and related services purchased by the agency for a client are the client's property.

• The agency rents, but does not purchase, certain DME for clients.

• The agency stops paying for any rented equipment effective the date of a client's death. The agency prorates monthly rentals as appropriate.

• For a client who is eligible for both Medicare and Medicaid, the agency pays only the client's coinsurance and deductibles. The agency discontinues paying client's coinsurance and deductibles for rental equipment when either of the following apply:
  ✓ The reimbursement amount reaches Medicare’s reimbursement cap for the equipment.
  ✓ Medicare considers the equipment purchased.

The agency does not obtain or pay for insurance coverage against liability, loss and/or damage to rental equipment that a provider supplies to a client.
Coverage – DME (Other)

(WAC 182-543-3000)

When does the agency cover hospital beds?

The agency covers, with prior authorization (PA), one hospital bed in a 10-year period, per client, with the following limitations:

- A manual hospital bed as the primary option when the client has full-time caregivers.

- A semi-electric hospital bed only when:
  - The client’s medical need requires the client to be positioned in a way that is not possible in a regular bed and the position cannot be attained through less costly alternatives (e.g., the use of bedside rails, a trapeze, pillows, bolsters, rolled up towels or blankets).
  - The client’s medical condition requires immediate position changes.
  - The client is able to operate the controls independently.
  - The client needs to be in the Trendelenburg position.

The agency bases the decision to rent or purchase a manual or semi-electric hospital bed on the length of time the client needs the bed.
How long does the agency pay for hospital bed rental?

The agency pays up to 11 months’ continuous rental of a hospital bed in a 12-month period as follows:

- For a manual hospital bed with mattress, with or without bed rails. The client must meet all of the following clinical criteria:
  - Has a length of need/life expectancy that is 12 months or less
  - Has a medical condition that requires positioning of the body that cannot be accomplished in a standard bed (reason must be documented in the client’s file)
  - Has tried pillows, bolsters, and/or rolled up blankets/towels in client’s own bed, and determined to not be effective in meeting client’s positioning needs (nature of ineffectiveness must be documented in the client’s file)
  - Has a medical condition that necessitates upper body positioning at no less than a 30° angle the majority of time the client is in the bed
  - Does not have full-time caregivers
  - Does not also have a rental wheelchair

- For a semi-electric hospital bed with mattress, with or without bed rails. The client must meet all of the following clinical criteria:
  - Has a length of need/life expectancy that is 12 months or less
  - Has tried pillows, bolsters, and/or rolled up blankets/towels in own bed, and determined ineffective in meeting positioning needs (nature of ineffectiveness must be documented in the client’s file)
  - Has a chronic or terminal condition such as chronic obstructive pulmonary disease (COPD), congestive heart failure (CHF), lung cancer or cancer that has metastasized to the lungs, or other pulmonary conditions that cause the need for immediate upper body elevation
  - Must be able to independently and safely operate the bed controls
  - Does not have a rental wheelchair
**When does the agency purchase a semi-electric hospital bed?**

The agency pays, with prior authorization (PA), for the initial purchase of a semi-electric hospital bed with mattress, with or without bed rails, when all of the following criteria are met:

- **The client:**
  - Has a length of need/life expectancy that is twelve months or more.
  - Has tried positioning devices such as: pillows, bolsters, foam wedges, and/or rolled up blankets/towels in own bed, and been determined ineffective in meeting positioning needs (nature of ineffectiveness must be documented in the client’s file).
  - Must be able to independently and safely operate the bed controls.
  - Does not also have a rental wheelchair.

- **AND-**

- Is diagnosed with one of the following:
  - With quadriplegia
  - With tetraplegia
  - With Duchene muscular dystrophy
  - With amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig’s disease
  - As ventilator-dependent
  - With chronic obstructive pulmonary disease (COPD) or congestive heart failure (CHF) with aspiration risk or shortness of breath that causes the need for an immediate position change of more than thirty degrees
Requests for PA must be submitted in writing to the agency and be accompanied by all of the following:

- A completed General Information for Authorization form, HCA 13-835, see Where can I download agency forms? (see Authorization for more information)
- A Hospital Bed Evaluation form, HCA 13-747
- Documentation of the client’s life expectancy, in months and/or years, the client’s diagnosis, the client’s date of delivery and serial number of the hospital bed
- Be accompanied by written documentation, from the client or caregiver, indicating the client has not been previously provided a hospital bed, purchase or rental

**Note:** For other forms, see Medicaid Forms.

### What is the purchase limit on mattresses and related equipment?

The agency pays for, with prior authorization (PA), the following:

<table>
<thead>
<tr>
<th>Equipment</th>
<th>Limitation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pressure pad, alternating with pump</td>
<td>One in a five-year period</td>
</tr>
<tr>
<td>Dry pressure mattress</td>
<td>One in a five-year period</td>
</tr>
<tr>
<td>Gel or gel-like pressure pad for mattress</td>
<td>One in a five-year period</td>
</tr>
<tr>
<td>Gel pressure mattress</td>
<td>One in a five-year period</td>

<td>One in a five-year period</td>
</tr>
<tr>
<td>Mattress, foam rubber</td>
<td>One in a five-year period</td>
</tr>
</tbody>
</table>
What is the purchase limit for patient lifts/traction equipment/fracture frames/transfer boards?

(WAC 182-543-3100)

The agency covers the purchase of the following, without prior authorization (PA), with limitations:

<table>
<thead>
<tr>
<th>Equipment</th>
<th>Limitation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Patient lift, hydraulic, with seat or sling</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Traction equipment</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Trapeze bars</td>
<td>One per client in a five-year period PA for rental required</td>
</tr>
<tr>
<td>Fracture frames</td>
<td>One per client in a five-year period PA for rental required</td>
</tr>
<tr>
<td>Transfer board or devices</td>
<td>One per client in a five-year period</td>
</tr>
</tbody>
</table>

What is the purchase limitation for positioning devices?

(WAC 182-543-3200)

The agency covers, without prior authorization (PA), positioning devices with the following limitations:

<table>
<thead>
<tr>
<th>Equipment</th>
<th>Limitation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Positioning system/supine board (small or large), including padding, straps adjustable armrests, footboard, and support blocks</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Prone stander (infant, child, youth, or adult size). The prone stander must be prescribed by a physician and the client must not be residing in a nursing facility.</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Adjustable standing frame (for child/adult 30 - 68 inches tall), including two padded back support blocks, a chest strap, a pelvic strap, a pair of knee blocks, an abductor, and a pair of foot blocks</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Positioning car seats</td>
<td>One per client, eight years of age and older or four feet nine inches or taller, in a five-year period</td>
</tr>
</tbody>
</table>
What is the limit for the purchase of osteogenesis electrical stimulator (bone growth stimulator)?

(WAC 182-543-3300)

The agency covers, with PA, noninvasive osteogenesis electrical stimulators, limited to 1 per client, in a 5-year period.

