About the Presenters:

Charlotte L. Kohler, RN, CPA, CVA, CRCE-I, CPC, ACS, CHBC — With over 30 years of healthcare experience, Charlotte Kohler has developed a diverse and rewarding career in the industry. A registered nurse, she was the Chief Operating Officer of a multi-site medical practice and a compliance officer for an integrated delivery system.

Phyllis Cavens, MD and Associates from the Child and Adolescent Clinic in Longview, WA — Dr. Cavens will share tips on timely EPSDT visits and engagement in quality care for Medicaid and all at risk children based on forty years of experience caring for children.

Gail Krieger, BSN, Manager, Medicaid Monitoring and Quality of Care at HCA — She is responsible for ensuring managed care plans and fee-for-service providers are meeting established quality and performance standards. Her primary goal is to transition the delivery system from a fee-for-service system to a value-based purchasing system supporting optimal health outcomes for Medicaid covered Washington state citizens.