The agency pays for the purchase of non-spinal bone growth stimulators, only when both of the following apply:

- The stimulators have pulsed electromagnetic field (PEMF) simulation
- The client meets **one or more of the following clinical criteria:**
  - Has a nonunion of a long bone fracture (which includes clavicle, humerus, phalanx, radius, ulna, femur, tibia, fibula, metacarpal & metatarsal) after three months have elapsed since the date of injury without healing
  - OR -
  - Has a failed fusion of a joint other than in the spine where a minimum of nine months has elapsed since the last surgery

The agency pays for the purchase of spinal bone growth stimulators, when both of the following apply:

- Prescribed by a neurologist, an orthopedic surgeon, or a neurosurgeon
- The client meets one or more of the following clinical criteria:
  - Has a failed spinal fusion where a minimum of nine months have elapsed since the last surgery
  - Is post-op from a multilevel spinal fusion surgery
  - Is post-op from spinal fusion surgery where there is a history of a previously failed spinal fusion
Does the agency cover communication devices/speech generating devices (SGD) without PA?

(WAC 182-543-3400)

The agency covers both of the following:

- One artificial larynx, any type, without prior authorization, per client in a five-year period
- One speech generating device (SGD), with prior authorization, per client every two years

The agency pays only for those approved SGDs that have one of the following:

- Digitized speech output, using pre-recorded messages
- Synthesized speech output requiring message formation by spelling and access by physical contact with the device
- Synthesized speech output, permitting multiple methods of message formulation and multiple methods of device access

The agency requires prior authorization (PA) for SGDs and reviews requests on a case-by-case basis. The client must have a severe expressive speech impairment and the client’s medical condition warrants the use of a device to replace verbal communication (e.g., to communicate medical information).

Requests to the agency for prior authorization must meet all of the following:

- The request must be in writing and be accompanied by all of the following:
  - A completed *General Information for Authorization* form, HCA 13-835, see [Where can I download agency forms?](WAC 182-543-7000) (WAC 182-543-7000)
  - A copy of the client’s prescription for an evaluation for a SGD
  - A completed *Speech Language Pathologist (SLP) Evaluation for Speech Generating Devices* form, HCA 15-310

The agency requires, at a minimum, all the following information:

- A detailed description of the client's therapeutic history
- A written assessment by a licensed speech language pathologist (SLP)
• Documentation of all of the following:
  ✓ The client has reliable and consistent motor response, which can be used to communicate with the help of a SGD.
  ✓ The client has demonstrated the cognitive and physical abilities to utilize the equipment effectively and independently to communicate.
  ✓ The client's treatment plan includes a training schedule for the selected device.

• A copy of the prescription for the SGD from the client's treating physician written on an agency Prescription form, HCA 13-794, see Where can I download agency forms? (WAC 182-543-2000(2))

The agency may require trial-use rental of a SGD. The agency applies the rental costs for the trial-use to the purchase price.

The agency pays for the repair or modification of a SGD when all of the following are met:

• All warranties are expired

• The cost of the repair or modification is less than 50 percent of the cost of a new SGD and the provider has supporting documentation

• The repair has a warranty for a minimum of 90 days

The agency does not pay for devices requested for the purpose of education.

The agency pays for replacement batteries for a SGD in accordance with WAC 182-543-5500(3).

The agency does not pay for back-up batteries for a SGD.

For a client who is eligible for both Medicare and Medicaid, a provider must first request coverage of the SGD from Medicare. If Medicare denies the request for coverage, the provider may request the SGD from the agency following the rules within this billing guide.
What limitations does the agency place on ambulatory aids (canes, crutches, walkers, and related supplies)?

(WAC 182-543-3500)

The agency covers the purchase of the following ambulatory aids with stated limitations without prior authorization:

<table>
<thead>
<tr>
<th>Ambulatory Aid</th>
<th>Limitation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Canes</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Crutches</td>
<td>One per client in a five-year period</td>
</tr>
<tr>
<td>Walkers</td>
<td>One per client in a five-year period</td>
</tr>
</tbody>
</table>

The agency pays for replacement underarm pads for crutches and replacement handgrips and tips for canes, crutches, and walkers. Prior authorization is not required.

The agency pays for miscellaneous durable medical equipment (DME) as follows:

- Blood glucose monitor (specialized or home) - One in a 3-year period. See WAC 182-543-5500(12) for blood monitoring/testing supplies. The agency does not pay for continuous glucose monitoring systems including related equipment and supplies.

- Continuous passive motion (CPM) machine - Up to ten days rental and requires PA.

- Lightweight protective helmet/soft shell (including adjustable chin/mouth strap) - Two per 12-month period.

- Lightweight ventilated hard-shell helmet (including unbreakable face bar, woven chin strap with adjustable buckle and snap fastener, and one set of cushion pads for adjusting fit to head circumference) - Two per 12-month period.

- Pneumatic compressor - One in a 5-year period.

- Positioning car seat - One in a 5-year period.
When does the agency cover the equipment for negative pressure wound therapy for home use?

The agency covers the purchase of the following wound care devices with limits. Prior authorization (PA) is required. Documentation of tried or considered wound care must be documented on the *Negative Pressure Wound Therapy* form (HCA 13-726).

<table>
<thead>
<tr>
<th>Equipment</th>
<th>Limitation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dressing set, electrical pump, stationary or portable</td>
<td>Purchase only</td>
</tr>
<tr>
<td>Canister, disposable, used with suction pump</td>
<td>Purchase only, Limit of 5 per client every 30 days. Allowed only when billed in conjunction with prior authorized HCPCS code E2402</td>
</tr>
<tr>
<td>Electrical pump, stationary or portable</td>
<td>Rental only</td>
</tr>
</tbody>
</table>

Prior authorization requests for purchase must include *Prescription* form (HCA 13-794) and *Negative Pressure Wound Therapy* form (HCA 13-726). See [Where can I download agency forms?](#).

Client must show healing within 30 days for continuation of service.

The agency pays for a maximum of 4 months of negative pressure wound therapy beginning when the device was applied during an inpatient stay and prior to discharge into a home setting.

Coverage for Non-CRT Wheelchairs

(WAC 182-543-4000)

The agency covers, with prior authorization (PA), manual and power-drive wheelchairs for clients who reside at home.

**Note:** For clients with complex needs and who require an individually configured complex rehabilitation technology (CRT) product, see the agency’s Complex Rehabilitation Technology Billing Guide.

What are the general guidelines for wheelchairs?

For manual or power-drive wheelchairs for clients who reside at home, requests for PA must include all of the following completed forms:

- *General Information for Authorization* form, HCA 13-835, see Where can I download agency forms? (WAC 182-543-7000 Authorization)
- *Medical Necessity for Wheelchair Purchase (for home clients only)* form, HCA 13-727 from the client’s physician or therapist
- The agency’s *Prescription* form, HCA 13-794

The agency does not pay for manual or power-drive wheelchairs that have been delivered to a client without PA from the agency, as described in this billing guide.

When the agency determines that a wheelchair is medically necessary, according to the process found in WAC 182-501-0165, for 6 months or less, the agency rents a wheelchair for clients who live at home.

**Note:** For clients that do not live at home, see Clients Residing in a Skilled Nursing Facility.
Does the agency cover the rental or purchase of a manual wheelchair?

(WAC 182-543-4100)

The agency covers the rental or purchase of a manual wheelchair for clients who reside at home and are nonambulatory or who have limited mobility and requires a wheelchair to participate in normal daily activities.

**Note:** For clients that do not live at home, see Clients Residing in a Skilled Nursing Facility.

The agency determines the type of manual wheelchair for a client residing at home as follows:

- A standard wheelchair if the client's medical condition requires the client to have a wheelchair to participate in normal daily activities

- A standard lightweight wheelchair if the client's medical condition does not allow the client to use standard weight wheelchair because of one of the following:
  - The client cannot self-propel a standard weight wheelchair.
  - Custom modifications cannot be provided on a standard weight wheelchair

- A high-strength lightweight wheelchair for a client who meets one of the following:
  - Whose medical condition doesn’t allow the client to self-propel a lightweight or standard weight wheelchair
  - Requires custom modifications that cannot be provided on a standard weight or lightweight wheelchair

- A heavy duty wheelchair for a client who requires a specifically manufactured wheelchair designed to meet one of the following:
  - Support a person weighing 300 pounds and over
  - Accommodate a seat width up to 22 inches wide (not to be confused with custom heavy-duty wheelchairs)
Durable Medical Equipment (DME) &
Non-CRT Wheelchairs

• A custom heavy-duty wheelchair for a client who requires a specifically manufactured wheelchair designed to meet one of the following:
  ✓ Support a person weighing 300 pounds and over
  ✓ Accommodate a seat width over 22 inches wide

• A rigid wheelchair for a client who meets all of the following:
  ✓ Has a medical condition that involves severe upper extremity weakness
  ✓ Has a high level of activity
  ✓ Is unable to self-propel any of the above types of wheelchairs

• A custom manufactured wheelchair for a client with a medical condition requiring wheelchair customization that cannot be obtained on any of the categories of wheelchairs listed in this billing guide.

• Pediatric wheelchairs/positioning strollers having a narrower seat and shorter depths more suited to pediatric patients, usually adaptable to modifications for a growing child.

Does the agency cover power-drive wheelchairs?
(WAC 182-543-4200 (1)(2))

The agency covers power-drive wheelchairs when the prescribing physician certifies that all of the following clinical criteria are met:

• The client can independently and safely operate a power-drive wheelchair

• The client's medical condition negates his or her ability to self-propel any of the wheelchairs listed in the manual wheelchair category

• A power-drive wheelchair will do one of the following:
  ✓ Provide the client the only means of independent mobility
  ✓ Enable a child to achieve age-appropriate independence and developmental milestones

Note: All of the following additional information is required for a three or four-wheeled power-drive scooter/power-operated vehicle (POV):

• The prescribing physician certifies that the client's condition is stable.
• The client is unlikely to require a standard power-drive wheelchair within the next two years.
What are the guidelines for clients with multiple wheelchairs?

(WAC 182-543-4200(3)-(6))

When the agency approves a power-drive wheelchair for a client who already has a manual wheelchair, the power-drive wheelchair becomes the client's primary chair, unless the client meets the criteria for dual wheelchairs.

The agency pays to maintain only the client’s primary wheelchair, unless the agency approves both a manual wheelchair and a power-drive wheelchair for a noninstitutionalized client.

The agency pays for one manual wheelchair and one power-drive wheelchair for noninstitutionalized clients only when one of the following circumstances applies:

- The architecture of the client's home is completely unsuitable for a power-drive wheelchair, such as narrow hallways, narrow doorways, steps at the entryway, and insufficient turning radius
- The architecture of the client's home bathroom is such that power-drive wheelchair access is not possible, and the client needs a manual wheelchair to safely and successfully complete bathroom activities and maintain personal cleanliness
- The client has a power-drive wheelchair, but also requires a manual wheelchair because the power-drive wheelchair cannot be transported to meet the client's community, workplace, or educational activities. In this case, the manual wheelchair would allow the caregiver to transport the client in a standard automobile or van. The agency requires the client's situation to meet both of the following conditions:
  - The client's activities that require the second wheelchair must be located farther than one-fourth of a mile from the client's home.
  - Cabulance, public buses, or personal transit are not available, practical, or possible for financial or other reasons.

Note: When the agency approves both a manual wheelchair and a power-drive wheelchair for a noninstitutionalized client who meets one of the criteria for dual wheelchairs, the agency will pay to maintain both wheelchairs.

Modifications, Accessories, and Repairs for Non-CRT Wheelchairs

(WAC 182-543-4300)

What are the requirements for modifications, accessories, and repairs to noncomplex rehabilitation technology (CRT) wheelchairs?

The agency covers, with prior authorization (PA), wheelchair accessories and modifications that are specifically identified by the manufacturer as separate line item charges. To receive payment, providers must submit all of the following to the agency:

- A completed General Information for Authorization form, HCA 13-835, see Where can I download agency forms? (WAC 182-543-7000 Authorization)
- A completed Prescription form, HCA 13-794
- A completed Medical Necessity for Wheelchair Purchase (for home clients only) form, HCA 13-727
- The make, model, and serial number of the wheelchair to be modified
- The modification requested
- Any specific information regarding the client's medical condition that necessitates the modification

**Note:** The date on the Medical Necessity for Wheelchair Purchase (for home clients only) form, HCA 13-727, must not be dated prior to the date on the Prescription form, HCA 13-794.

**Note:** All wheelchairs and wheelchair rentals require prior authorization. Rental rates are monthly unless otherwise indicated.

DC = Same/similar covered code in fee schedule  
DP = Service managed through a different program  
NC = Not covered  
N = New  
P = Policy change  
PA = Prior Authorization Required
When does the agency pay for transit option restraints?

The agency pays for transit option restraints only when used for client-owned vehicles.

When does the agency cover non-CRT wheelchair repairs?

The agency covers, with prior authorization (PA), non-CRT wheelchair repairs. To receive payment, providers must submit all of the following to the agency:

- General Information for Authorization form, HCA 13-835, see Where can I download agency forms? (see Authorization for more information)
- A completed Medical Necessity for Wheelchair Purchase (for home clients only) form, HCA 13-727
- The make, model, and serial number of the wheelchair to be repaired
- The repair requested

Note: PA is required for the repair and modification of client-owned equipment.

Note: All wheelchairs and wheelchair rentals require prior authorization. Rental rates are monthly unless otherwise indicated.

Clients Residing in a Skilled Nursing Facility

(WAC 182-543-5700)

The agency’s skilled nursing facility per diem rate, established in chapter 74.46 RCW, chapter 388-96 WAC, and chapter 388-97 WAC, includes any reusable and disposable medical supplies that may be required for a skilled nursing facility client, unless otherwise specified within this billing guide.

The agency pays for the following covered DME and related supplies outside of the skilled nursing facility per diem rate, subject to the limitations in this billing guide:

- Wheelchairs
- Speech generating devices (SGD)
- Specialty beds

The agency pays for one manual or one power-drive wheelchair for clients who reside in a skilled nursing facility, with prior authorization (PA), according to the requirements in WAC 182-543-4100, WAC 182-543-4200, and WAC 182-543-4300.

Requests for PA must meet all of the following:

- Be for the exclusive full-time use of a skilled nursing facility resident
- Not be included in the skilled nursing facility's per diem rate
- Include a completed General Information for Authorization form, HCA 13-835; see Where can I download agency forms?
- Include a copy of the telephone order, signed by the physician, for the wheelchair assessment
- Include a completed Medical Necessity for Wheelchair Purchase for Nursing Facility Clients form, HCA 19-0006
The agency pays for wheelchair accessories and modifications that are specifically identified by the manufacturer as separate line item charges, with prior authorization (PA). To receive payment, providers must submit all of the following to the agency:

- A completed Prescription form, HCA 13-794, see Where can I download agency forms?
- A completed Medical Necessity for Wheelchair Purchase for Nursing Facility Clients form, HCA 19-0006. The date on form 19-0006 must not be prior to the date on the Prescription form, HCA 13-794 (see Authorization for more information)
- The make, model, and serial number of the wheelchair to be modified
- The modification requested.
- Specific information regarding the client’s medical condition that necessitates modification to the wheelchair

The agency pays for wheelchair repairs, with PA. To receive payment, providers must submit all of the following to the agency:

- A completed Medical Necessity for Wheelchair Purchase for Nursing Facility (NF) Clients form, HCA 19-0006. See WAC 182-543-7000, Authorization
- The make, model, and serial number of the wheelchair to be repaired
- The repair requested

PA is required for the repair and modification of client-owned equipment.

The skilled nursing facility must provide a house wheelchair as part of the per diem rate, when the client resides in a skilled nursing facility.

When the client is eligible for both Medicare and Medicaid and is residing in a skilled nursing facility in lieu of hospitalization, the agency does not reimburse for DME and related supplies, prosthetics, orthotics, medical supplies, related services, and related repairs and labor charges under fee-for-service (FFS).

The agency pays for the purchase and repair of a speech generating device (SGD), with PA. The agency pays for replacement batteries for SGDs in accordance with WAC 182-543-5500(3).
The agency pays for the purchase or rental of a specialty bed (a heavy-duty bariatric bed is not a specialty bed), with prior authorization (PA), when both of the following apply:

- The specialty bed is intended to help the client heal.
- The client's nutrition and laboratory values are within normal limits.

The agency considers decubitus care products to be included in the skilled nursing facility per diem rate and does not reimburse for these separately. (See Warranty for more information.)

The agency pays for the following medical supplies for a client in a skilled nursing facility outside the skilled nursing facility per diem rate:

- Medical supplies or services that replace all or parts of the function of a permanently impaired or malfunctioning internal body organ

This includes, but is not limited to the following:

- Colostomy and other ostomy bags and necessary supplies. (see WAC 388-97-1060(3), nursing homes/quality of care)
- Urinary retention catheters, tubes, and bags, excluding irrigation supplies.

- Supplies for intermittent catheterization programs, for the following purposes:
  - Long term treatment of atonic bladder with a large capacity
  - Short term management for temporary bladder atony

- Surgical dressings required as a result of a surgical procedure, for up to six weeks postsurgery
Noncovered

(WAC 182-543-6000)

What is not covered?

The agency pays only for durable medical equipment (DME), related supplies, and related services listed as covered within this billing guide and in chapter 182-543 WAC.

The agency does not cover:

- A client's utility bills, even if the operation or maintenance of medical equipment purchased or rented by the agency for the client contributes to an increased utility bill.
- Instructional materials such as pamphlets and video tapes.
- Hairpieces or wigs.
- Material or services covered under manufacturer’s warranties.
- Shoe lifts less than one inch, arch supports, and non-orthopedic shoes.
- Supplies and equipment used during a physician office visit, such as tongue depressors and surgical gloves.
- Home improvements and structural modifications, including, but not limited to, the following:
  - Automatic door openers for the house or garage
  - Electrical rewiring for any reason
  - Elevator systems, elevators
  - Installation or customization of existing bathtubs or shower stalls
  - Lifts or ramps for the home
  - Overhead ceiling track lifts
  - Racing stroller/wheelchairs and purely recreational equipment
  - Saunas
  - Security systems, burglar alarms, call buttons, lights, light dimmers, motion detectors, and similar devices
  - Swimming pools
Timers or electronic devices to turn things on or off, which are not an integral part of the equipment
Wheeled reclining chairs, lounge and/or lift chairs (e.g., geri-chair, posture guard, or lazy boy)
Whirlpool systems, such as Jacuzzis, hot tubs, or spas

- Functional electrical stimulation (FES) bike.
- Wearable defibrillators.
- Personal and comfort items that do not meet the DME definition, including, but not limited to, the following:
  - Bathroom items, such as antiperspirant, astringent, bath gel, conditioner, deodorant, moisturizers, mouthwash, powder, shampoo, shaving cream, shower cap, shower curtains, soap (including antibacterial soap), toothpaste, towels, and weight scales
  - Bedding items, such as mattress pads, blankets, mattress covers/bags, pillows, pillow cases/covers, sheets, and bumper pads
  - Bedside items, such as bed trays, carafes, and over-the-bed tables
  - Clothing and accessories, such as coats, gloves (including wheelchair gloves), hats, scarves, slippers, socks, custom vascular supports (CVS), surgical stockings, gradient compression stockings, and gradient compression stockings (pantyhose style) and lumbar supports for pregnancy
  - Clothing protectors, surgical masks, and other protective cloth furniture covering
  - Cosmetics, including corrective formulations, hair depilatories, and products for skin bleaching, commercial sun screens, and tanning
  - Diverter valves for bathtub and hand held showers
  - Eating/feeding utensils
  - Emesis basins, enema bags, and diaper wipes
  - Health club memberships
  - Hot or cold temperature food and drink containers/holders
  - Hot water bottles and cold/hot packs or pads not otherwise covered by specialized therapy programs
  - Impotence devices
Durable Medical Equipment (DME) & Non-CRT Wheelchairs

- Insect repellants
- Massage equipment
- Medication dispensers, such as med-collators and count-a-dose, except as obtained under the compliance packaging program (see chapter 182-530 WAC)
- Medicine cabinet and first aid items, such as adhesive bandages (e.g., Band-Aids, Curads), cotton balls, cotton-tipped swabs, medicine cups, thermometers, and tongue depressors
- Sharps containers
- Page turners
- Radios and televisions
- Telephones, telephone arms, cellular phones, electronic beepers, and other telephone messaging services
- Toothettes and toothbrushes, water pics, and periodontal devices whether manual, battery-operated, or electric

- Certain wheelchair features and options are not considered by the agency to be medically necessary or essential for wheelchair use. This includes, but is not limited to, the following:
  - Attendant controls (remote control devices)
  - Canopies, including those for stroller and other equipment
  - Clothing guards to protect clothing from dirt, mud, or water thrown up by the wheels (similar to mud flaps for cars)
  - Identification devices (such as labels, license plates, name plates)
  - Lighting systems
  - Speed conversion kits
  - Tie-down restraints, except where medically necessary for client owned vehicles
  - Warning devices, such as horns and backup signals
  - Hub Lock brake
  - Decals
Durable Medical Equipment (DME) &
Non-CRT Wheelchairs

✓ Replacement key or extra key
✓ Trays for clients in a skilled nursing facility
✓ New durable medical equipment, supplies, or related technology that the agency has not evaluated for coverage (see How can equipment/supplies be added to the covered list? for more information)

What is an exception to rule (ETR)?

The agency evaluates a request for any DME, related supplies, and related services listed as noncovered within this billing guide under the provisions of WAC 182-501-0160.

When EPSDT applies, the agency evaluates a noncovered service, equipment, or supply according to the process in WAC 182-501-0165 to determine if it is:

- Medically necessary.
- Safe.
- Effective.
- Not experimental (see to the agency’s current Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program Billing Guide for more information).

How do I request an exception to rule (ETR)?

Requests for ETR must be submitted in writing to the fax number located on the agency’s form and include all of the following:

- A completed General Information for Authorization, HCA 13-835 form, see Where can I download agency forms?
- A completed Prescription, HCA 13-794, form
- A letter explaining how the client’s situation meets the provisions of WAC 182-501-0160. For ETR requests for compression garments or bathroom equipment, complete one of the following agency forms instead of the letter of explanation:
  - Exception to Rule Request Compression Garments, HCA 13-871 form
  - Exception to Rule Request Bathroom Equipment, HCA 13-872 form
Authorization

What is authorization?
(WAC 182-543-7000)

Authorization is the agency’s approval for certain medical services, equipment, or supplies, before the services are provided to clients, as a precondition for provider reimbursement. Prior authorization (PA), expedited prior authorization (EPA) and limitation extensions (LE) are forms of authorization.

The agency requires providers to obtain authorization for covered durable medical equipment (DME) and related supplies as follows:

- As described in this billing guide
- As described in chapter 182-501 WAC, chapter 182-502 WAC, and chapter 182-543 WAC
- When the clinical criteria required in this billing guide are not met

For prior authorization (PA), a provider must submit a written request to the agency as specified. (See What is prior authorization (PA)?)

All requests for PA must be accompanied by a completed General Information for Authorization form, HCA 13-835 in addition to any program specific agency forms as required within this section. See Where can I download agency forms?

Note: Applicable forms may be downloaded from the agency’s Billers and Providers web page.

For expedited prior authorization (EPA), a provider must meet the clinically appropriate EPA criteria outlined within this billing guide. The appropriate EPA number must be used when the provider bills the agency (see What is expedited prior authorization (EPA)?).

When a service requires authorization, the provider must properly request authorization in accordance with the agency's rules, this billing guide, and provider notices.

Note: The agency's authorization of service(s) does not guarantee payment.

When authorization is not properly requested, the agency rejects and returns the request to the provider for further action. The agency does not consider the rejection of the request to be a denial of service.
Authorization requirements in this billing guide are not a denial of service to the client. The agency may recoup any payment made to a provider if the agency later determines that the service was not properly authorized or did not meet the EPA criteria. See WAC 182-502-0100(1)(c).

**What is prior authorization (PA)?**

*WAC 182-543-7100*

The agency requires providers to obtain PA for certain items and services before delivering that item or service to the client, except for dual-eligible Medicare/Medicaid clients when Medicare is the primary payer. The item or service must also be delivered to the client before the provider bills the agency.

All PA requests must be accompanied by a completed *General Information for Authorization* form, HCA 13-835 in addition to any program specific agency forms as required within this billing guide. See Where can I download agency forms?

Facility or therapist letterhead must be used for any documentation that does not appear on an agency form.

**Note:** For more information on requesting authorization, see Requesting Prior Authorization in the agency’s ProviderOne Billing and Resource Guide.

When the agency receives the initial request for PA, the prescription(s) for those items or services must not be older than three months from the date the agency receives the request.

The agency requires certain information from providers in order to prior authorize the purchase or rental of equipment. This information includes, but is not limited to, the following:

- The manufacturer's name
- The equipment model and serial number
- A detailed description of the item
- Any modifications required, including the product or accessory number as shown in the manufacturer's catalog

For PA requests, the agency requires the prescribing provider to furnish patient-specific justification for base equipment and each requested line item accessory or modification as identified by the manufacturer as a separate charge. The agency does not accept general standards of care or industry standards for generalized equipment as justification.

The agency considers requests for new durable medical equipment (DME) and related supplies that do not have assigned health care common procedure coding system (HCPCS) codes, and are not listed in this billing guide. These items require PA.
The provider must furnish all of the following information to the agency to establish medical necessity:

- A detailed description of the item(s) or service(s) to be provided
- The cost or charge for the item(s)
- A copy of the manufacturer's invoice, price-list or catalog with the product description for the item(s) being provided
- A detailed explanation of how the requested item(s) differs from an already existing code description

The agency does not pay for the purchase, rental, or repair of medical equipment that duplicates equipment the client already owns or rents. If the provider believes the purchase, rental, or repair of medical equipment is not duplicative, the provider must request PA and submit one of the following to the agency:

- Why the existing equipment no longer meets the client's medical needs
- Why the existing equipment could not be repaired or modified to meet those medical needs
- Upon request, documentation showing how the client's condition met the criteria for PA or EPA

A provider may resubmit a request for PA for an item or service that the agency has denied. The agency requires the provider to include new documentation that is relevant to the request.
How are photos and X-rays submitted for medical and DME requests?

For submitting photos and X-rays for medical and DME PA requests, use the FastLook™ and FastAttach™ services provided by Vyne Medical.

Register with Vyne Medical through their website.

Contact Vyne Medical at 865-293-4111 with any questions.

When this option is chosen, fax the request to the agency and indicate the MEA# in box 18 on the General Information for Authorization (HCA 13-835) form. There is an associated cost, which will be explained by the MEA services.

Note: See the agency ProviderOne Billing and Resource Guide and review the Prior Authorization (PA) chapter for more information on requesting authorization.

What is expedited prior authorization (EPA)?

(WAC 182-543-7300)

The expedited prior authorization (EPA) process is designed to eliminate the need for written or telephone requests for prior authorization for selected durable medical equipment (DME) procedure codes.

The agency requires a provider to create an authorization number for EPA for selected DME procedure codes. The process and criteria used to create the authorization number is explained within this billing guide. The authorization number must be used when the provider bills the agency.

Upon request, a provider must provide documentation to the agency showing how the client's condition met the criteria for EPA.

A written or telephone request for prior authorization is required when a situation does not meet the EPA criteria for DME procedure codes.

The agency may recoup any payment made to a provider if the provider did not follow the required expedited authorization process and criteria.

To bill the agency for DME that meet the EPA criteria on the following pages, the vendor must create a 9-digit EPA number. The first five or six digits of the EPA number will be 870000 or 87000. The last three or four digits is the specific code which meets the EPA criteria.
HIPAA 5010 does not allow multiple authorization (prior/expedited) numbers per claim. If billing an electronic claim, enter the EPA at the claim level in the *Prior Authorization* section.

**Vendors are reminded that EPA numbers are only for those products listed on the following pages.** EPA numbers are not valid for:

- Other DME requiring PA.
- Products for which the documented medical condition does not meet *all* of the specified criteria.
- Over-limitation requests.

The written or telephonic request for PA process must be used when a situation does not meet the criteria for a selected DME code. Providers must submit the request to the DME authorization Unit or call for authorization.

**Note:** See the agency’s [ProviderOne Billing and Resource Guide](#) for more information on requesting authorization.

---

**What is a limitation extension (LE)?**

(WAC **182-543-7200**)

The agency limits the amount, frequency, or duration of certain covered DME, and related supplies, and reimburses up to the stated limit without requiring prior authorization (PA).

Certain covered items have limitations on quantity and frequency. These limits are designed to avoid the need for PA for items normally considered medically necessary and for quantities sufficient for a thirty-day supply for one client.

The agency requires a provider to request PA for a limitation extension (LE) in order to exceed the stated limits for nondurable medical equipment (DME), and medical supplies.

All requests for PA must be accompanied by a completed *General Information for Authorization* form, HCA 13-835 in addition to any program specific agency forms as required within this billing guide. See [Where can I download agency forms?](#)

The agency evaluates requests for LE under the provisions of WAC **182-501-0169**.
**EPA Criteria Coding List**

What are the expedited prior authorization (EPA) criteria for equipment rental?

**Note:** The following pertains to expedited prior authorization (EPA) numbers 700 - 820:

1. If the medical condition does not meet **all** of the specified criteria, prior authorization (PA) must be obtained by submitting a request in writing to the agency (see Resources Available) or by calling the authorization toll-free number at (800) 562-3022 ext. 15466.

2. It is the vendor’s responsibility to determine whether the client has already used the product allowed with the EPA criteria within the allowed time period, or to determine if, the client has already established EPA through another vendor during the specified time period.

3. For extension of authorization beyond the EPA amount allowed, the normal PA process is required.

4. A valid physician prescription is required as described in WAC 182-543-2000(2)(c))

5. Documentation of the length of need/life expectancy must be kept in the client’s file, as determined by the prescribing physician and medical justification (including **all** of the specified criteria).

</table>
Durable Medical Equipment (DME) &
Non-CRT Wheelchairs

4) Has a medical condition that necessitates upper body positioning at no less than a 30-degree angle the majority of time he/she is in the bed.

5) Has full-time caregivers.

6) Does not also have a rental wheelchair.

HCPCS Code: E0294 RR & E0310 RR OR E0305 RR

725 Semi-Electric Hospital Bed with mattress with or without Bed Rails

Up to 11 months continuous rental in a 12-month period if all of the following criteria are met.

The client:

1) Has a length of need/life expectancy that is 12 months or less.

2) Has tried pillows, bolsters, and/or rolled up blankets/towels in own bed, and determined ineffective in meeting positioning needs (nature of ineffectiveness must be documented in the client’s file).

3) Has a chronic or terminal condition such as COPD, CHF, lung cancer or cancer that has metastasized to the lungs, or other pulmonary conditions that cause the need for immediate upper body elevation.

4) Must be able to independently and safely operate the bed controls.

5) Does not have a rental wheelchair.

6) Has a completed Hospital Bed Evaluation form, HCA 13-747. See Where can I download agency forms?

Note:

1) The EPA rental is allowed only one time, per client, per 12-month period.

2) Authorization must be requested for the 12th month of rental at which time the equipment will be considered purchased. The authorization number will be pended for the serial number of the equipment. In such cases, the equipment the client has been using must have been new on or after the start of the rental contract or is documented to be in good working condition. A 1-year warranty will take effect as of the date the equipment is considered purchased if equipment
Durable Medical Equipment (DME) & Non-CRT Wheelchairs

is not new. Otherwise, normal manufacturer warranty will be applied.

3) If length of need is greater than 12 months, as stated by the prescribing physician, a PA for purchase must be requested either in writing or via the toll-free line.

4) If the client is hospitalized or is a resident of a nursing facility and is being discharged to a home setting, rental may not start until the date of discharge. Documentation of the date of discharge must be included in the client’s file. Rentals for clients in a skilled nursing facility are included in the nursing facility daily rate, and in the hospital they are included in the DRG payment.

5) The agency does not rent equipment during the time that a request for similar purchased equipment is being assessed, when authorized equipment is on order, or while the client-owned equipment is being repaired and/or modified. The vendor of service is expected to supply the client with an equivalent loaner.

6) **Hospital beds will not** be provided:
   a. As furniture.
   b. To replace a client-owned waterbed.
   c. For a client who does not own a standard bed with mattress, box spring, and frame.
   d. If the client’s standard bed is in an area of the home that is currently inaccessible by the client such as an upstairs bedroom.

9) Only one type of bed rail is allowed with each rental.

10) **Mattress may not** be billed separately.

HCPCS Code: E0294 NU

**726 Semi-Electric Hospital Bed with mattress with or without bed rails**

Initial purchase if all of the following criteria are met. The client:

1) Has a length of need/life expectancy that is 12 months or more.
2) Has tried positioning devices such as: pillows, bolsters, foam wedges, and/or rolled up blankets/towels in own bed, and been determined ineffective in meeting positioning needs (nature of ineffectiveness must be documented in the client’s file).
3) Has one of the following diagnosis:
   a. Quadriplegia
   b. Tetraplegia
   c. Duchenne’s M.D.
   d. ALS
   e. Ventilator dependent
   f. COPD or CHF with aspiration risk or shortness of breath that causes the need for an immediate position change of more than 30 degrees

4) **Must be able to independently and safely operate the bed controls.**

**Documentation Required:**

1) Life expectancy, in months and/or years
2) Client diagnosis including ICD code
3) Date of delivery and serial #
4) Written documentation indicating client has not been previously provided a hospital bed, purchase, or rental (i.e. written statement from client or caregiver)
5) A completed **Hospital Bed Evaluation form**, HCA 13-747. See Where can I download agency forms?

**Note:**

1) The EPA criteria is to be used only for an initial purchase per client, per lifetime. It is not to be used for a replacement or if EPA rental has been used within the previous 24 months.
2) It is the vendors’ responsibility to determine if the client has not been previously provided a hospital bed, either purchase or rental.
3) **Hospital beds will not** be covered:
   a. As furniture
   b. To replace a client-owned waterbed
   c. For a client who does not own a standard bed with mattress, box spring and frame
   d. If the client’s standard bed is in an area of the home that is currently inaccessible by the client such as an upstairs bedroom

**LOW AIR LOSS THERAPY SYSTEMS**

HCPCS Code: E0371 & E0372 RR

**730 Low Air Loss Mattress Overlay**

Initial 30-day rental followed by one additional 30-day rental in a 12-month period if all of the following criteria are met. The client:
1) Is bed-confined 20 hours per day during rental of therapy system.
2) Has at least one stage 3 decubitus ulcer on trunk of body.
3) Has acceptable turning and repositioning schedule.
4) Has timely labs (every 30 days).
5) Has appropriate nutritional program to heal ulcers.

HCPCS Code: E0277 & E0373 RR

735 Low Air Loss Mattress without bed frame

Initial 30-day rental followed by an additional 30 days rental in a 12-month period if all of the following criteria are met. The client:

1) Is bed-confined 20 hours per day during rental of therapy system.
2) Has multiple stage 3/4 decubitus ulcers or one stage 3/4 with multiple stage 2 decubitus ulcers on trunk of body.
3) Has ulcers on more than one turning side.
4) Has acceptable turning and repositioning schedule.
5) Has timely labs (every 30 days).
6) Has appropriate nutritional program to heal ulcers.

HCPCS Code: E0194 RR

740 Low Air Loss Mattress without bed frame

Initial 30-day rental in a 12-month period upon hospital discharge following a flap surgery

HCPCS Code: E0747 NU & E0760 NU

765 Non-Spinal Bone Growth Stimulator

Allowed only for purchase of brands that have pulsed electromagnetic field simulation (PEMF) when one or more of the following criteria is met. The client:

1) Has a nonunion of a long bone fracture (which includes clavicle, humerus, phalanges, radius, ulna, femur, tibia, fibula, metacarpal and metatarsal) after 6 months has elapsed since the date of injury without healing.
2) Has a failed fusion of a joint other than in the spine where a minimum of 6 months has elapsed since the last surgery.

HCPCS Code: E0748 NU

770 Spinal Bone Growth Stimulator

Allowed for purchase when the prescription is from a neurologist, an orthopedic surgeon, or a neurosurgeon and when one or more of the following criteria is met. The client:

1) Has a failed spinal fusion where a minimum of 9 months has elapsed since the last surgery.
2) Is post-op from a multilevel spinal fusion surgery.
3) Is post-op from spinal fusion surgery where there is a history of a previously failed spinal fusion.

Note: The EPA rental is allowed only one time, per client, per 12-month period.
Durable Medical Equipment (DME) &
Non-CRT Wheelchairs

MISCELLANEOUS DURABLE MEDICAL
EQUIPMENT

HCPCS Code: E0604 RR

800  Breast pump, electric

Unit may be rented for the following lengths
of time and when the criteria are met. The
client:

1) Has a maximum of 2 weeks during any
12-month period for engorged breasts.
2) Has a maximum of 3 weeks during any
12-month period if the client is on a
regimen of antibiotics for a breast
infection.
3) Has a maximum of 2 months during any
12-month period if the client has a
newborn with a cleft palate.
4) Has a maximum of 2 months during any
12-month period if the client meets all of
the following:
   a. Has a hospitalized premature
      newborn
   b. Has been discharged from the
      hospital
   c. Is taking breast milk to hospital to
      feed newborn

HCPCS Code: E0935 RR

810  Continuous Passive Motion System
(CPM)

Up to 10 days rental during any 12-month
period, upon hospital discharge, when the
client is diagnosed with one of the
following:

1) Frozen joints
2) Intra-articular tibia plateau fracture
3) Anterior cruciate ligament injury
4) Total knee replacement

HCPCS Code: E0650 RR

820  Extremity pump

Up to 2 months rental during a 12-month
period for treatment of severe edema.

Purchase of the equipment should be
requested and rental not allowed when
equipment has been determined to be all of
the following:

1) Medically effective
2) Medically necessary
3) A long-term, permanent need
Which EPA numbers have been discontinued and have been replaced by national codes?

Billing

Effective for claims billed on and after October 1, 2016
All claims must be submitted electronically to the agency, except under limited circumstances. For more information about this policy change, see Paperless Billing at HCA. For providers approved to bill paper claims, see the agency’s Paper Claim Billing Resource.

What are the general billing requirements?
Providers must follow the agency’s ProviderOne Billing and Resource Guide. These billing requirements include:

- What time limits exist for submitting and resubmitting claims and adjustments
- When providers may bill a client
- How to bill for services provided to primary care case management (PCCM) clients
- How to bill for clients eligible for both Medicare and Medicaid
- How to handle third-party liability claims
- What standards to use for record keeping

What billing requirements are specific to durable medical equipment (DME)?
A provider must not bill the agency for the rental or purchase of equipment supplied to the provider at no cost by suppliers/manufacturers.

The agency does not pay a durable medical equipment (DME) provider for medical supplies used in conjunction with a physician office visit. The agency pays for these supplies when it is appropriate. See the agency’s current Physician-Related Services/Health Care Professional Services Billing Guide.
How does a provider bill for a managed care client?
(WAC 182-543-8100)

If a fee-for-service (FFS) client enrolls in an agency-contracted managed care organization (MCO), all of the following apply:

- The agency stops paying for any rented equipment on the last day of the month preceding the month in which the client becomes enrolled in the MCO.

- The MCO determines the client's continuing need for the equipment and is responsible for paying the provider.

- A client may become an MCO enrollee before the agency completes the purchase of the prescribed medical equipment. The agency considers the purchase complete when the product is delivered and the agency is notified of the serial number. If the client becomes an MCO enrollee before the agency completes the purchase, the following occur:
  - The agency rescinds the agency’s authorization with the vendor until the MCO’s primary care provider (PCP) evaluates the client.
  - The agency requires the PCP to write a new prescription if the PCP determines the equipment is still medically necessary as defined in WAC 182-500-0070.
  - The MCO’s applicable reimbursement policies apply to the purchase or rental of the equipment.

- A client may be disenrolled from an MCO and placed into fee-for-service before the MCO completes the purchase of prescribed medical equipment.
  - The agency rescinds the MCO’s authorization with the vendor until the client’s primary care provider (PCP) evaluates the client.
  - The agency requires the PCP to write a new prescription if the PCP determines the equipment is still medically necessary as defined in WAC 182-500-0070.
  - The agency’s applicable reimbursement policies apply to the purchase or rental of the equipment.
How does a provider bill for clients eligible for Medicare and Medicaid?  
(WAC 182-543-8200)

If a client is eligible for both Medicare and Medicaid, all of the following apply:

- The agency requires a provider to accept Medicare assignment before any Medicaid reimbursement.
- In accordance with WAC 182-502-0110(3):
  - If the service provided is covered by Medicare and Medicaid, the agency pays the deductible and coinsurance up to Medicare's allowed amount or the agency’s allowed amount, whichever is less.
  - If the service provided is covered by Medicare but is not covered by the agency, the agency pays only the deductible and/or coinsurance up to Medicare’s allowed amount.

Where can the agency’s required forms be found?

The following forms can be downloaded from the agency's forms web page:

- Negative Pressure Wound Therapy form, HCA 13-726
- Medical Necessity for Wheelchair Purchase (for home client only) form, HCA 13-727
- Low Air-Loss Therapy Systems form, HCA 13-728
- Medical Necessity for Wheelchair Purchase for Nursing Facilities (NF) Clients form, HCA 19-0006
- Hospital Bed Evaluation form, HCA 13-747
- Exception to Rule Request: Bathroom Equipment form, HCA 13-872
- Exception to Rule Request: Compression Garments, HCA 13-871
- The Speech Language Pathologist (SLP) Evaluation for Speech Generating Devices form, HCA 15-310
How do I bill claims electronically?

Instructions on how to bill Direct Data Entry (DDE) claims can be found on the agency’s Billers and Providers webpage, under ProviderOne Resources, Webinars.

For information about billing Health Insurance Portability and Accountability Act (HIPAA) Electronic Data Interchange (EDI) claims, see the ProviderOne 5010 companion guides on the HIPAA Electronic Data Interchange (EDI) web page.

Reimbursement

What are the general reimbursement guidelines for durable medical equipment (DME) and related supplies and services?  
(WAC 182-543-9000(1))

The agency pays qualified providers who meet all of the conditions in WAC 182-502-0100, for durable medical equipment (DME), supplies, repairs, and related services provided on a fee-for-service (FFS) basis as follows:

- Payment is made to agency-enrolled DME providers, pharmacies, and home health agencies under their national provider identifier (NPI) numbers, subject to the limitations found within this billing guide.

- Payment is in accordance with the health care common procedure coding system (HCPCS) guidelines for product classification and code assignation.

  **Note:** The agency is the payor of last resort for clients with Medicare or third party insurance.

Reminder: See the agency’s fee schedules for payment requirements.

When does the agency set rates?  
(WAC 182-543-9000(2))

The agency sets, evaluates, and updates the maximum allowable fees for DME and related supplies at least once yearly using available published information, including but not limited to:

- Commercial databases.
- Manufacturers' catalogs.
- Medicare fee schedules.
- Wholesale prices.

The agency may adopt policies, procedure codes, and/or rates that are inconsistent with those set by Medicare if the agency determines that such actions are necessary.
How often does the agency update rates?
(WAC 182-543-9000(4)-(6))

The agency updates the maximum allowable fees for DME related supplies, and related services at least once per year, unless otherwise directed by the legislature or considered necessary by the agency.

The agency is the payor of last resort for clients with Medicare or third party insurance.

The agency does not pay for medical equipment and/or services provided to a client who is enrolled in an agency-contracted managed care organization (MCO), but who did not use one of the plan's participating providers.

What is included in the rate?
(WAC 182-543-9000(8))

The agency’s payment rate for purchased or rented covered DME related supplies, and related services include:

- Any adjustments or modifications to the equipment required within three months of the date of delivery, or are covered under the manufacturer’s warranty. This does not apply to adjustments required because of changes in the client's medical condition.

- Any pick-up and/or delivery fees or associated costs (e.g., mileage, travel time, gas, etc.).

- Telephone calls.

- Shipping, handling, and/or postage.

- Routine maintenance of DME including:
  - Testing.
  - Cleaning.
  - Regulating.
  - Assessing the client’s equipment.

- Fitting and/or set-up.

- Instruction to the client or client's caregiver in the appropriate use of the equipment, device, and/or supplies.
What are the payment methodologies of DME under other programs?
(WAC 182-543-9000(9))

DME, supplies, repairs, and related services supplied to eligible clients under the following payment methodologies are included in those methodologies and are not paid under fee-for-service:

- Hospice providers' per diem payment
- Hospital’s diagnosis-related group (DRG) payment methodology
- Managed care organizations' capitation rate
- Skilled nursing facility per diem rate
- Professional services’ resource-based relative value system reimbursement (RBRVS) rate

Note: The agency does not pay for medical equipment and/or services provided to a client who is enrolled in an agency-contracted MCO, but who did not use one of the plan's participating providers.

What is the payment methodology for other DME?
(WAC 182-543-9100(1)-(3))

The agency sets, evaluates and updates the maximum allowable fees for purchased other DME at least once yearly using one or more of the following:

- The current Medicare rate, as established by the federal centers for Medicare and Medicaid services (CMS), for a new purchase if a Medicare rate is available
- A pricing cluster
- On a by-report basis

Establishing payment rates for purchased other DME based on pricing clusters.

- A pricing cluster is based on a specific HCPCS code.
- The agency's pricing cluster is made up of all the brands/models for which the agency obtains pricing information. However, the agency may limit the number of brands/models
included in the pricing cluster. The agency considers all of the following when establishing the pricing cluster:

✓ A client’s medical needs
✓ Product quality
✓ Introduction, substitution or discontinuation of certain brands/models
✓ Cost

• When establishing the fee for other DME items in a pricing cluster, the maximum allowable fee is the median amount of available manufacturer’s list prices for all brands/models as noted in the pricing cluster.

The agency evaluates a by report (BR) item, procedure, or service for its medical necessity, appropriateness and payment value on a case-by-case basis. The agency calculates the payment rate for these items at 80% of the manufacturer's list price.

**What are the monthly rental reimbursement rates for Other DME?**

(WAC 182-543-9100(4))

The agency’s maximum allowable fee for monthly rental is established using one of the following:

• For items with a monthly rental rate on the current Medicare fee schedule, as established by the federal centers for Medicare and Medicaid services (CMS), the agency equates its maximum allowable fee for monthly rental to the current Medicare monthly rental rate.

• For items that have a new purchase rate, but no monthly rental rate on the current Medicare fee schedule, as established by the federal centers for Medicare and Medicaid services (CMS), the agency sets the maximum allowable fee for monthly rental at one-tenth of the new purchase price of the current Medicare rate.

• For items not included in the current Medicare fee schedule, as established by the federal centers for Medicare and Medicaid services (CMS), the agency considers the maximum allowable monthly payment rate as by-report. The agency calculates the monthly payment rate for these items at one-tenth of 80% of the manufacturer’s list price.
What are the daily rental payment rates for other DME?

(WAC 182-543-9100(5)-(7))

The agency’s maximum allowable fee for daily rental is established using one of the following:

- For items with a daily rental rate on the current Medicare fee schedule, as established by the federal centers for Medicare and Medicaid services (CMS), the agency equates its maximum allowable fee for daily rental to the current Medicare daily rental rate.

- For items that have a new purchase rate but no daily rental rate on the current Medicare fee schedule, as established by the federal centers for Medicare and Medicaid services (CMS), the agency sets the maximum allowable fee for daily rental at one-three-hundredth of the new purchase price of the current Medicare rate.

- For items not included in the current Medicare fee schedule, as established by the federal centers for Medicare and Medicaid services (CMS), the agency considers the maximum allowable daily payment rate as by-report. The agency calculates the daily payment rate at one-three-hundredth of 80% of the manufacturer’s list price.

The agency does not pay for DME and related supplies, related services, and related repairs and labor charges under fee-for-service (FFS) when the client is any of the following:

- An inpatient hospital client

- Eligible for both Medicare and Medicaid, and is staying in a skilled nursing facility in lieu of hospitalization

- Terminally ill and receiving hospice care

- Enrolled in a risk-based MCO that includes coverage for such items and/or services

The agency rescinds any purchase order for a prescribed item if the equipment was not delivered to the client before the client:

- Dies.

- Loses medical eligibility.

- Becomes covered by a hospice agency.

- Becomes covered by an agency-contracted MCO.

A provider may incur extra costs for customized equipment that may not be easily resold. In these cases, for purchase orders rescinded, the agency may pay the provider an amount it considers
appropriate to help defray these extra costs. The agency requires the provider to submit justification sufficient to support such a claim.

What is the payment methodology used by the agency for wheelchairs?
(WAC 182-543-9200)

The agency pays a DME provider for purchased wheelchairs based on the specific brand and model of wheelchair dispensed. The agency decides which brands and/or models of wheelchairs are eligible for payment based on all of the following:

- A client's medical needs
- Product quality
- Cost
- Available alternatives

The agency sets, evaluates and updates the maximum allowable fees at least once yearly for wheelchair purchases, wheelchair rentals, and wheelchair accessories (e.g., cushions and backs) using the lesser of the following:

- The current Medicare fees
- The actual invoice for the specific item
- A percentage of the manufacturer's list price

The agency uses the following percentages for:

<table>
<thead>
<tr>
<th>Equipment</th>
<th>Percentage of Manufacturer List Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>Basic standard wheelchairs</td>
<td>65 %</td>
</tr>
<tr>
<td>Add-on accessories and parts</td>

</tr>
<tr>
<td>All other manual wheelchairs</td>
<td>80%</td>
</tr>
<tr>
<td>All other power-drive wheelchairs</td>
<td>85%</td>
</tr>
</tbody>
</table>
Warranty

When do I need to make warranty information available?
(WAC 182-543-9000(10))

You must make all of the following warranty information available to the agency upon request:

- Date of purchase
- Applicable serial number
- Model number or other unique identifier of the equipment
- Warranty period, available to the agency upon request
When is the dispensing provider responsible for costs?
(WAC 182-543-9000(11))

The dispensing provider who furnishes the equipment, supply or device to a client is responsible for any costs incurred to have a different provider repair the equipment when all of the following apply:

- Any equipment that the agency considers purchased requires repair during the applicable warranty period.
- The provider refuses or is unable to fulfill the warranty.
- The equipment, supply or device continues to be medically necessary.

If the rental equipment, supply, or device must be replaced during the warranty period, the agency recoups 50% of the total amount previously paid toward rental and eventual purchase of the equipment, supply or device delivered to the client when both of the following occur:

- The provider is unwilling or unable to fulfill the warranty.
- The equipment, supply or device continues to be medically necessary.
